# BIG TEN CONFERENCE HISTORY

Known as one of intercollegiate sports' most successful undertakings, the Big Ten is home to a lineage of legendary names and an ongoing tradition of developing strong leaders. Even in its infancy, the conference established itself as the preeminent collection of institutions in the nation, where the pursuit of academic excellence prevailed as the definitive goal.

The history of the Big Ten traces back more than 120 years to the Palmer House hotel in Chicago, where on January 11, 1895, then-Purdue president James H. Smart and leaders from the University of Chicago, University of Illinois, University of Michigan, University of Minnesota, Northwestern University and University of Wisconsin set out to organize and develop principles for the regulation of intercollegiate athletics.

At that meeting, a blueprint for the administration of college athletics under the direction of appointed faculty representatives was outlined. The presidents' first known action "restricted eligibility for athletics to bonafide, full-time students who were not delinquent in their studies." That important legislation, along with other legislation that would follow in the coming years, served as the primary building block for intercollegiate athletics.

On February 8, 1896, one faculty member from each of those seven universities met at the same Palmer House and officially established the mechanics of the conference, which was officially incorporated as the "Intercollegiate Conference Athletic Association" in 1905.

Indiana University and the State University of Iowa became the eighth and ninth members in 1899. In 1908, Michigan briefly withdrew its membership, and in 1912 Ohio State University joined the conference, bringing its membership total back to nine. Upon Michigan's return in 1917, the conference was first referred to as the "Big Ten" by media members, and that name was eventually incorporated in 1987.

As the 1900s opened, faculty representatives established rules for intercollegiate athletics that were novel for the time. As early as 1904, the faculty approved legislation that required eligible athletes to meet entrance requirements and to have completed a full year's work, along with having one year of residence.

In 1901, the first Big Ten Championship event was staged when the outdoor track and field championships were held at the University of Chicago. The debut event marked what is now a staple of conference competition. Today, the Big Ten sponsors 28 official sports, 14 for men and 14 for women, including the addition of men's ice hockey and men's and women's lacrosse over the last four years. Big Ten schools compete in a total of 42 different sports, furthering the conference's commitment to broad-based programming and providing more participation opportunities than any conference in the country.

One of the conference's proudest traditions began in 1902 when Michigan took on Stanford in the Rose Bowl, the nation's first bowl game. Big Ten teams only appeared in Pasadena twice before the conference signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl game with permanent conference affiliations. But Michigan's appearance in 1902 cultivated a relationship that has endured for more than a century. In January 2014, Michigan State defeated Stanford in the 100th Rose Bowl Game.

Coupling the academic goals set forth by the leaders of the charter members of the conference and their steadfast commitment to athletics, the conference instituted the Big Ten Medal of Honor in 1915. It is awarded annually by each conference institution to a student of the graduating class who has attained the greatest proficiency in scholarship and athletics. For more than 100 years, it has been the most prestigious honor a student competing in Big Ten athletics can receive.

In 1922, Major John L. Griffith became the conference's first "Commissioner of Athletics." Griffith was the first of five men to assume the role of commissioner in the conference's history, followed by Kenneth L. "Tug" Wilson in 1945, Bill Reed in 1961, Wayne Duke in 1971 and current commissioner James E. Delany in 1989.

After nearly 30 years with 10 members, the conference consolidated to nine schools when the University of Chicago formally withdrew its membership in 1946. Michigan State College (now Michigan State University) was added to the Big Ten three years later, bringing the number of affiliated conference schools to 10 once again.

In 1955, the Big Ten formulated a revenue-sharing model designed to pool all football television rights of its members and share those proceeds equally. The conference and its members continue to utilize a revenue-sharing model, dividing media rights, bowl payouts and other profits among all conference institutions.

While academics have always played an integral role in the conference, presidents of the Big Ten member institutions formalized the primacy of academics with the establishment of the Big Ten Academic Alliance (formerly the Committee on Institutional Cooperation) in 1958. The Big Ten Academic Alliance is an academic consortium of all Big Ten universities. Annually, the schools currently constituting the Big Ten Academic Alliance produced over \$10 billion in funded research, \$5 billion more than any other conference.

In one of Duke's first actions as commissioner, he oversaw the adoption of the Big Ten Advisory Commission in 1972, designed to study conference programs and make suggestions which would further Big Ten objectives. The Advisory Commission enlists former students that competed in Big Ten athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

In 1981, the conference presidents and chancellors endorsed a proposal that enabled universities to affiliate their women's intercollegiate programs with the conference, and the first conference championships for women were staged that fall. The Big Ten was the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

In December of 1989, the conference agreed in principle to invite Pennsylvania State University for membership. On June 4, 1990, the Council of Presidents officially voted to integrate Penn State into the conference, giving the Big Ten 11 members.

