BIG TEN CONFERENCE HISTORY

Known as one of intercollegiate sports' most successful undertakings, the Big Ten is home to a lineage of legendary names and an ongoing tradition of developing strong leaders. Even in its infancy, the conference established itself as the preeminent collection of institutions in the nation, where the pursuit of academic excellence prevailed as the definitive goal.

The history of the Big Ten traces back more than 125 years to the Palmer House hotel in Chicago, where on January 11, 1895, then-Purdue president James H. Smart and leaders from the University of Chicago, University of Illinois, University of Michigan, University of Minnesota, Northwestern University and University of Wisconsin set out to organize and develop principles for the regulation of intercollegiate athletics.

At that meeting, a blueprint for the administration of college athletics under the direction of appointed faculty representatives was outlined. The presidents' first known action "restricted eligibility for athletics to bonafide, full-time students who were not delinquent in their studies." That important legislation, along with other legislation that would follow in the coming years, served as the primary building block for intercollegiate athletics.

On February 8, 1896, one faculty member from each of those seven universities met at the same Palmer House and officially established the mechanics of the conference, which was officially incorporated as the "Intercollegiate Conference Athletic Association" in 1905.

Indiana University and the State University of Iowa became the eighth and ninth members in 1899. In 1908, Michigan briefly withdrew its membership, and in 1912 Ohio State University joined the conference, bringing its membership total back to nine. Upon Michigan's return in 1917, the conference was first referred to as the "Big Ten" by media members, and that name was eventually incorporated in 1987.

As the 1900s opened, faculty representatives established rules for intercollegiate athletics that were novel for the time. As early as 1904, the faculty approved legislation that required eligible athletes to meet entrance requirements and to have completed a full year's work, along with having one year of residence.

In 1901, the first Big Ten Championship event was staged when the outdoor track and field championships were held at the University of Chicago. The debut event marked what is now a staple of conference competition. Today, the Big Ten sponsors 28 official sports, 14 for men and 14 for women, including the addition of men's ice hockey and men's and women's lacrosse over the last four years. Big Ten schools compete in a total of 42 different sports, furthering the conference's commitment to broad-based programming and providing more participation opportunities than any conference in the country.

One of the conference's proudest traditions began in 1902 when Michigan took on Stanford in the Rose Bowl, the nation's first bowl game. Big Ten teams only appeared in Pasadena twice before the conference signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl game with permanent conference affiliations. Michigan's appearance in 1902 cultivated an enduring relationship that has featured 73 appearances by Big Ten programs, most recently in 2023 when Penn State defeated Utah, 35-21.

Coupling the academic goals set forth by the leaders of the charter members of the conference and their steadfast commitment to athletics, the conference instituted the Big Ten Medal of Honor in 1915. It is awarded annually by each conference institution to a student of the graduating class who has attained the greatest proficiency in scholarship and athletics. For more than 100 years, it has been the most prestigious honor a student competing in Big Ten athletics can receive.

In 1922, Major John L. Griffith became the conference's first "Commissioner of Athletics." Griffith was the first of seven men to assume the role of commissioner in the conference's history, followed by Kenneth L. "Tug" Wilson in 1945, Bill Reed in 1961, Wayne Duke in 1971, Jim Delany in 1989, Kevin Warren in 2020 and current commissioner Tony Petitti in 2023.

After nearly 30 years with 10 members, the conference consolidated to nine schools when the University of Chicago formally withdrew its membership in 1946. Michigan State College (now Michigan State University) was added to the Big Ten three years later, bringing the number of affiliated conference schools to 10 once again.

In 1955, the Big Ten formulated a revenue-sharing model designed to pool all football television rights of its members and share those proceeds equally. The conference and its members continue to utilize a revenue-sharing model, dividing media rights, bowl payouts and other profits among all conference institutions.

While academics have always played an integral role in the conference, presidents of the Big Ten member institutions formalized the primacy of academics with the establishment of the Big Ten Academic Alliance (formerly the Committee on Institutional Cooperation) in 1958. The Big Ten Academic Alliance is an academic consortium of all Big Ten universities. Annually, the schools currently constituting the Big Ten Academic Alliance produced over \$10 billion in funded research, \$5 billion more than any other conference.

In one of Duke's first actions as commissioner, he oversaw the adoption of the Big Ten Advisory Commission in 1972, designed to study conference programs and make suggestions which would further Big Ten objectives. The Advisory Commission enlists former students that competed in Big Ten athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

In 1981, the conference presidents and chancellors endorsed a proposal that enabled universities to affiliate their women's intercollegiate programs with the conference, and the first con-

ference championships for women were staged that fall. The Big Ten was the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

In December of 1989, the conference agreed in principle to invite Pennsylvania State University for membership. On June 4, 1990, the Council of Presidents officially voted to integrate Penn State into the conference, giving the Big Ten 11 members.

