Commission-free Trades^[1] Card

- You may go to **【Rewards Center】** in the Tiger Trade App to claim Commission-Free Trades within 20 days before they expire.
- The commission-free trade issued by Tiger can be used to waive the commission or platform fee on Tiger trades. The commission-free trade will take effect immediately after activation. You need to use commission-free trade within the validity period. If you have two or more commission-free trades of the same category, the validity period will be automatically extended.
- The commission-free trades are pre-deducted and rebated afterward. You need to place an order within the validity period of the commission-free trade and the order should be filled before the commission-free trade can be successfully used. The commission-free trade(s) can be chosen when an order is placed in the Tiger Trade App of version 7.2.0 and above (commission-free trades in the older versions will be automatically used based on the system sorting). If your order has matching commission-free trade, the system will automatically select the best commission-free trade for you when placing the order. If you want to cancel or change the commission-free trade, you can cancel or change it manually when placing the order.
- (Notes: Orders bound with the commission-free trade need to be fully filled before the commission-free trade can be successfully used. If the order is fully filled after the commission-free trade expires, the commission-free trade will not be used successfully.)
- After the order is filled, the number of times for commission-free trades minus 1. The waived commission will be refunded to the client's Tiger account in the form of cash within 1 minute of the order being filled for the Prime Account and by the first week of the next month for the Global Account. Clients may check the commission refund details through the coupon details in Reward Center or via [Tiger Trade>Trade>Orders] or [Tiger Trade App>Trade>More>Fund Details].
- Both the Single Commission-Free Trade and the Multi-Commission-Free Trades can only be used for a specified number of times within the validity period, and any unused times after the expiry date of the commission-free trade will be automatically canceled. After commission-free trade is bound to order, the number of times commission-free trade will be frozen. If the order is fully filled, the number of times will be deducted accordingly; if the order is not fully filled or canceled, the number of times will be refunded accordingly.

- Notes:
- The commission-free trade card is not available for exercised option orders.

Stock

- Clients who have opened an account can activate or receive rewards. When the reward status becomes "Processing", the free share will be delivered to your account within 10 working days.
- Clients who have not yet opened an account need to open a Tiger Prime Account and activate or receive rewards. After the reward status becomes "Processing", the stocks will be delivered to your account within 10 working days.
- Please note during the holding period of stocks, the corporate action of the stock may cause charges. Tiger Brokers will charge accordingly. Please pay attention to the security of your account total assets.
- The 0.88 HP Inc fractional shares you received after completing the funding and trading task will be issued to your account with the status of "To be activated". You will need to keep your account's total assets amounting to or above the task-required deposit amount and lasting for 30 calendar days after the rewards are issued. (Due to fluctuations in asset values, your account's total asset amounting is allowed to drop by 30% from the task-required amount), which means you must keep your total account assets amounting to or above SGD 700 each day and lasting for 30 calendar days after the rewards are issued.
After the stock is activated, it will be updated to " Delivering" status and will be allocated to your holding position within 10 business days.
In situations where the total assets in your Tiger account fail to meet the asset requirement within the above-mentioned period, the "To be activated" stock will be removed from the client's Tiger account immediately and the client will not be entitled to receive the free promotional stock.
The 0.88 HP Inc fractional shares will only be issued to accounts that support fractional shares trading. Otherwise, the reward will be replaced with a USD 25 cash voucher automatically within 10 business days.
- The Apple share you received from completing the flash offer required task, will be issued to your account with the status of "To be activated". You will need to keep your account's total assets amounting to or above the task-required deposit amount and lasting for 30 calendar days after the rewards are issued. (Due to fluctuations in asset values, your account's total asset amounting is allowed to drop by 30% from the task-required amount), which means you must keep your total account assets amounting to or above SGD 7,000 each day and lasting for 30 calendar days after the rewards are issued.
After the stock is activated, it will be updated to " Delivering" status and will be allocated to your holding position within 10 business days.
In situations where the total assets in your Tiger account fail to meet the asset requirement within the above-mentioned period, the "To be activated" stock will be removed from the client's Tiger account immediately and the client will not be entitled to receive the free promotional stock.

Yield Coupon

- Yield Coupons are Reward Coupons issued by Tiger Brokers that can be used to obtain an additional cash bonus upon successful subscription to a selected Fund. Once activated, the Coupon must be used within the indicated validity period and will automatically become invalid upon expiry.
- To use the Yield Coupon ("Coupons"), clients simply need to place a Fund subscription order via Fund Mall within the Coupon validity period, and it will automatically be applied to your order. If you have multiple Coupons, the system will recommend the Coupon option with the highest annualized return during the subscription. Should you wish to cancel or change the Coupon option, you can manually do so. Please note that Coupons can only be applied for Fund subscriptions in TigerTrade APP version 8.0.3 and above.
- The cash bonus calculation is accrued daily, and the cash bonus entitled from the Coupon will be issued to your Tiger Brokers account within 1 working day after the end of the bonus period stated (For example, if it is a 3-day Coupon, it will be credited within 1 working day after the 3-day period).
- The formula used to calculate the daily accrued bonus entitlement is: (day end value of subscription amount for the specific coupon) * coupon annualized rate /365.** If the day end value of subscription amount for the specific coupon + any existing positions – any redemption done during the day is less than your actual subscription amount, the applicable amount will be adjusted accordingly.

Notes

- Each client is only entitled to one set of welcome gifts. Anyone who has held any previous or existing accounts with TBSP or with its affiliates are not eligible to receive any other ongoing or future welcome gifts issued by TBSP.
- This promotion reward does not conflict with other Tiger Brokers' campaign rewards in the same period.
- For further inquiries, please call our customer service hotline (65) 6331 2277 or consult our online customer service via www.tigerbrokers.com.sg
- This offer is limited to one reward per new account, with no more than one account enrolled per person. If your Tiger Brokers account shows signs of fraud, abuse, or suspicious activity, e.g. using multiple accounts, or instant account closing, Tiger Brokers may, in its sole discretion, forfeit your stock rewards and limit your chance to participate in future promotions.
- By participating in this event and receiving the rewards in your account, you agree that you will only withdraw the proceeds generated from the rewards after you have successfully completed 10 trades.
- The 5 buy trades apply to STK, Fund, WAR, FUT and OPT. (FOREX and IPOT are not included.)^[3]
- Due to market fluctuation, some stock values may drop from the time we made the purchase. Please understand that we have no control over the fluctuation of the market.**
- In order to be eligible to participate in the Campaign, prospective new clients must not be a current or previous holders of an account with Tiger, or any of its affiliated companies. Persons or entities constituted as Limited Companies, Partnerships, Trusts or any other kind of legal entity are not eligible for the Campaign, nor are Institutional, Wholesale, or ESOP (Employee Share Ownership Program) accounts. As long as an eligible prospective new client opens an account with Tiger Brokers (Singapore) Pte Ltd. within the Promotion Period, this client is entitled to the Benefit(s) in accordance with the Terms.
