Equal monthly payments

*On approved credit. Financing provided by Fairstone Financial Inc. and subject to your Retail Credit Agreement, Disclosure Statement and the promotional plan disclosure statement (the "Account Agreement"). The financed amount (plus applicable taxes and EHF and an annual fee of \$35) is divided by the number of months in the promotional period to determine equal monthly payments (the required minimum payment). No interest accrues during the promotional period as long as you make the required minimum payment by the due date each billing cycle; if you default or when the promotional plan expires, the promotional plan ends and interest is charged at 31.99% per year on any outstanding balance.

36-month promotion: Offer is not available in Quebec, and no admin fee applies for this promotion.
