1) All Series conducted under the rules and regulations of the Ohio State Racing Commission, the United States Trotting Association and Northfield Park.

2) Post positions in all legs drawn by lot.

3) At the time of declaration, with the exception of championship legs and consolations, a horse must meet current qualifying standards at Northfield Park (official track variances allowed).

4) Declarations close in accordance with the current draw schedule at Northfield Park.

5) Horses do not have to start in all legs of the series, including opening leg.

6) Northfield requires six separate betting interests in any event (seven in consolations) or it may be canceled.

7) In the event more than eleven enter any preliminary leg, the race will be split into divisions (maximum of ten horses per race if two or more divisions), at the discretion of the Director of Racing

8) Horses with the highest earnings in preliminary legs will qualify to compete in the final. The final will be limited to nine separate betting interests with no more than two declarations from any coupled owner or any trainer. In the event that any of the highest money winners fail to declare, series starters (or entrants in a preliminary leg that does not fill) may be drawn by lot, if declared, to fill. Series starters that enter, but do not draw into the final, may go in consolation (Need at least 7 to fill).

9) Northfield reserves the right to reject any entry, declare off the event if sufficient nominations are not received, and place any horse entered incorrectly into its proper class.

10) Stall space for all nominees may be revoked at any time.
