50 Days of Summer Leaderboard Challenge Rules:

The 50 Days of Summer Leaderboard Challenge will offer any player participating in a qualifying Borgata Tournament Event the opportunity to accrue points which will be applied to a Leaderboard. All Tournament Events scheduled from Sunday, May 24 through Sunday, July 12, will qualify for Leaderboard Points provided the event has at least 25 players. A minimum of one (1) tournament will be provided daily. Registration and Placement data pulled from the BRAVO Tournament Watch system will determine the top players based on total points accrued in all qualifying events. The total Prize Pool to be awarded to players participating in the 50 Days of Summer Leaderboard Challenge is guaranteed at a minimum of \$50,000. Borgata Poker will fund and guarantee the \$50,000 Leaderboard Prize Pool. No amount will be removed or withheld from any buy-in or prize pool to fund the Leaderboard. The 50 Days of Summer Leaderboard Challenge is guaranteed to pay the top twenty (20) players in the following manner: **1st Place: \$15,000; 2nd Place: \$7,500; 3rd & 4th Place: \$5,000; 5th – 7th Place: \$2,500; 8th – 14th Place: \$1,000; 15th – 20th Place: \$500.** In addition to the Top 20 Places, for every 25 additional entries above a combined total of 5,000 entries for all qualifying events, Borgata will **add an additional Leaderboard Place to the Leaderboard Challenge, paying \$250.** There is no cap for additional Leaderboard Places added.

Example: At the end of the 50 Days, the total combined entries for all Tournament Events offered May 24 – July 12 is finalized at 5,505. The 50 Days of Summer Leaderboard Challenge will add 20 places to the Leaderboard, paying 21st – 40th Place: \$250.

In addition to Places, the player with the most combined entries/re-entries in qualifying events over the 50 days of events, regardless of points and the player with the most cashes, regardless of points or placement, will each win a Summer Poker Open 2026 Championship Seat, valued at \$2,700!

Players will accumulate points in 3 ways:

Placement Points: Placement Points are awarded to players who **Cash** any qualifying event. The number of Placement Points awarded will be based on the total entries at close of registration or the combined total entries of a multi-day event at the start of Day 2. Players will receive the applicable Points for their placement, with all cash winners in the event earning **FLAT** points and Top 8 receiving **bonus** points as shown in the Placement Point chart below. A player who bags more than one Day 1 Flight will earn points for each bag in accordance with its place.

Players participating in Survivor Events will split the total Placement Points that would have been earned equally, including the applicable FLAT points.

If there is an Adjusted Payout (CHOP), the highest paid player will earn the highest place and its Placement Points. If Payouts are equal, Placement Points will be combined and split equally (Survivor Events). If, at any time, a player(s) is found manipulating adjusted payouts or placement points, the player(s) will be penalized, up to and including disqualification from the Leaderboard. Placement points may be awarded at the discretion of the Tournament Director, up to and including an equal split or an allocation based on the size of a player's chip stack.

Buy-In & Re-Entry Points: Players will earn Buy-In points for entry and re-entry in a qualifying event. The 1st Buy-In will earn ½ Point per \$50 of the total Buy-In, rounded up, as listed on the 50 Days of Summer Leaderboard Calendar, (*includes Bounties, Entry Fees and Add Ons*). Each Re-Entry will earn ½ the 1st Buy-In points. In a qualifying multi-flight event, players will earn 1st Buy-In points for their 1st entry in each Flight. Tournament Structure sheets will specify the Buy-In & Re-Entry Points provided by the Event.

Field Size Bonus Points: Players will accrue Bonus Points just for participating in a qualifying event based on the field size of that event. The larger the event, the higher the Bonus Points accrued. Field Size Bonus Points will cap at **2 Points**. Events containing multiple flights will accrue Field Size Bonus Points for each individual Flight. Multipliers will be calculated once registration for the Flight or the Event closes and will be rounded up to nearest 50 Entries.

Updates: Leaderboard Points will be publicly posted every Tuesday, for the preceding week (Sunday-Saturday) beginning June 2 and continue weekly. Daily Leaderboard updates will begin on Wednesday, July 8. Leaderboard Placement will be finalized on Monday, July 13, 2026 and posted via socials **on X: @BorgataPoker**.

Players will claim their prize in the Borgata Poker Room. Players will have 90 days to claim their prize. If a tie exists in Point Totals between two or more players and the total amount set to be awarded to the players finishing with equal point totals will be combined and split equally. If there is a tie for either of the two Borgata Poker Open Championship Seats, the tie breaker will be the total amount of tournament winnings earned over the 50 Days of Qualifying Events. If this number is also equal, the players will play a Heads Up tournament event, according to Borgata Sit-N-Go procedures, with the winner taking the seat.
