## ENVIRONMENTAL COMMITMENT

The ARIA Campus reflects a vision of the future that combines quality of life with a commitment to sustainable design. It is one of the world's largest environmentally sustainable urban communities and is committed to maintaining elevated green standards for both today and tomorrow. At every point, we have taken steps to achieve this goal, including the use of wood products from responsibly managed forests, high efficiency water use, both inside the building and outdoors, alternative fuel options for limousines, and an improvement of more than 30% in energy efficiency over standard building codes.

### Recognition

- The ARIA Campus has earned six distinct Leadership in Energy and Environmental Design (LEED®) Gold certifications from the U.S. Green Building Council.
- Vdara has received a “5 Green Keys” rating, the highest possible from the Green Key Eco-Rating Program and a certification achieved by only one percent of all hotels rated. Our resort and ARIA are the first in Nevada to receive a 5 Green Keys rating which is recognized by major travel services including AAA, Travelocity and Expedia.
- Vdara has been awarded Platinum by TripAdvisor’s GreenLeaders Program. Vdara and ARIA are the only properties in Las Vegas to receive Platinum. TripAdvisor GreenLeaders Program helps travelers identify the most environmentally friendly hotels when making travel choices.

### Sustainability

- A highly efficient, state-of-the art 8.2 MW central plant with a combined heat and power system that captures excess heat to warm domestic hot water for hotel use.
- Energy efficiency measures result in 30% savings in energy use, which is an equivalent to powering 8,800 households annually.
- An estimated 33% of water is conserved by utilizing efficient plumbing fixtures.
- More than 93% of construction has been diverted from the landfill and recycled.
- The world’s first fleet of luxury guest transportation to operate exclusively on compressed natural gas (CNG), resulting in lower harmful environmental emissions.

### Green Meetings at Vdara

At Vdara, we ensure that your meetings are not only impeccable but are executed to the highest standards of environmental responsibility. Green Key Global has awarded Vdara “5-Keys” in their Green Key Meetings Program, an honor only bestowed upon those resorts that exemplify sustainable meetings and conventions. Below are some of the ways in which Vdara is lowering your impact on our most precious amenity, the planet.

- Unused convention items, such as pens, are donated to the Teacher EXCHANGE™.
- All public space restrooms are equipped with low-flow water fixtures, non-aerosol air fresheners and Green Seal certified soap.
- Cleaning products are non-toxic and Green Seal certified.
- All food boxes are made from 100% recycled material.

## ARIA RESORT & CASINO®

There's the Vegas you're used to, and then there's the AAA Five Diamond-awarded ARIA Resort & Casino. Unsurpassed amenities from our renowned restaurants to the most technologically advanced rooms and suites await you.

Sip expertly crafted cocktails poolside by day and at dinner, let a Michelin-awarded chef do the cooking. After a night of revelry, countless indulgences await via the revolutionary, in-room tablet, where one-touch everything allows you to control lighting and curtains, order breakfast in bed, book a spa treatment and end the day with the tap of a "goodnight" button.

From corner views in every room to signature experiences in Tower Suites and Sky Suites, ARIA is filled with wonders that will leave you counting the days until your next visit.

At ARIA, *this is how we vegas™*.
