No holiday hours. Please note, end of day lab services may have limited availability for timed collections. Walk-ins accepted. Appointment scheduling may be available via MyChart. A valid physician's order is required for collection.

Corewell Health Laboratories collect blood and urine specimens. Home or nurse-collected specimens may be registered and dropped off at select locations. Other specimens must be collected at the ordering provider's office or a health clinic.

All locations accurate at time of printing - there may have been changes since that time. Please refer to corewellhealth.org/search?tab=locations or corewellhealth.org/care-and-specialties/laboratory for the most up-to-date information, or scan the QR code.
