General Rules

1. Players will start with 30,000 in tournament chips, including the voluntary add on.
2. On-site registration opens at 9 a.m. the day of the event and will end after Level 6.
3. Players that are eliminated ("bust") within the first 6 Levels may re-enter (unlimited Re-Entries). Re-Entering players will be given preference over new entries for seating assignment and must present their White registration copy to the Cashier. No Refunds.
4. Players registering late and re-entries will be sold full stacks. All late registrants will have the ability to start with a full stack, within reason. Once registration closes or once all seats of a specific seat number are sold, (i.e., all the 5 seats) chip stacks will be blinded off.
5. This is a No Limit Hold'Em Bounty Tournament. Players must keep their Bounty chip clearly visible. The Bounty chip must be present to play. Bounty chips cannot be co-mingled with the tournament chip stack. Eliminated players must forfeit their Bounty chip to the player who eliminated them. Introducing only the Bounty chip into the pot is a declaration of All In. Players splitting a pot will also split the bounty.
6. Levels will last twenty (20) minutes each. A fifteen (15) minute break will be provided every two (2) hours.
7. This is a one-day event.
8. Borgata will follow standard TDA Rules. The Tournament Director's decisions are final and without recourse.
9. Borgata Management reserves the right to alter, change, or cancel this tournament. Borgata will not be held responsible in the event of typographical errors or misinformation on the website or printed material pertaining to this event, and players will have no claim in these matters.
10. Seating may be limited. Residents of foreign countries will be subject to withholding on gross win above \$5,000. Buy-ins for this event will be aggregated to determine gross win for tax reporting purposes. Approximately 12.5% of the field will be paid. Players may opt for an adjusted payout structure once the number of players remaining is equal to or less than the total amount of places to be paid.
11. The \$500 Buy-in is allocated in the following manner: \$200 bounty; \$250 to the prize pool; \$40 Registration Fee; \$10 voluntary add on.
12. Borgata Poker no longer withholds any percentage of the prize pool for dealer gratuities. A voluntary gratuity of \$10 for the staff will render you eligible for a bonus of 10,000 in starting chips (add on). This is an optional gratuity that will be provided directly to the staff and will not be kept by the house.
