Eligibility for all series based on average earnings per start in 2024 through 12/15/2024. Starts made after 12/15/2024 do not effect a horse's eligibility. Must have at least 6 starts this year through 12/15/2024.

The top nine series money earners (no more than two per owner or trainer) who enter will earn spots in the final. The next nine series money earners earn spots in the Consolation (no more than two per owner or trainer). Horses do not have to compete in all preliminary legs to make the Final or Consolation. A second Consolation will be drawn if enough entries are received, at the discretion of the Director of Racing. No horses can race in the Consolation that are eligible to race in the Final. If fewer than 8 horses are in the Consolation, it may be canceled at the discretion of the Director of Racing.
