6. Entries for week one can be placed starting on Tuesday, August 25, 2026 at 11:00AM.
  - a. Entries for remaining promotional weeks can be placed starting on Tuesdays at 11:00AM for the following week's games.

18. In addition to selecting 10 games against the point spread per week, a participant will also be required to input the total points for the Sunday night pro football game which will act as a weekly tie-breaker. For example, if two or more participants have the same record in a given week which is the best record of all participants, the participant with the closest guess for the Sunday night game total, without going over, will be declared the winner.
19. A participant will select the winners against the point spread for 10 college or pro football games scheduled for the particular week to be played between Thursday and Sunday.
