

SAHRA

SPA, SALON & HAMMAM

Inspired by the desert's ever-expanding canopy of sky, mystifying sand sculptures and enchanting, moonlit nights—Sahra changes perspectives, opening the window to a world of unique experiences.

Seemingly simple, yet wonderfully complex, we draw from the desert's unexpected depth and beauty, unanticipated life and profound strength. We believe the desert's striking contrasts—exhilarating intensity embraced by ageless stillness and peace—create a path to balance, clarity and calm.

## HAMMAM

Our ritual space is a modern homage to a centuries-old practice of purification and renewal. The Hammam combines body detoxification and steam treatments amidst the heated motherstone with two soaking tubs, steam rooms and stone loungers.

### **CBD Moroccan Journey**

Indulge in our most decadent ritual, with a new-age twist, that transports you to exotic Marrakesh where you will unwind in privacy while indulging in the radiant heat of the Hammam. Enjoy a luxurious cleansing experience with our Moroccan Mint Tea Silt bubbles followed by a dual exfoliation including a traditional kese mitt body buffing and stimulating CBD coffee and Himalayan salt scrub. Receive the detoxifying benefits of a Boreal Forest Mud Mask and moisturize with an enhanced pure honey hydrator. Throughout the experience, guests will be enveloped in our orange quince-scented steam room and relax while immersed in a large soaking tub. Emerge radiant and renewed with a full-body, muscle soothing massage using a potent blend of water-soluble broad spectrum CBD, active botanical ingredients and therapeutic plant extracts.

### **Red Flower Hammam Experience**

A fragrant ritual of heat, steam, massage, detoxification and relaxation. Eleven flower oils and fruit essences are imparted upon the body. Begin on the warm stone while basins of relaxing water are poured over the body. A vigorous Coffee Lemon Blossom Olive Stone Scrub is applied followed by a purifying Jasmine Rose Rhassoul Clay and Cardamom Amber Oil application.

### **Hammam Soap Ritual**

A luxurious body buff using a traditional Turkish Kese Mitt prepares your skin for hydrating suds that awaken every cell on your body. A detoxifying steam and quenching Tangerine Fig Butter moisturizer culminate this authentic experience.