In 2004, the Big Ten implemented a pilot program of instant replay for college football. Following the season, the conference forwarded replay proposals to the NCAA regarding the future use of instant replay, where it approved nationwide testing in 2005. A year later, the NCAA approved the use of instant replay for all conferences.

Also in 2006, Delany announced the creation of the first conference-owned television network, a 20-year agreement with FOX Networks to create what would become the Big Ten Network (BTN). Launched on Aug. 30, 2007, BTN now produces more than 2,200 live events annually as the first internationally distributed network dedicated to covering one of the premier collegiate conference in the country. BTN is in almost 60 million homes in the U.S. and Canada alone via all major video distributors in those countries and approximately 300 additional video providers across North America. BTN is also available through the majority of OTT providers, and via the Fox Sports App, which delivers live and on-demand programming to computers, smartphones and tablets. In addition, the B1G+ ("Big Ten Plus") platform streams more than 1,700 additional conference events each season.

The Big Ten took its media reach to unprecedented heights on Aug. 18, 2022, with the announcement of a groundbreaking media rights agreement to provide fans with unparalleled access and exposure to its student-athletes and member institutions. Beginning with the 2023-24 academic year and continuing through 2029-30, the Big Ten will increase distribution coast-to-coast, featuring exclusive content across linear networks FOX, CBS and NBC, as well as NBCUniversal's direct-to-consumer streaming platform, Peacock. The breadth of new partners, in addition to BTN and FS1, will place conference football, women's and men's basketball and Olympic sports student-athletes on the biggest stage and provide fans with the most exciting matchups across traditional over-the-air linear television and direct-to-consumer streaming. These landmark media rights agreements are the most comprehensive in all of college sports and further strengthen the tradition of the Big Ten Conference.

On June 11, 2010, the Big Ten Council of Presidents/Chancellors (COP/C) approved a formal membership application by the University of Nebraska, expanding the conference to 12 institutions. Nebraska officially joined the Big Ten on July 1, 2011.

The conference expanded its footprint further in 2012 when the COP/C approved formal membership applications from the University of Maryland and Rutgers University on November 19 and 20, respectively. Maryland and Rutgers became official Big Ten members on July 1, 2014, giving the conference almost 9,500 students participating in intercollegiate athletics and more than 11,000 participation opportunities on 350 teams.

The Big Ten officially stretched from coast to coast on June 30, 2022, when it was announced the COP/C had unanimously voted to admit the University of California, Los Angeles (UCLA) and the University of Southern California (USC). On August 4, 2023, the University of Oregon and University of Washington accepted invitations to join the Big Ten. All four west coast institutions will join the Big Ten effective Aug. 2, 2024 and begin competition in conference sports in the 2024-25 academic year.

On June 3, 2013, the Big Ten announced that Johns Hopkins University had been accepted as the conference's first sport affiliate member. Johns Hopkins' addition in men's lacrosse gave the Big Ten six institutions sponsoring the sport, allowing the debut of men's lacrosse as an official conference sport and building on the Big Ten's tradition of broad-based sports competition. On June 17, 2015, the conference announced that Johns Hopkins was accepted as a sport affiliate member for women's lacrosse beginning with the 2016-17 academic year. On March 23, 2016, the conference announced that Notre Dame would be joining the Big Ten for men's ice hockey beginning with the 2017-18 academic year.

Since opening in the fall of 2013, the Big Ten Headquarters and Conference Center, located in Rosemont, Illinois, hosts more than 300 meetings annually for member institutions, Big Ten Academic Alliance-related committees and coaches' groups.

In June 2014, the Big Ten opened a second office in New York City, featuring both office and meeting space in Midtown Manhattan. Big Ten staff members are based in the New York City office to provide expanded coverage and service, while other conference and institutional administrators utilize the space as necessary when conducting business on the East Coast. The Big Ten and its member institutions also have access to satellite office space in Washington, D.C.

Petitti and his staff work to meet the educational needs of student-athletes to allow them to excel in all areas of their lives. The conference office manages 27 different championships and tournaments, offers legislative and compliance services, oversees the production and distribution of more than 2,000 events annually, provides staff services to coaching and administrative personnel, and remains a vital resource for media and fans seeking information on the Big Ten.