In 2004, the Big Ten implemented a pilot program of instant replay for college football. Following the season, the conference forwarded replay proposals to the NCAA regarding the future use of instant replay, where it approved country-wide testing in 2005. In 2006, the NCAA approved the use of instant replay for all conferences.

In 2006, Delany announced the creation of the first conference-owned television network, a 20-year agreement with FOX Networks to create what would become the Big Ten Network (BTN). Launched on Aug. 30, 2007, BTN now produces more than 1,500 events across all platforms each year. BTN is in more than 60 million homes in the U.S. and Canada via the nation's major cable, satellite and telco providers and more than 300 additional cable operators across the country. BTN2Go is the digital extension of BTN, delivering live and on-demand programming to computers, smartphones and tablets and also is accessible outside the U.S., Canada and the Caribbean via BTN2Go International.

On June 11, 2010, the Big Ten Council of Presidents/Chancellors (COP/C) approved a formal membership application by the University of Nebraska, expanding the conference to 12 institutions. Nebraska officially joined the Big Ten on July 1, 2011.

The conference expanded its footprint further in 2012 when the COP/C approved formal membership applications from the University of Maryland and Rutgers University on November 19 and 20, respectively. Maryland and Rutgers became official Big Ten members on July 1, 2014, giving the conference almost 9,500 students participating in intercollegiate athletics and more than 11,000 participation opportunities on 350 teams.

On June 3, 2013, the Big Ten announced that Johns Hopkins University had been accepted as the conference's first sport affiliate member. Johns Hopkins' addition in men's lacrosse gave the Big Ten six institutions sponsoring the sport, allowing the debut of men's lacrosse as an official conference sport and building on the Big Ten's tradition of broad-based sports competition. On June 17, 2015, the conference announced that Johns Hopkins was accepted as a sport affiliate member for women's lacrosse beginning with the 2016-17 academic year. On March 23, 2016, the conference announced that Notre Dame will join the Big Ten for men's ice hockey beginning with the 2017-18 academic year.

Since opening in the fall of 2013, the Big Ten conference center hosts more than 300 meetings annually for member institutions, Big Ten Academic Alliance (formerly CIC) related committees and coaches' groups. The headquarters also features an interactive digital museum - the Big Ten Experience - which brings the conference's storied academic and athletic history to life. For more information on the Big Ten Experience, go to [bigten.org](http://bigten.org).

In June 2014, the Big Ten opened a second office in New York City, featuring both office and meeting space in Midtown Manhattan. Big Ten staff members are based in the New York City office to provide expanded coverage and service, while other conference and institutional administrators utilize the space as necessary when conducting business on the East Coast. The Big Ten and its member institutions also have access to satellite office space in Washington, D.C.

Delany and his staff work to meet the educational needs of students competing in intercollegiate athletics to allow them to excel in all areas of their lives. The conference office manages 28 different championships and tournaments, offers legislative and compliance services, oversees the production and distribution of more than 1,400 events annually, provides staff services to coaching and administrative personnel and services media and fans interest for information on the Big Ten.

More than 120 years after its inception, the Big Ten remains a national leader in intercollegiate athletics on and off the field. Big Ten programs have combined to win more than 450 team and 1,800 individual national championships, consistently taking home individual honors for athletic and academic accomplishments and fulfilling the Big Ten's mission of academic achievement and athletic success.

# COMMISSIONER JAMES E. DELANY

Only the Big Ten's fifth commissioner since its founding in 1896, James E. Delany is in his 29th year with the conference. He has led the Big Ten through significant periods of growth that have helped the conference maintain its preeminent position as one of the nation's leaders in providing quality academic and athletic experiences for young men and women.

The Big Ten has grown to 14 member institutions during Delany's tenure, including the additions of Penn State in 1991, Nebraska in 2011 and Maryland and Rutgers in 2014. With the conference's footprint now stretching from the Colorado border to the Atlantic Ocean and more than five million

alumni across the country, Delany continues to work toward strengthening traditional relationships while building a presence in a new region.

The Big Ten maintains offices in Rosemont, Ill., and New York City, with satellite office space in Washington, D.C. Big Ten events are scheduled to be held throughout the country, with the football championship game in Indianapolis and basketball tournaments held in Chicago, Indianapolis, New York City and Washington, D.C. The baseball tournament returns to Omaha, Neb. in 2018, while hockey tournaments have been held in Saint Paul, Minn., and Detroit, Mich. In addition, the Big Ten features the largest and most diverse postseason football lineup in conference history, with 16 potential bowl destinations spread across the nation.

