MEETING PLANNERS GUIDE

Emergency/Evacuation Procedures

Mandalay Bay Resort is equipped with sophisticated electronic fire detection and alarm systems which are designed to notify our Fire Command Center the location of any incident that triggers a detector or activates the sprinkler system. Once an alarm has been initiated, members of Mandalay Bay's trained Security & Engineering staff immediately respond to the location of the alarm, determine the source, assess the situation and report back to the Fire Command Center with their evaluation. Evacuation is not automatic and is only ordered when warranted. In the unlikely event of fire, our facilities are equipped with state-of-the-art fire suppression systems to control and extinguish fires of major consequence. In addition, portable fire extinguishers have been strategically placed throughout the property to allow for extinguishing fires in their incipient stage, before they endanger our patrons and employees. Please see document library link for procedures and map. [Document Library](#)

External displays must be approved by Mandalay Bay and the Clark County Fire Department. Any alterations must be resubmitted and re-approved by the Clark County Fire Department. Fire exits, signs and strobes must be visible and cannot be obstructed in any manner. We require 10 copies of the Fire Marshal approved floor plans 30 days prior to your first day of move-in.

Floor plans must be drawn to scale for all areas indicating the location of:

- Counters and tables
- Security/decorator space
- Props
- All structures (archways, fencing, etc.)
- Floor Pockets
- Registration area(s)
- Food areas with Back of House areas for catering
- Signage
- Boneyards

Floor Plans

In accordance with the Clark County Uniform Fire Code, all functions with attendance equal to or greater than 300 people require a Fire Marshal approved diagram on the premises for and during each event. Mandalay Bay is equipped with an AUTOCAD system for creating diagrams. We will be happy to work with you in creating and submitting diagrams for all meeting and food functions. We will require your information at least 30 days prior to your load-in. There is a minimum of a five-day turnaround time for this service. For rooms of 300 people or more, we can also submit the diagram to the Fire Marshal on your behalf. A nominal charge will be assessed to the master account for drawing and/or submitting as well as the Clark County Fire Department fees. See your CSM/CM for a price structure. [Document Library](#)

It is your responsibility to relay information regarding the Uniform Fire Code to exhibitors in your exhibit hall or display area. For information on specific regulations regarding diagrams, please contact the Clark County Fire Department.

Fire Safety System Disablement

Anytime pyrotechnics or hazers are used, the Fire Safety System will have to be disabled or “put into test mode”. This process will require several personnel to be dedicated to watching for potential fire or smoke in the area in which the Fire Safety System is disabled. In the case of Pyrotechnics/Flame Effects, a permit is required from the CCFD. Please submit your pyrotechnic/hazing schedules to your CSM, 30 days prior to your event.

Hazing

During rehearsal and function time the cost is \$55.00 per hour. Not knowing what type of hazers will set off the hotel Fire Safety System, any type of hazers used (chemical, water or oil based) will require that the Fire Safety System be disabled.

****Prices are subject to change on show site requests.****

Pyrotechnics/Flame Effects

During rehearsal and actual function times is the cost is \$55.00 per hour. The company providing the pyrotechnics must submit to the Mandalay Bay Convention Center and the Fire Marshal an insurance certificate indemnifying Clark County and Mandalay Bay Convention Center, its parent companies and affiliates. Pyrotechnics will not be allowed without submission of this certificate. The Fire Marshal must be called in for a full test of the pyrotechnics prior to the actual event.

****Prices are subject to change on show site requests. **** Please note: we cannot allow pyrotechnic displays outdoors if the wind speeds are 10 mph or greater. [Document Library](#)

HOTEL SERVICES

Baggage Handling

Individual Arrival/Departure

- Arrival: Guests arriving individually are greeted at the front door by a bell person and will be given a claim check for their luggage. The guest may then call from their room to prompt delivery.
- Departure: After 11:00 a.m. checkout, guests who wish to store luggage can do so at the Bell Desk located off the Front Desk, gratuity appreciated.

