

# LOSE WITH QUAD DEUCES (OR BETTER)

## WIN A BAD BEAT JACKPOT

- 1. The Borgata Bad Beat Bonus Jackpot shall apply to all Texas Hold’Em games with a minimum buy-in greater than \$50. “Bad Beat” means a high-ranking poker hand that is beaten by a higher-ranking hand (e.g., Quad Fours beat by Quad Kings.)
- 2. To be eligible: (1) the pot must meet the minimum requirement for the game limit, which is 10 times the largest Blind bet; (2) a minimum of four players must be seated and dealt into the hand; (3) the hand must go to showdown; and (4) a qualifying hand must be beaten. See rule #12.
- 3. To qualify, both the winning and losing hands must use both of their hole cards to create the highest possible hand using only the natural community cards, with any four of a kind hand having the pocket pair.
- 4. The Bad Beat Bonus Jackpot amount will be awarded solely to the losing hand (the “bad beat.”) The award amount is based on the specific value of the hand that was beaten. Eligible Bad Beat Bonus hand rankings and their applicable prizes are:

Bad Beat Bonus Hand Value	Award
Quad Deuces	\$2,000
Quad Treys	\$3,000
Quad Fours	\$4,000
Quad Five	\$5,000
Quad Sixes	\$6,000
Quad Sevens	\$7,000
Quad Eights	\$8,000
Quad Nines	\$9,000
Quad Tens or Better	\$10,000
Super Bad Beat Bonus	\$25,000

- 5. At all times, one of the twenty-one possible high value hands (Ranked Quad Deuces to Queen High Straight Flush) will be designated as the Super Bad Beat Bonus Hand. If beaten, the losing player will win \$25,000 (Max One Time Award.) Once awarded, a new high ranking hand value will be designated and announced.
- 6. On the first day of each month, the hand value of the Super Bad Beat Bonus will decrease by one rank. Aces Full of Fives shall be the lowest possible hand value for the Super Bad Beat Bonus, and once reached, remain until awarded. An Aces Full hand must have Pocket Aces to qualify.
- 7. Borgata may also offer other poker bonus payouts funded by player contributions. To qualify, all Bad Beat Bonus Jackpot rules apply, except for:
  - a. The hand does not have to be beaten, nor must it go to a showdown.
  - b. A Pocket Pair is not required in a Four of a Kind hand, but both hole cards must be used to create the highest possible hand.
  - c. No split of any payout will be allowed for the same value hand. The first player to have the hand will be paid. If the hand is dealt on the same table to two players, the player in the worst position, who was the first to be dealt the hand, will win.

- 8. Borgata will remove a \$2 maximum amount from each pot according to rule #2. The minimum required amount includes the rake. Daily, a percentage of the total collected will be added to the Super Bad Beat Bonus Jackpot, and the remaining percentage will be held in reserve, to either replenish awarded jackpot amounts when hit, and/or for use of other poker bonus payouts. (Seeding, if applicable, will be recouped at a rate of 10% of the daily payout drop.) Borgata may change distribution percentages upon notification to the Division of Gaming Enforcement.
- 9. In the rare occurrence a Super Bad Beat Bonus Jackpot hand is hit on more than one game at the same time, surveillance will determine the first hand dealt based on the exact time each hand began (the push of the green button on the Shuffler or the first riffle of the Dealer, if a hand shuffle is used.) The first hand will be awarded the Super Bad Beat Bonus. The later hand will receive the bonus amount set forth in rule #4 above.
- 10. If multiple qualifying Bad Beat Bonus Jackpot hands are dealt in the same hand (i.e. Quad 4s and Quad 8s are beaten by a Straight Flush), both are considered losers and, therefore, both eligible players will be awarded the applicable bonus set forth in Rule #4 above, including any Super Bad Beat Bonus amount.
- 11. Players must play their hand independently. Any discussion of any possible bonus during the playing of the hand will void qualification. If any player, whether directly or indirectly involved in the hand, passes information or instructs another on how to act or reveals his/her hand to other players, the Bad Beat Bonus Jackpot or any promotion using Bad Beat Bonus Jackpot funds will be disqualified.
- 12. Management reserves the right to verify the eligibility of all qualifying hands. There will be no recourse if the cards are mucked before a supervisor and surveillance are able to verify the hands and the community cards. Poker management will not be permitted to reconstruct the hands in any way.
- 13. To collect any Borgata Bad Beat Bonus Jackpot payout, valid government-issued identification will be required. Winners will be solely responsible for all taxes. Prizes won are final. No substitution or transfer of prizes is permitted.
- 14. Decisions of the Poker Room Supervisor are final and without recourse.
- 15. By participating in Borgata Bad Beat Bonus Jackpot, winners consent to the use of their names and photographs for promotional purposes without additional compensation.

