

the CLUB

Offering unrivaled service in a high-energy atmosphere, this exquisitely chic and stunning 8,000-square-foot space is a world-class destination. Entry into the venue presents a dramatic aerial perspective as elegant booths layer the dance floor in an impressive multi-tiered environment. The private entry allows for exclusive and elevated access to this unique space. Attention to detail abounds with combinations of rich textures and modern elements, creating a harmoniously paired aesthetic. A resplendent palette of colors complements this space's intricate details, providing a luxurious yet contemporary atmosphere. Vivid, custom-designed mood lighting blends with the sound system that illuminates your event to create an ultra-sensory experience. The Club is a flexible space for any event, and our team is committed to ensuring your experience is nothing short of unforgettable.
