BIG TEN. BIG NEWS.

- The Big Ten will tip off its 119th season tonight, as 10 teams take the court, with the four remaining teams opening play on Tuesday. By the end of the week, all 14 teams will have played at least two games.
- Six Big Ten teams were recognized in the preseason AP and USA Today/Coaches Polls, announced on Oct. 16. The AP Top 25 included Purdue at No. 3, Michigan State at No. 4 and Illinois at No. 25, while the Coaches Poll listed the Boilermakers at No. 2 and the Spartans at No. 4. Illinois, Indiana, Maryland, Ohio State, and Wisconsin also received votes in one or both polls.
- For the sixth consecutive year, each Big Ten Conference member institution will compete in a 20-game conference schedule. The Big Ten Conference season begins Friday, Dec. 1, when Maryland visits Indiana and Northwestern hosts Purdue, the first of 12 conference games played between Dec. 1-10. Following a break in conference play, Big Ten action will resume on Jan. 2. During the conference season, schools will play seven teams twice -- once at home and once on the road -- and six teams once, with three of those games being at home and the other three away.
- The 27th annual Big Ten Tournament will be played at the Target Center in Minneapolis between March 13th – 17th, 2024, marking the first time the tournament has been played in Minneapolis. All 14 teams will advance to the tournament, with two 1st round games slated for Wednesday, March 13th. The top four teams will receive 1st and 2nd round byes and advance to the quarterfinals on Friday, March 15th.
- A Big Ten media panel has chosen 2023 Consensus National Player of the Year Zach Edey as 2023-24 Big Ten Men's Basketball Player of the Year. The league's reigning Player of the Year, Edey became the first Boilermaker since Glen Robinson in 1994 to win National Player of the Year accolades and the fifth Big Ten Player in the last 14 years to be named National Player of the Year joining Evan Turner (2010), Trey Burke (2013), Frank Kaminsky (2015) and Luka Garza (2021) as National Players of the Year.
- The media panel also selected the 2023-24 Preseason All-Big Ten Team. Edey joined Illinois' Terrence Shannon Jr., Maryland's Jahmir Young, and Northwestern's Boo Buie as unanimous selections. Also named to the team were Maryland's Julian Reese, Minnesota's Dawson Garcia, Michigan State's A.J. Hoggard and Tyson Walker, Nebraska's Keisei Tominaga, and Rutgers' Clifford Omoruyi. All ten members of the 2023-24 Preseason All-Big Ten Team received All-Big Ten honors following the 2022-23 campaign. Buie and Shannon joined Edey with First Team accolades, while Omoruyi, Walker, and Young were named to the Second Team. Hoggard earned a spot on the Third Team, with Garcia, Reese, and Tominaga receiving Honorable Mention.
- The Naismith Basketball Hall of Fame recently announced the preseason watch lists for its national player of the year awards at the five traditional court positions. Sixteen student-athletes from 12 different Big Ten schools were named to the preseason watch lists at all five positions.
- The Purdue Boilermakers earned their 25th Big Ten championship with a 15-5 record. Their three-game cushion in the standing was the largest separation since 1998. The Boilermakers also won the 2023 Big Ten Tournament, the program's second tournament victory, with a 67-65 win over Penn State. Edey was named Jim and Kitty Delany Most Outstanding Player after recording 30 points on 12-17 shooting from the field and 13 rebounds, both game highs, in just 28 minutes of action.
- Eleven of the Big Ten's 14 teams were selected to participate in the 2023 postseason, with eight appearing in the NCAA Tournament and three in the NIT. Maryland, Illinois, Indiana, Iowa, Michigan State, Northwestern, Penn State, and Purdue competed in the NCAA Tournament, marks the fourth consecutive year that at least eight Big Ten teams have been selected for the tournament. Only 14 times has a conference received at least eight bids to the tournament, with the Big Ten accounting for four of those, each in the last four tournaments. Michigan, Rutgers and Wisconsin were also selected to compete in the NIT.
- Eight Big Ten players were selected in the 2023 NBA Draft in June, including five first round picks. This is the fourth time since 2000 that at least eight Big Ten players have been drafted (2000, 2018, 2022, 2023) and first time since 2014 that five former Big Ten players have come off the board in the first round.

