Notice: Safety Recall of Basis Peak Watches

A small number of people have reported that their Basis Peak watches overheated, and in some cases caused discomfort, blistering or burns on their wrist under the watch body. Basis Science has issued a safety recall of all Basis Peak watches. To obtain a refund visit <https://support.mybasis.com> or call 1 (844) 622-7472 between 7AM and 5PM PST.

More information on this situation is at <http://www.mybasis.com/safety>
