GENERAL MEETING POLICIES & PROCEDURES

Mandalay Bay Convention Services Department is honored that you have chosen us to host your event. Your Convention Services Manager (CSM) becomes the main contact for all details involving function arrangements, reservations and billing procedures, as well as, providing recommendations for outside services if necessary.

These Policies and Procedures are being provided to help ensure that all guests of Mandalay Bay Resort & Casino receive excellence in service. Please review them carefully.

This P&P may not cover all situations a group may encounter. Should you have specific needs or questions that fall outside of this list, please speak to your CSM to clarify any costs or specific requirements. For more detailed information regarding these policies/procedures, please see the Planning Guide and Financial Considerations Document in our Document Library. [Document Library](#)

ACCESS AND RIGHT TO ENTER

Representatives of Mandalay Bay Resort & Casino may enter upon and have access to the Function Space at any time. Additionally, officers and authorized employees of governmental agencies may enter the Function Space at reasonable times, when necessary, in the performance of their official duties.

ADDITIONAL LABOR CHARGES

Additional labor charges may be incurred if a group requests changes to the room setup after the room has been set. Mandalay Bay Resort & Casino will do their best to accommodate the room setup changes; however, it will be based on business levels and availability of our convention staff. At the time the change is requested, your CSM will advise whether the room setup change can be accommodated, the approximate time it will take to complete the changes, and if additional labor charges will apply.

AMERICANS WITH DISABILITIES ACT

Hotel shall, with respect to its performance required under your contracted agreement, to the best of its knowledge, comply with all laws including The Americans with Disabilities Act and the Hearing Capacity Act of January 26, 1992, and the regulations and guidelines. Group warrants to Hotel that the Client, its agents, contractors and employees, and their functions within the function space and hotel complex, in connection with your contracted agreement, will be in compliance with the requirements of the above referenced laws, except to the extent that the set-up or operation is controlled by the Hotel. Meeting Group agrees to provide proper ramp access to all elevated exhibit booths and/or non-permanent staging used for either exhibit or special event purposes. The ramp will meet ADA guidelines with regard to both seeing and mobility impaired persons.

We will work with you to meet the ADA requirements specific to your function. Segway scooters (at walking speed only) are permitted in public areas of the hotel only when the operator represents that the equipment is a mobility assistance device for a disability condition. Other operators without reported disability should be advised that the equipment is not accepted for use in Mandalay Bay public areas, including, but not limited to the tradeshow halls at the Mandalay Bay Convention Center. Use of a Segway may be excluded in areas that are relatively high foot traffic venues. This includes the Casino, theaters, Event Center, restaurants and the Convention Center. In such cases of exclusion, a guest will be offered the use of a balanced wheeled mobility device such as a wheelchair or motorized scooter.

ANIMALS

Permission for any domesticated animal (cats and dogs) to appear in a convention or trade show must first be approved by you and then by the CSM. Additional insurance may be required. Non-domesticated/exotic animals will be considered on an individual basis. Consult your CSM regarding any non-domesticated/exotic animal requests. Seeing eye/assistance animals are always permitted.

CONVENTION SERVICES POLICIES & PROCEDURES

This includes but is not limited to labor, trussing, chain motors, cables, span sets and all other rigging related equipment. Group is also required to use Encore Event Technologies for all meetings and breakouts (excluding General Sessions) including but not limited to projectors, screens microphones, speakers, mixers lighting and any other audio-visual equipment necessary for a breakout or meeting room. An outside AV/Production company may work within Mandalay Bay Resort & Casino as long as they follow our production guidelines and contractor vendor policies. Please note: Free-Climbing is no longer permissible at Mandalay Bay Convention Center. For those ballrooms with enclosed ceilings, client must work with existing rig points. General Service Contractors can rig signs in exhibit halls only that are 200lbs or less and as long as they do not have electrical components. BAGGAGE HANDLING

Individual Arrival/Departure:

- Arrival: Guests arriving individually are greeted at the front door by a bell person and will be given a claim check for their luggage. The guest may then call from their room to prompt delivery.
- Departure: After 11am checkout, guests who wish to store luggage can do so at the Bell Desk located off the Front Desk, gratuity appreciated.

Group Arrival/Departure:

Groups booked through MGMRI who utilize organized transportation of 25 PAX, or more are subject to a mandatory baggage handling charge(porterage) based off total arrivals from the peak night of the room block. This is for arrival and/or departure but does not necessarily mean porterage will be charged both ways. Current porterage charge is \$5.25 inbound and \$5.25 outbound, per person and subject to change.

- Example: If a group of 100 people has 25 people arrive in a bus arranged by the group, they will be charged the porterage fee for all members of the room block. If this group does not have transportation on the way out, they will not pay porterage for departure.
- In the event group requires baggage delivery in an auxiliary area aside from the designated hotel bag drop area, an additional fee will apply.

Convention Satellite Storage/Bag & Coat Check:

An optional auxiliary luggage holding area/bag & coat check can be facilitated by the Bell Desk team. CSM can determine an appropriate location. There are two payment options:

- **Client Paid** - A \$5.00 per claim check fee will be charged to the Group. Group will be charged for actual use with a minimum of 30% of in-house room block required.
 - Example: 1000 rooms peak, so a **minimum** of 300 x \$5.00 would be charged to the master account, up to the actual number of people using the service
- **Guest Pay Own** - guests have the option to pay on own with a credit card, no minimum required. Cost is \$5.00 per claim check.
 - In this instance, the cashier would be coordinated by the Bell Desk team.

Group cannot arrange/manage their own luggage storage room or hire an outside company to arrange/manage a luggage storage room. This must be a bell desk function.

BALLOONS

The use of helium balloons smaller than 36 inches in diameter is not allowed, but smaller air-filled balloons may be used for decoration and/or handouts. Large helium-filled balloons may be used only if they are securely anchored. No helium balloons or blimps may be flown inside the building. Mylar balloons are not allowed anywhere on property. Helium gas cylinders must be secured in an upright position on safety stands with gauges protected from damage. No overnight storage of helium or compressed air cylinders in the building is allowed. Balloons cannot be released out of doors due to airport flight patterns in the area. A cleaning fee may apply should the balloons be left on property after the event. Please advise your CSM should you be using balloons.
