1999: regular season winner declared "Big Ten Women's Tennis Regular Season Champion" and championship used to determine "Big Ten Conference Champion" and NCAA automatic qualifier; in final team standings, championship winner placed first and championship runner-up placed second (regardless of record); final conference record determined by following formula -- regular-season record plus any upsets in championship. If a lower seed upsets a higher seed, the lower seed will gain a win while the higher seed will incur a loss. However, a win over a team with an identical record will not count as an upset regardless of seeding.
