BIG TEN. BIG NEWS.

- The Big Ten currently boasts a 89-14 overall record through Monday's contests, with teams going a combined 78-3 on their home courts. The Big Ten's .864 win percentage sits behind only the SEC (79-11/.878), while its 89 total wins lead all Div. I conferences. Four of the 34 remaining undefeated teams also reside in the Big Ten, as Indiana, Oregon, Penn State, and Wisconsin remain unblemished.
- Eleven Big Ten teams were recognized in this week's AP and USA Today Coaches Polls, announced on Monday. The AP Top 25 included No. 13 Purdue, No. 14 Indiana, and No. 15 Wisconsin, while the coaches listed the Boilermakers at No. 12, the Hoosiers at No. 15, and the Badgers at 17. Illinois, Maryland, Michigan State, Nebraska, Ohio State, Oregon, Penn State, Rutgers, and UCLA also received votes in one or both polls.
- Eleven of the Big Ten's 18 teams rank in the top 40 of the Kenpom Ratings through Monday's games, with all 18 listing in the top 90. Ohio State leads the way at No. 15, followed by Purdue (#16), Illinois (#21), UCLA (#23), Wisconsin (#27), Michigan (#29), Penn State (#32), Maryland (#34), Oregon (#35), Indiana (#39), and Michigan State (#40). No other conference has more than nine teams in the top 40 (SEC) or more than 16 teams in the top 100 (SEC and Big 12).
- On Monday, the Big Ten announced its Player and Freshman of the Week honors. Wisconsin's John Tonje was named Big Ten Player of the Week for the second consecutive week, while Maryland's Derik Queen claimed Freshman of the Week honors. Tonje averaged 22.3 points on .526 shooting from the field and .958 from the free throw line to lead the Badgers to a 3-0 week. The grad student earned Greenbrier Tip-Off MVP honors after tallying 33 points and seven rebounds in an 81-75 win over Pitt in the title game, making him the first DI player to score 33 or more against two high major opponents in the month of November over the last 15 years.
- Queen posted 16.0 points on .650 shooting from the field and 8.5 rebounds as Maryland claimed a pair of wins. The freshman from Baltimore was named Empire Classic MVP after a 22 point, 11 rebound, five assist performance in a 76-75 comeback win over Villanova. Queen scored 18 points in the victory, including the game-tying and game-winning free throws with 19 seconds to play.
- Five players scored in double figures, as Nebraska scored a 74-63 win at then-No. 14 Creighton on Friday. Juwan Gary and Brice Williams had 16 points apiece to lead the Huskers, who earned their second consecutive win in Omaha, the first time that has occurred since winning three straight times in Omaha between 1991 and 1995.
- Penn State's 85-66 win over Fordham on Monday improved the team to 6-0, its first 6-0 start since 1999-2000. The Nittany Lions have scored at least 80 points in six-straight games for the first time in program history. Its 102-89 win over Purdue-Ft. Wayne (11/20) also marked the first time since 1954-55 the Nittany Lions have scored at least 100 points three times in one season.
- Maryland topped Canisius 108-37 on Tuesday. In winning by 71 points, it was Maryland's second largest margin of victory in program history. It is the largest victory since beating North Texas by a school-record 75 points on Dec. 23, 1998.
- The Badgers have now started the season 7-0 for the first time since opening the 2014-15 season with seven straight wins. That team went on to reach the 2015 National Championship Game.
- Over the last week, Big Ten teams have surrendered 40 or fewer points four times. Ohio State surrendered just 30 points in its win over Evansville (11/19). It was the fewest allowed in a game since holding Samford to just 22 points in November of 2008. That same day, Maryland held Canisius to 37 points. Illinois has allowed just 74 points in its last two outings, topping Maryland-Eastern Shore 87-40 and Arkansas-Little Rock 92-34, matching the lowest opponent point total in State Farm Center history.
- In the win over Marshall on Saturday, Purdue's Braden Smith dished out his 500th career assist in his 80th game, the third-fastest mark to 500 assists in Big Ten history (Mateen Cleaves, Bruce Parkinson).
- The 2025 Big Ten Men's Basketball Tournament will return to Gainbridge Fieldhouse on March 12-16. This will mark the 14th time the tournament has been held in Indianapolis. The tournament will be the first to feature a 15-team field and begin with three games on Wednesday, March 12. Peacock will televise the opening three games of the 2025 Big Ten Men's Basketball Tournament, with second-round and quarterfinal games on Thursday and Friday slated for Big Ten Network. For the 28th consecutive year, CBS Sports will broadcast the semifinals and championship game on CBS, with those games also streaming live on Paramount+.

