Best Buy Financing – Samsung Statement Credit Promotion

*On approved credit. Terms and conditions apply. Financing is provided by Fairstone Financial Inc. and is subject to all the terms and conditions in your Retail Credit Agreement and Disclosure Statement, and in the documents provided to you at point of sale (collectively the "Account Agreement").

The statement credit is available for selecting **Home Theatre** Samsung products only and Marketplace products do not qualify for this promotion. See a Blue Shirt in-store to confirm whether the Samsung **Home theatre** product is included in the promotion. Purchases of other products or purchases using other payment options will not qualify for this promotion. The promotion is available from November 13th, 2026, to January 7th, 2027. This promotion is available in all provinces except Quebec. Excludes marketplace items and demo/floor model products.

To qualify for the $50 statement credit, the $150 statement credit or the $250 statement credit, customers must purchase qualifying SAMSUNG **Home Theatre** product through Fairstone Financing. For more information on what products qualify, see a Blue Shirt in-store, see the 'Eligible Product" list below, or go to bestbuy.ca. All qualifying purchases must be made on the same transaction.

The statement credits will be broken down based on the following financed amounts:

- The $50 statement credit applies to any bundle of qualifying Samsung products totaling $1,000 to $1,499.99 before taxes.
- The $150 statement credit applies to any bundle of qualifying Samsung products totaling $1,500 to $2,499.99 before taxes.
- The $250 statement credit applies to any bundle of qualifying Samsung products totaling $2,500 or more before taxes.

For purchases made between November 13, 2026, and December 13, 2026, the statement credit will be applied starting January 25, 2027, and for purchases made between December 14, 2026, and January 7, 2027, the statement credit will be applied starting February 15th 2027. All refunds must be made within the time frame indicated in Best Buy's return policy for the returns of qualifying products and in accordance with any terms and conditions of the Best Buy return policy. The statement credit will not be applicable if the customer returns the qualifying products for this promotion.

A maximum of one (1) statement credit will be applied for each eligible Best Buy Financing customer account.

Purchases of other products or purchases using other payment options will not qualify for this promotion. Purchases can be made with only one (1) of these financing plans*: **3-month No Pay/Same as Cash, 6-month No Pay/Same as Cash, 12-month No Pay/Same as Cash, 18-month No Pay/Same as Cash.**

**** For No Pay/Same as Cash financing plans**, interest will accrue on the financed amount from the beginning of the promotional period, but no minimum payments are required. However, if you pay the balance in full by the promotional period expiration date, all accrued interest will be waived and not charged on the financed amount. If you do not pay the balance in full when the promotional period expires, all accrued interest will be charged at the annual interest rate of 31.99% as shown in your Account Agreement. The **18-month plan** is available for purchases of $999.99 or more before taxes and has a $99.99 administration fee. The **12-month plan** is available for purchases of $399.99 or more before taxes and has a $69.99 administration fee. The **6-month plan** is available to purchases of $299.99 or more before taxes and has a $29.99 administration fee. The **3-month plan** is available to purchases of $149.99 or more before taxes and has no administration fee.*

***For Same as Cash with Payment Plan,** Interest will start accruing on the purchase amount from the beginning of the promotional period. All accrued Interest will be waived if the balance due is paid off by the end of the promotional period (i.e., expiration date). A minimum payment of 3% of the balance owing or $10, whichever is greater, will be due each billing cycle. Making minimum monthly payments only will not pay off the balance in time to avoid interest charges.*
