

THE POKER ROOM AT MGM NATIONAL HARBOR

HOUSE RULES

1. Players are responsible for protecting their own hand. This includes protecting their action and their ability to act in turn.
2. Cards must remain in plain view at all times. The dealer and all active players at the table must be able to see any live hand.
3. Only one player per hand is permitted.
4. All games are table stakes.
5. English is the only language permitted to be spoken during the play of a hand.
6. One bet and four raises are permitted in limit poker, or in no-limit poker and pot-limit games.
7. Only chips may be wagered in a poker game. Cash is not permitted.
8. Side bets and insurance are not permitted.
9. String bets or raises are prohibited.
10. Cards speak at showdown. Dealers will assist in the reading of tabled hands.
11. A decision by the Supervisor/Management is final.