2025 BIG TEN MEN'S BASKETBALL TIEBREAKER PROCEDURES FOR TOURNAMENT SEEDING

Tiebreaker Procedures for Tournament Seeding

1. Teams shall be seeded No. 1 through No. 15 in the tournament bracket based on the final regular-season Conference standings.
2. A team's seed shall correspond to its regular-season finish (i.e., the champion shall be the No. 1 seed, the runnerup the No. 2 seed, etc.).
3. Teams that finished Nos. 1, 2, 3 and 4 in the regular-season shall receive a "bye" through the first two rounds.
4. In case of a tie for any place finish in the regular-season standings, the following tiebreaking procedure shall be followed in order to seed teams in the tournament bracket:

A. Ties Involving Two Teams:

1. Results of head-to-head competition during the regular season.
2. Each team's record vs. the team occupying the highest position in the final regular season standings (or in the case of a tie for the championship, the next highest position in the regular-season standings), continuing down through the standings until one team gains an advantage.
 - a. When arriving at another pair of tied teams while comparing records, use each team's record against the collective tied teams as a group (prior to their own tiebreaking procedures), rather than the performance against the individual tied teams.
 - b. When comparing records against a single team or a group of teams, the higher winning percentage shall prevail, even if the number of games played against the team or group are unequal (i.e., 2-0 is better than 3-1, but 2-0 is not better than 1-0 or 0-0).
3. Won-loss percentage of all Division I opponents.
4. Highest NET ranking of the teams. NET rankings that are released on the last Friday of the regular season will be utilized.

B. Ties Involving more than Two Teams:

1. Results of head-to-head competition during the regular season.
 - a. When comparing records against the tied teams, teams will be seeded based on winning percentage head-to-head among the group, even if the number of games played against the team or group are unequal (i.e., 2-0 is better than 3-1, but 2-0 is not better than 1-0 or 0-0). If all teams among the group are separated based on winning percentage, all ties are broken. Ties shall be considered separated when a team(s) emerges from the top, middle or bottom of the group and is awarded a seed(s).
 - b. Once a seed is awarded, all remaining tied teams shall restart the tiebreak process at the first criteria (e.g. if there is a four-team tie, one team is 4-0, another is 3-1 and the last two are 2-2 among the group, the two teams that are 2-2 move to step a (head-to-head) and the teams that are 4-0 and 3-1 assume the next two available highest seeds).
2. If the remaining teams are still tied, then each tied team's record shall be compared to the team occupying the highest position in the final regular-season standings, continuing down through the standings until one team gains an advantage.
 - a. When arriving at another pair of tied teams while comparing records, use each team's record against the collective tied teams as a group (prior to their own tiebreaking procedures), rather than the performance against the individual tied teams.
 - b. When comparing records against a single team or group of teams, the higher winning percentage shall prevail, even if the number of games played against the team or group are unequal (i.e., 2-0 is better than 3-1, but 2-0 is not better than 1-0 or 0-0).
3. Won-loss percentage of Division I opponents.
4. Highest NET ranking of the teams. NET rankings that are released on the last Friday of the regular season will be utilized.

BIG TEN X ABBOTT - THE WE GIVE BLOOD DRIVE

Every season we give it everything we have. We give our strength, we give our souls and so much more – it's in our blood. And now we can give that too. This season, Abbott and the Big Ten are pitting school against school in the largest blood donation competition of our lifetime to fight the largest blood shortage in a generation.

Want your school to win? Then don't give up. Give blood. Every donation scores one point for your school on the leaderboard.

The winning school will receive \$1 million to advance student or community health.

Individual donors will be offered a free one month subscription to B1G+ and will be entered to win a trip to the 2024 Discover® Big Ten Football Championship Game on December 7, 2024.

Students will be able to donate at mobile blood drives on campus, and alumni, fans and students alike can donate at blood donation centers across the country. Results will be tracked in real time at BigTen.Org/Abbott after donors attribute donations to their favorite school.

DONORS

Big Life. Big Stage. Big Ten.