Under Delany's guidance, the Big Ten has been a national leader in providing opportunities for students to earn a degree while competing in intercollegiate athletics, maintaining broad-based programming, supporting gender equity and continued innovation. The Big Ten will administer over \$200 million in direct financial support to more than 9,600 students for more than 11,000 participation opportunities on more than 350 teams in 42 different sports. The Big Ten introduced men's ice hockey and men's and women's lacrosse as official conference sports in the last five years, with Johns Hopkins University becoming the conference's first sport affiliate member for men's and women's lacrosse, and Notre Dame joining as a sport affiliate member for men's ice hockey in 2017-18. The Big Ten now sponsors 28 official sports, more than every conference except the Ivy League.

Under Delany, the Big Ten has been a champion for Title IX. The conference was the first to voluntarily adopt participation goals for female students competing in intercollegiate athletics as the Big Ten initiated the Gender Equity Action Plan in 1992. The Big Ten leads all conferences with more than 4,600 female students playing sports and features more than 870 televised or streamed women's athletic events. Big Ten women's teams have claimed more than 123 national titles.

The Big Ten also developed the first collegiate football version of instant replay, which was implemented during the 2004 season. The conference has applied numerous initiatives under Delany's leadership, including Sportsmanship Awards beginning in 2003 and Postgraduate Scholarships starting with the 2012-13 academic year. In the summer

of 2012, the Big Ten announced a partnership with the Ivy League to study the effects of head injuries in sports.

The Big Ten has seen unprecedented levels of national television coverage during Delany's tenure, highlighted by the creation of the Big Ten Network (BTN). Launched in August 2007 as a joint-venture with FOX, BTN was the first national conference-owned television network. Delany has also negotiated media agreements with ABC, CBS Sports, ESPN, and FOX, who serves as the official broadcast partner of the Big Ten Football Championship Game. Through these agreements, more than 1,700 events are produced and distributed annually.

Big Ten teams have won national championships in 28 different sports since Delany joined the conference, including a Big Ten record of 10 in 2014-15. The top 10 single-season football attendance records have been established in his tenure, while men's basketball has led the country in attendance for the last 41 seasons through the 2016-17 campaign. Each year more than 11 million patrons attend Big Ten home contests, as the conference leads the nation in attendance for hockey, volleyball and wrestling in addition to men's basketball. The Big Ten has also added tournaments for men's and women's basketball, men's ice hockey and men's and women's lacrosse, as well as challenge series with various conferences.

Delany and the Big Ten have been active in the community, creating the school outreach program SCORE (Success Comes Out of Reading Everyday). For more than 25 years, the conference has partnered with Chicago elementary schools to improve reading performance. The Big Ten has also established numerous community programs surrounding its men's and women's basketball tournaments and football championship game.

The 69-year old Delany is a native of South Orange, N.J. He received his undergraduate degree in political science from the University of North Carolina in 1970 and juris doctorate degree from the University of North Carolina School of Law in 1973. At UNC, Delany was a three-year member of the varsity basketball team, serving as tri-captain in 1970 and twice participating in NCAA Final Four competition. In September 2012, Delany received the UNC Distinguished Alumni Award.

After earning his law degree, Delany served as counsel for the North Carolina Senate Judiciary Committee from 1973 to 1974, and was staff attorney for the North Carolina Justice Department from 1974 to 1975.

Delany's distinguished career in administering intercollegiate athletics began at the NCAA where he was employed as an enforcement representative from 1975-79. For the next decade, he served as commissioner of the Ohio Valley Conference before joining the Big Ten in 1989.

In October 2014, Delany and the Big Ten were presented the Torch of Liberty Award by the Anti-Defamation League in honor of the conference's commitment to diversity, equality and opportunity for more than a century. In February 2016, he was honored with the John W. Bunn Lifetime Achievement Award, the most prestigious award presented by the Naismith Memorial Basketball Hall of Fame outside of enshrinement.

# BIG LIFE. BIG STAGE. BIG TEN.

## Big Life. Big Stage. Big Ten.

Since its inception in 1896, the pursuit and attainment of academic excellence has been a priority for every Big Ten member institution. But maintaining the conference's standard of competing at the highest level in athletics also endures as an important component of the Big Ten experience. Striking that balance between academics and athletics is integral to the Big Ten's identity. Recognized as one of intercollegiate sports' most successful undertakings, the Big Ten strives for success from its students not only on the field and in the classroom, but around the world as well.

