Product Specific Benefits

Your Plan covers:

TELEVISION	FRIDGE & FREEZER	WASHER & DRYER
<ul style="list-style-type: none"><li>• Repair for burn-in and ghost imaging</li><li>• Pixel burnout coverage based upon manufacturer’s guidelines or up to 3 dead pixels, if not specified by the manufacturer</li><li>• Repair of blown speaker components not due to intentional abuse or misuse for speakers covered under the Plan</li></ul>	An allowance of up to \$300 for food spoilage per service repair for refrigerators and freezers. Food spoilage covers perishable items only and must be verified by an authorized service technician. You will be required to provide a copy of the invoice detailing the replacement goods.	A reimbursement of up to \$50 for laundry cleaning services per service repair for washers and dryers if your Product is out of service for more than seven (7) consecutive days. You will be required to submit an itemized list for each laundry reimbursement request.

On-Site Repair Benefit

On-Site Repair Benefit is included for TVs larger than 32”, major appliances and over-the-range microwaves.

Our certified service technician will attempt to complete repairs at Your address. After inspection and assessment by the certified service technician, due to the nature of some repairs, We may, at Our cost, arrange for Your Product to be transported or shipped to a Best Buy Canada store or authorized service centre to complete the repair.

If the fault diagnosis determines the problem is related to an Accessory, then a replacement may be mailed to You for self-installation, or We may request that You first deliver the defective Accessory to a Best Buy Canada store.

**Limitations:** If You live beyond a 60km radius of a Best Buy store, or in an area not accessible by municipally maintained roads, Your Service Request may be processed under the Global Coverage Benefit or on a carry-in basis at a Best Buy Canada store.

Product Repair Benefit with Power Surge Protection

If Your Product suffers mechanical breakdown as a result of manufacturer’s defects in materials and workmanship not covered by the manufacturer’s warranty or suffers damage from a power surge occurring during the Term of the Plan, We will repair Your Product in order to restore it to normal operating condition. Repairs include labour and replacement parts costs. Repairs due to power surge will be provided from the Effective Date and cover only hardware.

Replacement parts may be restricted to refurbished or non-original manufacturer’s parts that perform to the manufacturer’s specifications.

**Limitations:** At Our option, as opposed to covering the cost of repair, We may cover the cost of a Replacement Product or, at Our sole discretion, You may be issued a store credit for the current replacement value, not to exceed the original purchase price. If You are issued a store credit or receive a Replacement Product, Your Plan will immediately be deemed fulfilled.

Product Replacement Benefit

If a repair takes longer than sixty (60) days to complete, We will, at Our sole discretion, either cover the cost of a Replacement Product or issue a store credit for the current replacement value, not to exceed the original purchase price, upon which Your Plan will immediately be deemed fulfilled and will not apply to any Replacement Product or any product purchased by You with the store credit.

The 60-day service period begins when Your Product arrives at a Best Buy Canada store or an authorized service location and ends when the repaired Product is made available to You for pick up. If Your Product is covered under the On-Site Repair Benefit and the repairs are being performed on-site, the 60-day service period begins on the date You initiated the Service Request and ends when the Product is deemed repaired by Our certified service technician.

**Limitations:** This Benefit does not apply to maintenance checks, cleanings, customer education, repairs or replacements of Accessories including but not limited to remotes, docking stations, or other similar parts, or any repairs performed outside Canada.

No Lemon Benefit

If Your Product is repaired three times under the Plan, and the same repaired Product then requires a fourth covered repair, as diagnosed by an authorized technician, We will cover the cost of a Replacement Product. **KEEP YOUR SERVICE INVOICES;** neither Assurant nor American Bankers can provide copies of service invoices. You must return the damaged repaired Product and purchase invoices along with the authorized service repair invoices from the three prior separate service repair incidents to qualify for this Benefit.

For clarity, one repair under this Benefit means a repair requiring functional part(s) repair or replacement to which a unique identifying Service Request number is assigned and does not include any repairs performed under the Workmanship Guarantee.

**Limitations:** This Benefit does not apply to: (a) repairs due to physical damage (including screen failure) or liquid resistance failure covered under the Plan; (b) repair services that are resolved by minor soldering or repair of loose wires; (c) repair service calls that do not result in a physical repair such as maintenance checks, cleanings, customer education; (d) replacement or repair of Accessories; (e) reloading or servicing software; or (f) repairs that are performed outside Canada.
