¹How do I know which Geek Squad Protection+ price I would pay?
 The Geek Squad Protection+ monthly price is based on the pre-tax purchase price of the Laptop, MacBook or Surface. For instance, if you buy a Surface for \$1,299.99 you would pay \$29.99 per month for your GSP+ Plan. If the unit is on sale, the sale price would determine the GSP+ Plan monthly price, not the original price of the unit. A \$1,299.99 Surface on sale for \$1,199.99 would have a GSP+ monthly price of \$24.99.

²Can I cancel Geek Squad Protection+?

You may cancel Your Geek Squad Protection+ Plan for any reason at any time within the first thirty (30) days of purchase and receive a full refund of any payment made to this Plan, less the cost of services received and benefits paid, unless otherwise prohibited by law. To receive Your refund, simply visit your local Best Buy Canada store with your original sales receipt. After the first thirty (30) days, you may cancel this Plan, for any reason at any time by contacting us at **1-800-GEEKSQUAD (1-800-433-5778)**. You may be subject to a Service Recovery Fee of \$240 less any monthly Geek Squad Protection+ premiums paid. See Terms & Conditions for complete details at www.geeksquad.ca/termsandconditions

³How do I know which Geek Squad Protection price I would pay?

The Geek Squad Protection price is based on the pre-tax purchase price of the Major Appliance. For instance, if you buy a Range for \$1,299.99 you would pay \$209.99 for a five (5) year Geek Squad Protection Plan. If the unit is on sale, the sale price would determine the GSP price, not the original price of the unit. A \$1,299.99 Range on sale for \$1,099.99 would have a five (5) year Geek Squad Protection Plan price of \$189.99.
