15,000 Starting Chips – 20 Minute Levels

- Registration will begin at the cage 45 minutes prior to the start of the tournament.
- $192 from each entry will fund the prize pool, $100 will fund the bounty pool, $50 will go to the house and $8 is withheld for floor staff.
- A voluntary gratuity of $10 for the staff will render you eligible for a bonus of 10,000 in starting chips. This is an optional gratuity that will be provided directly to staff and not be kept by the house. This optional gratuity must be purchased before the start of a player's first hand.
- At the beginning of the event each player will receive one black $100 value bounty chip.
- Bounty chips **must** stay on the table for the entire tournament, including while players are on break and should remain separate from the non-value tournament chips.
- Each player will be responsible for their own bounty chip; if they are lost or missing, the player will be required to fund their bounty when they are eliminated from the tournament.
- Once a player is eliminated from the tournament, they must surrender the bounty chip to the player who knocked them out of the event.