More than 125 years after its inception, the Big Ten remains a national leader in intercollegiate athletics on and off the field. Big Ten programs have combined to win more than 450 team and 1,800 individual national championships, consistently taking home individual honors for athletic and academic accomplishments and fulfilling the Big Ten's mission of academic achievement and athletic success.

The Big Ten has over 6.4 million alumni, the most of any conference in the nation.

BIG LIFE. BIG STATE. BIG TEN.

Since its inception in 1896, the pursuit and attainment of academic excellence has been a priority for every Big Ten member institution. But maintaining the conference's standard of competing at the highest level in athletics also endures as an important component of the Big Ten experience. Striking that balance between academics and athletics is integral to the Big Ten's identity. Recognized as one of intercollegiate sports' most successful undertakings, the Big Ten strives for success from its students not only on the field and in the classroom, but around the world as well.

PREMIER ACADEMIC INSTITUTIONS

The Big Ten Academic Alliance is an academic consortium of all 14 Big Ten universities, which is widely considered to be the model for effective and voluntary collaboration among top research universities.

Every Big Ten Academic Alliance institution ranks among the top 70 universities in the nation according to the 2023 Academic Ranking of World Universities, including six in the top 30.

The Big Ten leads all conferences with more than 1,900 Academic All-Americans, including 51 honorees during the 2022-23 academic year.

Big Ten Academic Alliance schools annually conduct \$10 billion in funded research, \$5 billion more than any other conference.

A HISTORY OF ATHLETIC SUCCESS

Big Ten schools have won at least five national championships in 25 of the last 29 years, averaging nearly seven per year during that span.

Since the 2005-06 academic year, current Big Ten institutions have claimed 114 team national championships in 26 different sports.

BROAD-BASED PROGRAMMING

The Big Ten will administer more than \$240 million in direct financial support to more than 9,800 students competing in intercollegiate athletics for more than 11,000 participation opportunities on 350 teams in 42 different sports.

The Big Ten sponsors 28 official conference sports, 14 for men and 14 for women, including the addition of men's ice hockey and men's and women's lacrosse in this decade.

The Big Ten leads the nation in total students competing in intercollegiate athletics and participation opportunities, and sponsors more official sports than all conferences except the Ivy League.

More than 1,500 Big Ten competitors have participated in the Olympics, winning more than 500 medals, including more than 200 gold. The Big Ten Conference enjoyed its finest performance at a single Olympic Games during the 2020 Summer Olympics in Tokyo, Japan, as athletes with Big Ten ties set conference records by earning 51 total medals and 22 gold medals during the 17-day competition. All 14 Big Ten member schools had an athlete win at least one medal in Tokyo, also a first in conference history. Big Ten Olympians collected nearly 80 medals in the most recent games in PyeongChang and Beijing.

PASSIONATE FOLLOWING

The Big Ten leads all conferences with 6.4 million alumni and nearly 675,000 students.

Each year more than 11 million patrons attend Big Ten home contests, as the conference has led the nation in attendance for men's basketball, ice hockey, volleyball and wrestling.

LEADERS IN INNOVATION

Took part in the nation's first bowl game, winning the 1902 Rose Bowl Game, and signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl with permanent conference affiliations.

Awarded the first Big Ten Medal of Honor in 1915, honoring outstanding seniors who demonstrated excellence in academics and athletics.

Formed the Big Ten Advisory Commission in 1972, enlisting former students that competed in conference athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

Became the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

Implemented the first collegiate football system of instant replay in 2004, which the NCAA approved for use among all conferences in 2006.

Launched the Big Ten Network (BTN) in 2007, the first national conference-owned television network.

Began partnering with the Ivy League to study the effects of head injuries in sports in 2012.

Accepted Johns Hopkins University as the conference's first sport affiliate members in men's and women's lacrosse in 2013 and 2015, respectively, and added Notre Dame as a sport affiliate member in men's ice hockey in 2017.

EXTENSIVE TELEVISION EXPOSURE

Through the Big Ten's new media agreements with BTN, CBS, FOX and NBC/Peacock, more than 2,300 Big Ten events are produced and distributed nationally and globally on an annual basis. The Big Ten is the only conference to distribute games on three over-the-air broadcast networks.

BTN reaches more than 50 million homes and is also available via the Fox Sports App, delivering live and on-demand programming to computers, smartphones and tablets. B1G+ streams more than 1,700 additional events each season.

COMMUNITY INVOLVEMENT

For more than 30 years, through the Big Ten's SCORE (Success Comes Out of Reading Everyday) program, the conference has partnered with Chicago elementary schools to improve reading performance.

