If any term of this Plan or the respective contracts hereunder is held to be illegal or unenforceable, the legality and enforceability of the remaining provisions will not be affected or impaired.

Product Coverage

This Plan covers Your Product and Accessories from damage due to power surges or from manufacturer's defects in materials and workmanship not covered by the manufacturer warranty, or Your Product suffers physical damage (including screen failure) or liquid resistance failure that occur during normal usage when used primarily for personal, family or household purposes or in a home office setting, unless specifically noted as a commercial Plan on Your original purchase invoice.

This Plan cannot be used outside of Canada.

Payment Details

The Plan Purchase Price may be paid in one single payment at the time of the original purchase or in convenient monthly payments over the Term of Your Plan. The Plan Purchase Price is the same for both payment options.

If paying monthly, the first monthly payment must be paid at the time of purchase and will be charged to the credit card account designated by You at point of sale. Subsequent monthly payments will begin after the expiration of the first month period and will consist of the Plan monthly payment amount, as set out in Your original purchase invoice. You will be required to pay the Plan's monthly payments over the Term of Your Plan, unless the Plan is cancelled or terminated as set forth in the "Cancellation" section.

Upon a failure to pay a monthly payment within thirty (30) days of its due date, You will be deemed to have elected to change Your monthly payment option to one single payment due at the end of thirty (30) days after You receive Our written notice. Notice is deemed received by You ten (10) days after it was sent by Us. At Our option, We may continue to charge Your monthly payment in instalments for the duration of the Term of the Plan.

To update Your billing information, please visit geeksquad.ca/protection.

At any time during the Term of Your Plan, You may pay out the sum of the remaining monthly instalments in one single payment.

Manufacturer's Warranty

This Plan complements but does not replace the manufacturer's warranty, by providing certain additional services for the duration of the Term of the Plan. While Your Product is covered by the manufacturer's warranty, please contact the manufacturer directly for all such claims including where You have On-Site repair service. For a description of additional services, please see Part 2 of these Terms and Conditions.

Please note that services provided under this Plan prior to the expiry of the manufacturer's warranty may void the manufacturer's warranty. Please refer to the terms and conditions of Your Product's manufacturer's warranty for further details.

Customer Responsibility

1. remove any screen lock application (PIN, touch ID, or password);
2. deactivate any Activation Lock;

It is Your responsibility to back up the contents of Your Product, including, without limitation, its hard drive, and remove any data from parts of Your Product before repair services are performed, including any data You have stored or software You have installed. It is possible that the contents of any hard drive or data storage component will be lost or reformatted in the course of service. Where possible, and subject to availability of software, Your Product will be returned to You configured as originally purchased. This Plan does not include restoration of data to Your Product.

We will not be responsible for any damage to or loss of any programs, data, or other information stored on any media or any part of any Product that is repaired or replaced by Us. *(The foregoing is not intended to liberate Us from the consequences of Our own acts or the acts of Our representatives.)*

Product Repair Services

- **Mechanical Breakdown with Power Surge Protection:** If Your Product suffers mechanical breakdown as a result of manufacturer's defects in materials and workmanship not covered by the manufacturer's warranty or suffers damage from a power surge occurring during the Term of the Plan, We will repair Your Product through Our Certified Service Network in order to restore Your Product to normal operating condition. Repairs include labour and replacement parts costs. Repairs due to power surge will be provided from the Effective Date.

If during a service request, We determine that failure of Your Product is due to physical damage, Your service request will be processed under the Physical Damage Repairs section below and may be subject to a service fee.

- **Physical Damage Repairs (and applicable service fees):** If Your Product suffers physical damage (including screen failure) or liquid resistance failure, occurring during the Term of the Plan, We will repair Your Product in order to restore it to normal operating conditions. A service fee will apply as follows:

Product Type	Retail Price of Product	Service Fee
Televisions	Up to \$ 2,000	\$ 200

The service period begins when the Product arrives at a Best Buy store or an authorized service location and ends when the repaired Product is made available to You for pick up. For On-Site repair service, the service period begins at the time of the initial service call.

This service does not apply to maintenance checks, cleanings, customer education, repairs or replacements of Accessories including, but not limited to, remotes, docking stations, or other similar parts, or any repairs performed outside Canada.

No Lemon Policy

During the Term of the Plan, if Your Product is repaired three times through Our Certified Service Network due to mechanical breakdown or damage due to power surge, and the same repaired Product then requires a fourth repair, as diagnosed by an authorized technician, We will replace it with a Replacement Product, not to exceed the original purchase price of Your Product. **You must return the damaged Product and purchase invoices along with the authorized repair service centre invoices from the three prior separate repair service incidents in order to be eligible for a replacement under Our No Lemon Policy.** One service request number, requiring functional part(s) repair/replacement is the equivalent of one repair.

No Lemon Policy does not apply to: (a) repair services that are resolved by minor soldering or repair of loose wires; (b) repair service calls that do not result in a physical repair such as maintenance checks, cleanings, customer education; (c) replacement or repair of Accessories; (d) reloading or servicing software; or (e) repairs that are performed outside Canada.

Global Coverage

If You require Global Coverage and have obtained a repair authorization number from Us prior to repair work being done, You will be reimbursed for any authorized charges paid by You to the service provider.

Global Coverage does not include On-Site Repair Service, No Lemon Policy, Replacement Service, or repairs required due to physical damage (including screen failure) or liquid resistance failure.