Since its inception in 1896, the pursuit and attainment of academic excellence has been a priority for every Big Ten member institution. But maintaining the conference's standard of competing at the highest level in athletics also endures as an important component of the Big Ten experience. Striking that balance between academics and athletics is integral to the Big Ten's identity. Recognized as one of intercollegiate sports' most successful undertakings, the Big Ten strives for success from its students not only on the field and in the classroom, but around the world as well.

PREMIER ACADEMIC INSTITUTIONS

The Big Ten Academic Alliance is an academic consortium of all 14 Big Ten universities, which is widely considered to be the model for effective and voluntary collaboration among top research universities.

Every Big Ten Academic Alliance institution ranks among the top 70 universities in the nation according to the 2023 Academic Ranking of World Universities, including six in the top 30.

The Big Ten leads all conferences with more than 1,900 Academic All-Americans, including 51 honorees during the 2022-23 academic year.

Big Ten Academic Alliance schools annually conduct \$10 billion in funded research, \$5 billion more than any other conference.

A HISTORY OF ATHLETIC SUCCESS

Big Ten schools have won at least five national championships in 25 of the last 29 years, averaging nearly seven per year during that span.

Since the 2005-06 academic year, current Big Ten institutions have claimed 114 team national championships in 26 different sports.

BROAD-BASED PROGRAMMING

The Big Ten will administer more than \$240 million in direct financial support to more than 9,800 students competing in intercollegiate athletics for more than 11,000 participation opportunities on 350 teams in 42 different sports.

The Big Ten sponsors 28 official conference sports, 14 for men and 14 for women, including the addition of men's ice hockey and men's and women's lacrosse in this decade.

The Big Ten leads the nation in total students competing in intercollegiate athletics and participation opportunities, and sponsors more official sports than all conferences except the Ivy League.

More than 1,500 Big Ten competitors have participated in the Olympics, winning more than 500 medals, including more than 200 gold. The Big Ten Conference enjoyed its finest performance at a single Olympic Games during the 2020 Summer Olympics in Tokyo, Japan, as athletes with Big Ten ties set conference records by earning 51 total medals and 22 gold medals during the 17-day competition. All 14 Big Ten member schools had an athlete win at least one medal in Tokyo, also a first in conference history. Big Ten Olympians collected nearly 80 medals in the most recent games in PyeongChang and Beijing.

PASSIONATE FOLLOWING

The Big Ten leads all conferences with 6.4 million alumni and nearly 675,000 students.

Each year more than 11 million patrons attend Big Ten home contests, as the conference has led the nation in attendance for men's basketball, ice hockey, volleyball and wrestling.

LEADERS IN INNOVATION

Took part in the nation's first bowl game, winning the 1902 Rose Bowl Game, and signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl with permanent conference affiliations.

Awarded the first Big Ten Medal of Honor in 1915, honoring outstanding seniors who demonstrated excellence in academics and athletics.

Formed the Big Ten Advisory Commission in 1972, enlisting former students that competed in conference athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

Became the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

Implemented the first collegiate football system of instant replay in 2004, which the NCAA approved for use among all conferences in 2006.

Launched the Big Ten Network (BTN) in 2007, the first national conference-owned television network.

Began partnering with the Ivy League to study the effects of head injuries in sports in 2012.

Accepted Johns Hopkins University as the conference's first sport affiliate members in men's and women's lacrosse in 2013 and 2015, respectively, and added Notre Dame as a sport affiliate member in men's ice hockey in 2017.

EXTENSIVE TELEVISION EXPOSURE

Through the Big Ten's new media agreements with BTN, CBS, FOX and NBC/Peacock, more than 2,300 Big Ten events are produced and distributed nationally and globally on an annual basis. The Big Ten is the only conference to distribute games on three over-the-air broadcast networks.

BTN reaches more than 50 million homes and is also available via the Fox Sports App, delivering live and on-demand programming to computers, smartphones and tablets. B1G+ streams more than 1,700 additional events each season.

COMMUNITY INVOLVEMENT

For more than 30 years, through the Big Ten's SCORE (Success Comes Out of Reading Everyday) program, the conference has partnered with Chicago elementary schools to improve reading performance.

Surrounding the Big Ten Football Championship Game and Basketball Tournaments, the conference has held numerous community initiatives, partnered with the College Football Playoff Foundation and other events such as the Big Ten Career Expo, SaturDAY of Service and Youth Football Clinics. In addition, the Big Ten has hosted a downtown 5K, collaborated with a local breast cancer awareness group and provided unique event experiences for military veterans.