Group Arrival/Departure

- Groups booked through MGMRI who utilize organized transportation of 25 PAX, or more are subject to a mandatory baggage handling charge (portage) based off total arrivals from the peak night of the room block. This is for arrival and/or departure but does not necessarily mean portage will be charged both ways. Current portage charge is \$5.25 inbound and \$5.25 outbound, per person and subject to change.
- Example: If a group of 100 people has 25 people arrive in a bus arranged by the group, they will be charged the portage fee for all members of the room block. If this group does not have transportation on the way out, they will not pay portage for departure.
- In the event group requires baggage delivery in an auxiliary area aside from the designated hotel bag drop area, an additional fee will apply.

Convention Satellite Storage/Bag Check

An optional auxiliary luggage holding area/bag & coat check can be facilitated by the Bell Desk team. CSM can determine an appropriate location. There are two payment options:

- **Client Paid** - A \$5.00 per claim check fee will be charged to the Group. Group will be charged for actual use with a minimum of 30% of in-house room block required.
 - Example: 1000 rooms peak, so a minimum of 300 x \$5.00 would be charged to the master account, up to the actual number of people using the service
- **Guest Pay Own** - guests have the option to pay on own with a credit card, no minimum required. Cost is \$10.00 per claim check.
 - In this instance, the Bell Desk team would coordinate the cashier.

Group cannot arrange/manage their own luggage storage room or hire an outside company to arrange/manage a luggage storage room. This must be a Bell Desk function.

Check-In / Checkout

Check-in time is 3:00 p.m. and checkout is 11:00 a.m. If rooms are requested prior to check-in time they will be accommodated based on availability at no additional charge. Any guest wishing to guarantee early check-in will have the option to pay an early check-in fee at the time of booking based on availability. Departure dates will be confirmed upon check-in. Guests have the option to change their departure date. Should a guest depart before their scheduled and confirmed departure date, we will charge for one additional night's room and tax. For example, if a guest checks out three (3) days early from their confirmed departure date, they will be charged for one (1) additional night (not all three (3) nights). Luggage can be stored on a complimentary basis for guests who have checked out but are not yet departing the hotel.

Please note that a charge of \$40.00 will be added for each guest over double occupancy with a maximum of four (4) guests per room.

MEETING PLANNERS GUIDE

SUSTAINABLE MEETINGS

The world's most respected companies hold their events at Mandalay Bay Convention Resort. And it's not just because we're the largest meeting facility on the Las Vegas Strip, or because we have in-house event planners that are there to help with every facet of your event. It's also because our parent company, MGM Resorts International, has blazed a trail with its Earth-conscious conservation practices. And the two towers that comprise our resort, Mandalay Bay and W Las Vegas, are both strongly committed to being socially responsible and lessening our impact on the planet.

We are proud of our efforts but are continually looking for new ways to further reduce waste, conserve energy and sustain our environment. Because when we look after our planet, everyone wins. See document library for our Green Brochure.

Charitable Organizations

One way many conventions are going "green" is to donate left over product to local charities or create a special event around a local charity as part of their overall program. Our Corporate Philanthropy and Community Affairs department for MGM Resorts International is a great resource to source local charities and help you coordinate an event or donation.

Charitable Events (Gaming & Raffles)

Should group wish to conduct a charitable event as part of their program, please ensure you reach out to your CSM/CM before confirming any details. Due to Nevada Revised Statutes under the oversight of the Nevada Gaming Control Board, there are strict policies determining how these types of events are defined and must be conducted. Prior to developing events, please ensure you advise your CSM/CM as we may need to get approvals from our compliance team before proceeding. Some types of charitable events that would require approvals would be silent auctions, raffles, bingo, gaming tournaments (this is not an all-inclusive list). Our teams can help you facilitate these regulations and guide you to acceptable methods of incorporating charitable events into your program.

The Mandalay Bay Convention Center features floor-to-ceiling movable walls to divide exhibit space and provide maximum flexibility. All movable walls must be opened and closed by Mandalay Bay staff.
