BIG TEN. BIG NEWS.

- 79 Big Ten volleyball matches will be televised nationally on Big Ten Network, FOX, FS1, NBC and Peacock for the 2025 season. Big Ten Network will broadcast at least 63 matches, featuring all 18 conference schools. NBC will broadcast two matches this fall: UCLA vs. USC on Saturday, October 11 at 3:30 p.m. ET, and Minnesota vs. Nebraska on Saturday, November 8 at 3:30 p.m. ET. Both matches will also be streamed live on Peacock.
- Seven Big Ten volleyball programs were among this week's AVCA/TARAFLEX Top 25, announced on Monday: #1 Nebraska, #5 Penn State, #8 Wisconsin, #14 Minnesota, #17 Purdue, #19 UCLA and #22 USC. Oregon received votes in the poll for the second consecutive week. Nebraska was a unanimous No. 1 selection.
- On Sunday, #1 Nebraska reverse-swept #7 Kentucky at the Broadway Block Party in Nashville, Tenn. It marked Nebraska's first reverse sweep win since November 3, 2023, and first against a top 10 team since the 2018 Final Four match against Illinois.
- Nebraska's Harper Murray and Rebekah Allick and USC's Leah Ford were named to Michella Chester's Starting Rotation for Week 1.
- Senior Mimi Colyer surpassed 1,500 kills in Wisconsin's match vs. Texas on Sunday. Colyer is second among active Division I players with 1,501 career kills.
- Illinois head coach Chris Tamas earned his 150th win as a head coach, all of which have come at the helm of the Fighting Illini. Tamas is the fourth head coach in program history to reach the milestone.
- Northwestern began its season 3-0 for the first time since 2022. The Wildcats went on to win their first seven matches of that season.
- Iowa won its first three matches to begin the 2025 campaign. The Hawkeyes last started their season 3-0 in 2019. With a win on Thursday, it would be the first time Iowa has started a season 4-0 since 2016.
- No. 17 Purdue opens its home schedule with the Stacey Clark Classic, a three-day, four-team tournament featuring three top-25 programs, including the Boilermakers. Purdue has won every Stacey Clark Classic since the tournament was dedicated to Boilermaker fan Stacey Clark in 2016. Purdue is 21-0 in Stacey Clark Classic matches and will look to remain perfect, playing No. 23 Georgia Tech, No. 15 Kansas and Bowling Green.
- Match times for the 2025 NCAA Volleyball National Semifinals and National Championship in Kansas City were announced on Tuesday. Semifinal matches will be played on Thursday, December 18, at 6:30 p.m. ET and 30 minutes following the first match on ESPN. The National Championship will be on Sunday, December 21, with first serve on ABC at 3 p.m. ET.
- The Big Ten led the nation in attendance for the 17th consecutive season in 2024. The conference totaled 918,615 fans across 267 matches, which was over 440,000 more fans than the ACC, who finished second in attendance rankings, and over 470,000 more fans than the SEC (3rd). The Big Ten averaged 3,215 fans per match, the only conference to surpass the 3,000 threshold.
- The We Give Blood drive turns school pride into life-saving purpose. Powered by Abbott and the Big Ten, this is the largest blood donation competition of our time - tackling the national blood shortage. Students, fans, alumni and communities across the country are backing their favorite Big Ten schools by donating blood. Every donation can help save up to three lives - and bring your school one step closer to winning \$1 million to advance student or community health. You can find any blood center or mobile drive in the U.S. to donate blood between August 27 and December 5 and upload proof of donation at BigTen.Org/Abbott or text DONATE to Abbott (222688) and follow the prompts. Messaging and data rates may apply.

BIG LIFE. BIG STAGE. BIG TEN.

The Big Ten Conference held its fourth annual Big Ten Volleyball Media Days on July 28-29 at Big Ten Network studios in Chicago and remains as the only collegiate conference to host an in-person preseason volleyball media event.

BIG LIFE. BIG STAGE. BIG TEN.

The Big Ten Conference has led the nation in volleyball attendance each of the past 17 full seasons, as well as 20 times in the 26 seasons (1998-present) that the NCAA has tracked volleyball attendance.

Big Life. Big Stage. Big Ten.

Since its inception in 1896, the pursuit and attainment of academic excellence has been a priority for every Big Ten member institution. But maintaining the conference's standard of competing at the highest level in athletics also endures as an important component of the Big Ten experience. Striking that balance between academics and athletics is integral to the Big Ten's identity. Recognized as one of intercollegiate sports' most successful undertakings, the Big Ten strives for success from its students not only on the field and in the classroom, but around the world as well.

PREMIER ACADEMIC INSTITUTIONS

The Big Ten Academic Alliance is an academic consortium of all 18 Big Ten universities, which is widely considered to be the model for effective and voluntary collaboration among top research universities.

Every Big Ten Academic Alliance institution ranks among the top 105 universities in the nation according to the 2025 Academic Ranking of World Universities, including 11 in the top 40.

The Big Ten leads all conferences with more than 2,000 Academic All-Americans, including 94 honorees during the 2024-25 academic year.

Big Ten Academic Alliance schools annually conduct more than \$17 billion in funded research.