# BORGATA BAD BEAT BOMB POT SPLASH BONUS

## ANY BAD BEAT JACKPOT HAND WILL ACTIVATE THIS BONUS FOR THE TABLE

- 1. The Borgata Bad Beat Bomb Pot Splash Bonus shall activate each time a Bad Beat Bonus Jackpot hand is dealt and all eligible players at the loser’s table will have an opportunity to participate in the bonus hands, which will be dealt, in succession, immediately following the verification of a qualifying Bad Beat Bonus Jackpot hand.
- 2. The total prize fund will be equal to the largest prize amount awarded for a qualifying Bad Beat Bonus Jackpot hand which activated the Borgata Bad Beat Bomb Pot Splash Bonus at the table.
- 3. The splash amount will represent the bomb antes of all eligible players at the table. No new players may be seated, and no ineligible player may participate in any bonus hand. The Dealer will splash an equal amount in each pot for each hand, until the entire prize fund has been awarded.

Bad Beat Bonus Hand Value	Prize Fund	Splash Amount	# Of Bonus Hands
Quad Deuces	\$2,000	\$100	20 Hands
Quad Treys	\$3,000	\$150	20 Hands
Quad Fours	\$4,000	\$200	20 Hands
Quad Five	\$5,000	\$250	20 Hands
Quad Sixes	\$6,000	\$300	20 Hands
Quad Sevens	\$7,000	\$350	20 Hands
Quad Eights	\$8,000	\$400	20 Hands
Quad Nines	\$9,000	\$450	20 Hands
Quad Tens or Better	\$10,000	\$500	20 Hands
Super Bad Beat Bonus	\$25,000	\$1,000	25 Hands

- 4. A total of twenty (20) bonus hands will be dealt, unless the bonus was activated by a Super Bad Beat Bonus hand. If the qualifying hand dealt was the Super Bad Beat Bonus hand, a total of twenty-five (25) bonus hands will be dealt, each having a \$1,000 Splash, representing the Bomb antes of all eligible players dealt in.
- 5. Each hand in the Bomb Pot Splash Bonus will be dealt as follows:
  - a. The dealer will place the designated amount of chips into the center of the table representing all eligible player bomb antes.
  - b. Starting to the left of the Button, cards will be dealt to all eligible players. No additional blinds will be posted.
  - c. Once all players have complete hands, the dealer will immediately burn and place out a single flop.
  - d. Play will proceed as normal with action starting to the left of the button.
  - e. Once the hand is complete, the Button will move to the next eligible player clockwise around the table.

- 6. In order to be eligible, players must have participated in at least one hand at the table the qualifying Bad Beat Bonus Jackpot hand was dealt. A player who removes their chips from the game prior to the showdown of a hand where a Bad Beat Bonus Jackpot is won, will have forfeit their right to participate in the Bomb Pot Splash Bonus hands. A player who walks away from the game but leaves his/her chips on the table will retain their eligibility rights, even if he/she has missed any blinds. However, players must be present and, in their seat, to receive cards in the bonus hands. Therefore, players not present at the table when any bonus hand is dealt will have no recourse and will be considered ineligible for any amounts awarded. Upon return, the eligible player will be immediately dealt in to all remaining bonus hands, if any.
- 7. Only eligible players will receive cards and be eligible to win the Splashed pot. Eligible players may add to their table stakes between hands, up to table maximum. No eligible player may be eliminated from the Bomb Pot Splash Bonus hands, even if their bankroll is exhausted. Instead, the player will be considered All In and remain eligible to win the main pot, containing the Splash amount, with all other wagers during the hand becoming side pots. All winnings will be considered part of table stakes for the duration of the bonus hands. Following the completion of all Bomb Pot Splash Bonus hands, players may remove any amount above table maximum won during the bonus hands.
- 8. Borgata will remove a \$2 maximum amount from each pot and standard rake/time will apply. All Bomb Pot Splash Bonus hands will remain eligible for additional poker bonus payouts, up to and including, a qualifying Bad Beat Bonus Jackpot hand that may activate an additional Bomb Pot Splash Bonus. If a qualifying Bad Beat Bonus Jackpot hand is dealt during the Bomb Pot Splash Bonus hands, the applicable prize fund will be awarded in the same manner, and a new Bomb Pot Splash Bonus will begin immediately following the completion of the current bonus hands.
- 9. If multiple qualifying Bad Beat Bonus Jackpot hands were dealt in the same hand, the Bomb Pot Splash Bonus prize fund will be equal to the largest amount awarded.
- 10. By participating in the Borgata Bad Beat Jackpot, winners consent to the use of their names and photographs for promotional purposes without additional compensation.
