

# Zinus Bunk Bed Recall Program

Zinus has voluntarily issued a product recall for its bunk bed, the OPLBB model. The welds that secure the upper bunk can come apart causing the upper bunk to collapse, posing fall and injury hazards.

We recommend you cease using the product immediately and either install the retrofit kit which we will send to you (see below) or dispose of your product for a full refund.

To prevent any injuries, Zinus has designed an easy-to-install retrofit kit that's CPSC approved and we will ship it to your home at no cost so you can continue to use your bunk bed with peace of mind. A refund is also available should that be your preference.

For more information, consumers may contact Zinus toll free at 1-800-613-1225 at any time, by email ([retrofit@zinusinc.com](mailto:retrofit@zinusinc.com)), or by visiting the website (<https://www.zinus.com/pages/retrofit>).

**\*Proof of purchase of a new bunk bed & disposal will be required before a refund can be issued. Bunk beds purchased as used will be offered a retrofit kit only.\***