Since its inception in 1896, the pursuit and attainment of academic excellence has been a priority for every Big Ten member institution. But maintaining the conference's standard of competing at the highest level in athletics also endures as an important component of the Big Ten experience. Striking that balance between academics and athletics is integral to the Big Ten's identity. Recognized as one of intercollegiate sports' most successful undertakings, the Big Ten strives for success from its students not only on the field and in the classroom, but around the world as well.

PREMIER ACADEMIC INSTITUTIONS

The Big Ten Academic Alliance is an academic consortium of all 18 Big Ten universities, which is widely considered to be the model for effective and voluntary collaboration among top research universities.

Every Big Ten Academic Alliance institution ranks among the top 90 universities in the nation according to the 2024 Academic Ranking of World Universities, including 10 in the top 40.

The Big Ten leads all conferences with more than 1,900 Academic All-Americans, including 80 honorees during the 2023-24 academic year.

Big Ten Academic Alliance schools annually conduct \$17 billion in funded research.

A HISTORY OF ATHLETIC SUCCESS

Big Ten schools have won at least five national championships in 26 of the last 30 years, averaging nearly seven per year during that span.

Since the 2005-06 academic year, current Big Ten institutions have claimed 119 team national championships in 26 different sports.

BROAD-BASED PROGRAMMING

Big Ten institutions support more than 11,000 participation opportunities on 350 teams in 42 different sports.

The Big Ten sponsors 28 official conference sports, 14 for men and 14 for women.

The Big Ten leads the nation in total students competing in intercollegiate athletics and participation opportunities, and sponsors more official sports than all conferences except the Ivy League.

Nearly 2,000 Big Ten competitors have participated in the Olympics, winning more than 600 medals, including more than 200 gold. The Big Ten Conference enjoyed its finest performance at a single Olympic Games during the 2024 Summer Olympics in Paris, France, as athletes with Big Ten ties set conference records by earning 98 total medals and 27 gold medals during the 17-day competition, surpassing the previous mark of 51 medals at the 2020 Summer Games in Tokyo, Japan. All 18 Big Ten member schools were represented at the 2024 Summer Games, competing for 64 nations in 17 sports.

PASSIONATE FOLLOWING

The Big Ten leads all conferences with 9.4 million alumni and nearly 823,000 students.

Big Ten men's and women's basketball combined for 4.3 million fans in their home arenas throughout the 2023-24 season and paced the nation in total attendance. Volleyball Day in Nebraska attracted 92,003 fans, the largest attendance in women's sports history. All seven of the Big Ten ice hockey teams also ranked in the top 15 nationally in average attendance.

In 2023-24, Big Ten women's basketball programs set ratings records on seven different networks – BTN, FOX, FS1, NBC, Peacock, ESPN and CBS.

LEADERS IN INNOVATION

Took part in the nation's first bowl game, winning the 1902 Rose Bowl Game, and signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl with permanent conference affiliations.

Awarded the first Big Ten Medal of Honor in 1915, honoring outstanding seniors who demonstrated excellence in academics and athletics.

Formed the Big Ten Advisory Commission in 1972, enlisting former students that competed in conference athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

Became the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

Launched the Big Ten Network (BTN) in 2007, the first national conference-owned television network.

Began partnering with the Ivy League to study the effects of head injuries in sports in 2012.

Twenty years after adding instant replay in 2004, announced a state-of-the-art replay center, featuring 18 dedicated replay bays and six dedicated medical observation stations.

Championed new legislation for football permitting coach-to-player helmet communication and the use of sideline video by student-athletes, and coaches, both of which were introduced in the fall of 2024.

EXTENSIVE TELEVISION EXPOSURE

Through the Big Ten's current media agreements with BTN, NBC, Peacock, CBS and FOX, more than 2,000 Big Ten events are produced and distributed nationally and globally on an annual basis.

BTN reaches nearly 50 million homes and is also available via the Fox Sports App, delivering live and on-demand programming to computers, smartphones and tablets. B1G+ streams more than 2,000 additional events each season.

COMMUNITY & IMPACT

The Big Ten Conference is dedicated to making a lasting impact on the communities where its major events are held. In recent years, the conference has hosted sports clinics, renovated recreation centers and given elementary-aged children the chance to experience major Big Ten events.

Around the Big Ten Football Championship Game and Basketball Tournaments, the conference focuses on creating meaningful improvements, aiming to leave each location better than it was found.

Moving forward, the Big Ten will continue to collaborate with the College Football Playoff Foundation, local sports organizations and school district foundations to enhance spaces for teachers and children and provide educational opportunities for youth.