### PREMIER ACADEMIC INSTITUTIONS

The Big Ten Academic Alliance is an academic consortium of all 14 Big Ten universities, which is widely considered to be the model for effective and voluntary collaboration among top research universities.

Every Big Ten Academic Alliance institution ranks among the top 78 universities in the nation according to the 2014 Academic Ranking of World Universities, including six in the top 25.

The Big Ten leads all conferences with more than 1,700 Academic All-Americans, including 47 honorees during the 2016-17 academic year.

Big Ten Academic Alliance schools annually conduct \$10 billion in funded research, \$5 billion more than any other conference.

### A HISTORY OF ATHLETIC SUCCESS

Big Ten schools have won at least seven national championships in seven of the last nine academic years and at least five in each of the last 20 years.

In the last four full academic years, current Big Ten institutions have claimed 28 team national championships in 15 different sports.

Over the last 11 full academic years, current Big Ten institutions have won 82 team national titles in 23 different sports.

### BROAD-BASED PROGRAMMING

The Big Ten will administer over \$200 million in direct financial support to more than 9,500 students competing in intercollegiate athletics for more than 11,000 participation opportunities on 350 teams in 42 different sports.

The Big Ten sponsors 28 official conference sports, 14 for men and 14 for women, including the addition of men's ice hockey and men's and women's lacrosse the last three years.

The Big Ten leads the nation in total students competing in intercollegiate athletics and participation opportunities, and sponsors more official sports than all conferences except the Ivy League.

Almost 1,400 Big Ten competitors have participated in the Olympics, winning more than 600 medals, including nearly 300 gold. In the 2016 Olympic Games, 159 representatives from Big Ten institutions including current or former students and coaches were members to Olympic teams. Big Ten Olympians collected 47 medals in Rio.

### PASSIONATE FOLLOWING

The Big Ten leads all conferences with 5.7 million alumni and nearly 580,000 students.

Each year more than 11 million patrons attend Big Ten home contests, as the conference leads the nation in attendance for men's basketball, hockey, volleyball and wrestling.

### LEADERS IN INNOVATION

Took part in the nation's first bowl game, winning the 1902 Rose Bowl Game, and signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl with permanent conference affiliations.

Awarded the first Big Ten Medal of Honor in 1915, honoring outstanding seniors who demonstrated excellence in academics and athletics.

Formed the Big Ten Advisory Commission in 1972, enlisting former students that competed in conference athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

Became the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

Implemented the first collegiate football system of instant replay in 2004, which the NCAA approved for use among all conferences in 2006.

Launched the Big Ten Network (BTN) in 2007, the first national conference-owned television network.

Began partnering with the Ivy League to study the effects of head injuries in sports in 2012.

Accepted Johns Hopkins University as the conference's first sport affiliate members in men's and women's lacrosse in 2013 and 2015, respectively.

### EXTENSIVE TELEVISION EXPOSURE

Through the Big Ten's current media agreements with BTN, ABC/ESPN, CBS and FOX, nearly 1,400 Big Ten events are produced and distributed nationally and globally on an annual basis.

BTN is in more than 60 million homes across the United States and Canada. BTN2Go is BTN's digital extension, delivering live and on-demand programming to computers, smartphones and tablets. BTN Plus within BTN2Go streams hundreds of additional events each season.

### COMMUNITY INVOLVEMENT

For more than 25 years, through the Big Ten's SCORE (Success Comes Out of Reading Everyday) program, the conference has partnered with Chicago elementary schools to improve reading performance.

Surrounding the Big Ten Football Championship Game and Basketball Tournaments, the conference has held numerous community initiatives, such as the Big Ten Career Expo, SaturDAY of Service and Youth Football Clinics. In addition, the Big Ten has hosted a downtown 5K, collaborated with a local breast cancer awareness group and provided unique event experiences for military veterans.

NOTE: For 23 seasons from 1959-81, Big Ten standings were determined by regular season games between Michigan, Michigan State, Minnesota and Wisconsin while playing in another conference. Ohio State played a total of six games against Big Ten schools between 1969 and 1981. Conference-sponsored men's ice hockey was discontinued following the 1980-81 season and reinstated prior to the 2013-14 season. Below are results from those 23 seasons:

## BIG TEN MEDAL OF HONOR

One of the most prestigious conference awards in college athletics, the Big Ten Medal of Honor was first awarded in 1915 to one student from the graduating class of each university who had "attained the greatest proficiency in athletics and scholastic work."
