## About Approval

### I have followed all the necessary steps but my application was not eligible for the SingSaver reward. What should I do?

Kindly ensure that you have made an application via SingSaver's website. To be sure of this, the last click prior to landing on the product application form must have been a SingSaver channel, either on the SingSaver website or an advertisement by SingSaver.

Kindly note that the receipt of the following emails neither confirms that any product application was made via SingSaver nor confirms the eligibility for any SingSaver rewards:

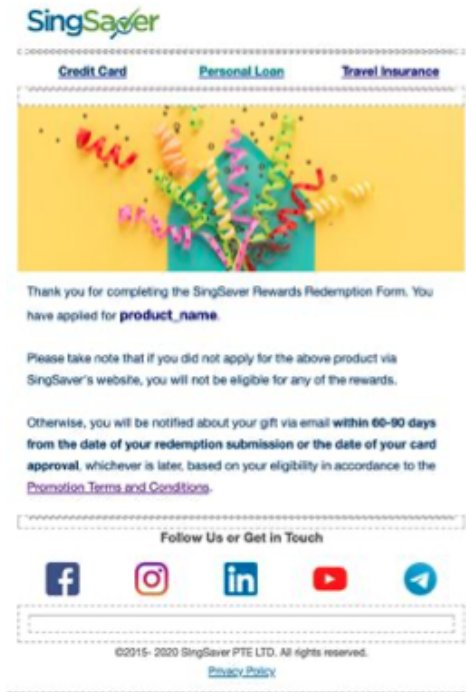

- **Rewards Redemption Email**

This is an email automatically triggered when an applicant submits their email address in the rewards page.

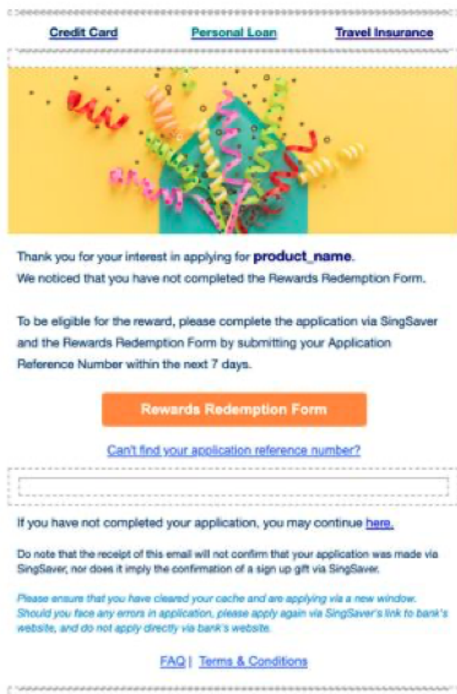

- **Confirmation of receipt of a successfully submitted Rewards Redemption Form.**

This is an email automatically triggered when an applicant successfully submits their Rewards Redemption Form.

- **Rewards redemption reminder email**

This is an email automatically triggered when an applicant fails to submit their Rewards Redemption Form, and is triggered to all applicants who have submitted an email address to SingSaver.

In addition, capturing a screenshot of the page where applicants are required to submit their email addresses does not prove that the credit card was applied via SingSaver. This information can only be verified by our partners in their communications to us.