Surrounding the Big Ten Football Championship Game and Basketball Tournaments, the conference has held numerous community initiatives, partnered with the College Football Playoff Foundation and other events such as the Big Ten Career Expo, SaturDAY of Service and Youth Football Clinics. In addition, the Big Ten has hosted a downtown 5K, collaborated with a local breast cancer awareness group and provided unique event experiences for military veterans.

COMMISSIONER TONY PETITTI

The Big Ten Conference Council of Presidents and Chancellors (COPC) voted unanimously on April 11, 2023, to select Tony Petitti as the seventh commissioner in conference history. Commissioner Petitti joins an esteemed lineage of Big Ten Conference Commissioners, beginning with John Griffith (1922-45), Tug Wilson (1945-61), Bill Reed (1961-71), Wayne Duke (1971-89), Jim Delany (1989-2020) and Kevin Warren (2019-23).

Commissioner Petitti officially began his tenure with the Big Ten Conference on May 15, 2023. He is based out of the Rosemont (Ill.) office.

Petitti is a proven leader who brings nearly four decades of sports, business and media industry acumen to the Big Ten Conference. He served as deputy commissioner and chief operating officer of Major League Baseball and president and chief executive officer of MLB Network.

A 14-time National Sports Emmy Award winner, Petitti has held senior executive roles at CBS Sports and ABC Sports overseeing rights acquisition deals for a variety of sports leagues and collegiate and professional sports events, including the NCAA Men's Basketball Tournament, regular season men's basketball, college football, NFL, PGA Tour, the Masters, U.S. Open Tennis Championships, and the Little League World Series, as well as assisting in the creation of the Bowl Championship Series to determine college football's national champion.

Most recently Petitti was recruited by Liberty Media and The Baupost Group to serve as an advisor to evaluate sports and media properties, including the launch of The 33rd Team, a digital content company covering the NFL where he was installed as the co-chief executive officer.

As Deputy Commissioner and Chief Operating Officer for Major League Baseball from 2014-2020, Petitti was involved in all aspects of MLB including leading broadcast and digital media, special events (All-Star Game, Home Run Derby, MLB postseason scheduling and operations), MLB Network, MLB social media, consumer products and licensing, marketing, youth development, international, and security. He closely collaborated with 30 MLB team owners and presidents, and key business and operational partners to incorporate ideas and feedback to improve the creation and execution of strategic initiatives. Petitti also participated on MLB's Competition Committee.

As President and Chief Executive Officer of MLB Network from 2008-2014, Petitti led the imagination, creation, buildout and launch of MLB Network in 50 million homes which, at the time, was the largest launch of a cable network in history. Petitti's vision touched every aspect of content and operations including programming, on-air talent, production team, studio creation, and supporting facilities.

Prior to MLB, Petitti was the executive vice president of CBS Sports from 2002-2008. He led the sports programming division and had added responsibility as executive producer for all CBS Sports telecasts. From 1999 to 2002, Petitti served as vice president and general manager of WCBS-TV New York. While at WCBS-TV, Petitti oversaw the transformation and reshaping of the CBS flagship station, including acquiring the over-the-air rights to broadcast New York Yankees games. In addition to his work at WCBS-TV, Petitti also continued his association with CBS Sports as special advisor to the president of the division. Petitti joined CBS Sports as senior vice president, business affairs and programming in February 1997. His responsibilities includ-

ed managing the division's programming and business affairs activities, including all contract negotiations and future acquisitions. Prior to CBS, Petitti held multiple positions at ABC Sports from 1988-1996, including vice president, programming, where he oversaw the acquisition and scheduling of ABC Sports programming, including college football regular-season and bowl games, college basketball, track and field, the Little League World Series and NASCAR events. Petitti joined ABC Sports in 1988 as a general attorney. Prior to ABC Sports, Petitti spent two years at the law firm of Cadwalader, Wickersham and Taft.

Petitti earned an economics degree from Haverford College in 1983. At Haverford College in Pennsylvania, Petitti played catcher for the baseball team. He graduated from Harvard Law School in 1986. He has two daughters, Danielle, a graduate of Vanderbilt University who resides in London, England and Ally, a graduate of the University of Southern California who resides in Los Angeles.

For 23 seasons from 1959-81, Big Ten standings were determined by regular season games between Michigan, Michigan State, Minnesota and Wisconsin while playing in another conference. Ohio State played a total of six games against Big Ten schools between 1969 and 1981. Conference-sponsored men's ice hockey was discontinued following the 1980-81 season then became an officially-sponsored conference sport for the 2013-14 season.
