POSTGAME QUICK QUOTES

OREGON HEAD COACH DAN LANNING:

On winning the Big Ten Championship Game:

"I'm just so proud of our team. I mean, we've had moments where the defense had the offense's back tonight and the offense had the defense's back. It was a battle back-and-forth, that's a good football team, they're tough to prepare for. Our guys had just enough, there was just enough time to take care of it with that physicality that I love to see."

PENN STATE HEAD COACH JAMES FRANKLIN:

On what was said to the team after the game:

"I'm just proud of them, number one. We're still in this thing. We lost to the number one team in the country by one possession."

On what was the biggest takeaway from the game:

"Early on, we had four penalties for 15 yards each — you can't do that. You can't turn the ball over two time either. It's hard to be successful when you do that on offense from a penalty perspective."