A HISTORY OF ATHLETIC SUCCESS

Big Ten schools have won at least five national championships in 25 of the last 30 years, averaging nearly seven per year during that span. The Big Ten set a record in 2024-25, winning 14 national championships.

Since the 2005-06 academic year, current Big Ten institutions have claimed 128 team national championships in 26 different sports.

BROAD-BASED PROGRAMMING

Big Ten institutions support more than 14,000 participation opportunities on 350 teams in 42 different sports.

The Big Ten sponsors 28 official conference sports, 14 for men and 14 for women.

The Big Ten leads the nation in total students competing in intercollegiate athletics and participation opportunities, and sponsors more official sports than all conferences except the Ivy League.

Nearly 2,000 Big Ten competitors have participated in the Olympics, winning more than 600 medals, including more than 200 gold. The Big Ten Conference enjoyed its finest performance at a single Olympic Games during the 2024 Summer Olympics in Paris, France, as athletes with Big Ten ties set conference records by earning 98 total medals and 27 gold medals during the 17-day competition, surpassing the previous mark of 51 medals at the 2020 Summer Games in Tokyo, Japan. All 18 Big Ten member schools were represented at the 2024 Summer Games, competing for 64 nations in 17 sports.

PASSIONATE FOLLOWING

The Big Ten leads all conferences with more than 9.4 million alumni and nearly 823,000 students.

Big Ten men's and women's basketball combined for 4.9 million fans in their home arenas throughout the 2024-25 season and paced the nation in total attendance. All seven of the Big Ten ice hockey teams also ranked in the top 20 nationally in average attendance.

In 2024-25, the four most viewed college football games of the season featured Big Ten teams, as did seven of the top 10, and 12 of the top 20. Three broadcast television partners – CBS, FOX and NBC – had at least one Big Ten matchup with more than 9.5 million viewers. Twenty-one Big Ten football games had an audience of more than five million viewers.

EXTENSIVE TELEVISION EXPOSURE

Through the Big Ten's current media agreements with BTN, NBC, Peacock, CBS and FOX, more than 2,000 Big Ten events are produced and distributed nationally and globally on an annual basis.

BTN is carried by all major video distributors across the United States and Canada and is also available via the Fox Sports App, delivering live and on-demand programming to computers, smartphones and tablets. B1G+, the network's subscription streaming services, provides access to more than 2,700 additional events each season.

LEADERS IN INNOVATION

Took part in the nation's first bowl game, winning the 1902 Rose Bowl Game, and signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl with permanent conference affiliations.

Awarded the first Big Ten Medal of Honor in 1915, honoring outstanding seniors who demonstrated excellence in academics and athletics.

Formed the Big Ten Advisory Commission in 1972, enlisting former students that competed in conference athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

Became the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

Launched the Big Ten Network (BTN) in 2007, the first national conference-owned television network.

Began partnering with the Ivy League to study the effects of head injuries in sports in 2012.

Twenty years after adding instant replay in 2004, announced a state-of-the-art replay center, featuring 18 dedicated replay bays and six dedicated medical observation stations.

Championed new legislation for football permitting coach-to-player helmet communication and the use of sideline video by student-athletes, and coaches, both of which were introduced in the fall of 2024.

COMMUNITY & IMPACT

The Big Ten Conference is dedicated to making a lasting impact on the communities where its major events are held. In recent years, the conference has hosted sports clinics, renovated recreation centers and given elementary-aged children the chance to experience major Big Ten events.

Around the Big Ten Football Championship Game and Basketball Tournaments, the conference focuses on creating meaningful improvements, aiming to leave each location better than it was found.

Moving forward, the Big Ten will continue to collaborate with the College Football Playoff Foundation, local sports organizations and school district foundations to enhance spaces for teachers and children and provide educational opportunities for youth.

BIG TEN X ABBOTT - THE WE GIVE BLOOD DRIVE

The We Give Blood drive turns school pride into life-saving purpose. Powered by Abbott and the Big Ten, this is the largest blood donation competition of our time - tackling the national blood shortage.

Students, fans, alumni and communities across the country are backing their favorite Big Ten schools by donating blood. Every donation can help save up to three lives - and bring your school one step closer to winning \$1 million to advance student or community health.

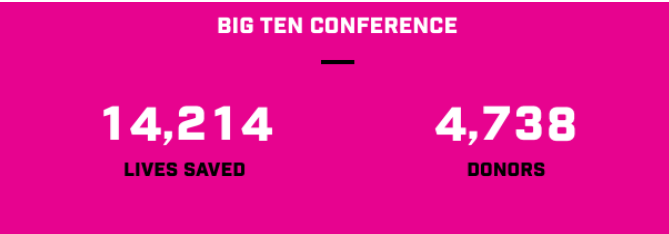

You can find any blood center or mobile drive in the U.S. to donate blood between August 27 and December 5 and upload proof of donation at BigTen.Org/Abbott or text DONATE to Abbott (222688) and follow the prompts. Messaging and data rates may apply.

The top school will be announced at the 2025 Discover® Big Ten® Football Championship Game on December 6, 2025.
