Players will accumulate points for the Pure Grind Leaderboard in the following three (3) ways:

Placement Points: Placement Points are awarded only to players who are in a prize determined place ("Cash.") Players cashing in the Top 8 will receive Placement Points. Players who cash below Top 8 will receive the applicable FLAT Placement Points. Players who are not in a prize-determined position will not receive Placement Points. The number of Placement Points awarded to each player will be based on the number of total entries for a qualifying event and the player's finishing place. If Players opt for an Adjusted Payout (CHOP) of the Tournament Prize Pool, Placement Points will be awarded based on the allocated split with the highest paid player earning the highest place and thereby, the Placement Points associated with that place. If the Adjusted Payouts are equal, the Placement Points for the designated places will be combined and split equally between the players who are accepting an equal payout.

When 4 players remain, they agree to an Adjusted Payout (CHOP.) 1st and 2nd Place agree to an even \$10,000 payout each. 3rd Place agrees to a \$6,500 payout and 4th Place agrees to a \$5,130 payout. 3rd Place and 4th Place will still earn 15.2 and 13.3 placement points, respectively, even though the amount of their payout has increased due to the CHOP agreement. However, 1st and 2nd Place will each earn 18.05 placement points based on their equal payout amounts, which is 19 - 1st place points and 17.1 - 2nd Place points, added, and divided equally between the two players.

If for any reason, the highest paid player is not the player with the highest chip stack, placement points will be awarded at the discretion of the Tournament Director, up to and including an equal split or an allocation based on the size of a player's chip stack at the time of the CHOP. If at any time a player (or players) are found manipulating prize pools, adjusted payouts or placement points, the player(s) will be penalized, up to and including disqualification from the Pure Grind Series Leaderboard.

Buy-In & Re-Entry Points: Players will earn 1 Buy-In point for entry in a qualifying event, regardless of the price point. Re-Entry will earn half the original Buy-In point amount, or .5 points. Each Flight will be considered individually. Players registering for multiple flights will earn full Buy-In points for the first entry in each Flight.

Field Size Bonus Points: Players will earn Field Size Bonus Points just for participating in an event. A maximum of 3 Field Size Bonus Points can be earned for any event. Points will be awarded to all players participating in the event, regardless of the number of buy-ins or flights played. Once registration for the event closes, the applicable multiplier, for every 25 entries, rounded up to the nearest 25, will determine the total Field Size Bonus Points earned by every player for the event.

For Example:

An Event closes registration with 531 entries. 531 entries Rounded Up to the nearest 25= 550. 550/25 = 22, the multiplier. An event with 501-550 Entries will earn .13 points. 22(the multiplier) x .13 (the bonus Points) = 2.86, the total Field Size Bonus Points for this event.

Each player registering in this event will receive a one-time BONUS of 2.86 Points, regardless of how many flights the player entered, how many times the player re-entered and in addition to any Buy-In & Re-Entry Points or Placement points if the player were to finish in a Cash position.

If the total number of cashes are also equal, the total amount won will be the tie breaker.
