

OHIO STATE WOMEN'S VOLLEYBALL

3 BIG TEN CHAMPIONSHIPS • 25 NCAA TOURNAMENT APPEARANCES
23 AVCA ALL-AMERICANS • 5 BIG PLAYERS OF THE YEAR (6 AWARDS)

2025 BIG TEN MEDIA DAY - JULY 29 IN CHICAGO, ILL.

Team 56

- This is the 56th team in program history.
- The Buckeyes begin the sixth season under the direction of Head Coach Jen Flynn Oldenburg. With the departure of last season's fifth-year student-athletes (Emily Londot and Rylee Rader), the team is comprised entirely of Oldenburg's recruits for the first time.
- The Buckeyes added two new assistant coaches prior to the spring season - Fiona Fonoti and Skylar Lopas. Fonoti was most recently an assistant coach and recruiting coordinator at Kansas State. Lopas was the head coach at Flagler College for three years before joining the Buckeyes.
- **Returns:** The Buckeyes return 10 student-athletes from the 2024 roster, including junior setter Mia Tuman (page 5) and sophomore defensive specialist Olivia Hasbrook (page 4), who started last season and are in attendance today. Zaria Ragler is the longest tenured Buckeye, heading into her fourth season, while Kamiah Gibson, Kaitlyn Hoffman and Tuman all begin their third season in the Scarlet & Gray. Kaia Castle, Hasbrook, Ava Shankle, Ella Wrobel, Reese Wuebker and Abby Yoder are heading into their second year within Oldenburg's system, though some took a redshirt in 2024.
- **Freshmen:** Ohio State adds three freshmen to its ranks ahead of the fall season. Na'Vea Gauthier graduated high school early, joining the Buckeyes for the spring semester, while Mina Gunes and Mia Stahler join Ohio State this summer.
- **New Transfers:** The Buckeyes are bringing in four transfers with a great deal of collegiate playing experience under their belts. Hannah Jones joined the Buckeyes for the spring semester. Jones is a junior after playing two seasons at Memphis. Ashley Carr, Magdalena Juric and Sydney Wyman all join Ohio State this summer. Carr is a redshirt senior and spent the past four seasons at Miami (FL). Juric is entering her

seventh year of college after a pair of redshirt seasons and COVID-19 delayed the start of her collegiate career. She has spent time at CSUN, Washington State and GCU prior to coming to Columbus. Wyman spent her freshman season at Nevada and the next three at Morehead State before becoming a Buckeye.

Buckeye Nation's Support

- Buckeye fans continue to support Oldenburg's squad, averaging more than 3,500 fans per home event each of the past three seasons.
- Ohio State played its first match in the Schottenstein Center in program history last season, breaking the program record with 8,844 fans in attendance on Oct. 13 against Michigan. The previous record was 5,402 fans on Nov. 15, 1991 when matches took place at St. John's Arena.
- The past four seasons boast the four highest overall and home attendance averages in program history. In each of those four seasons, the home attendance average is hundreds of people higher than the overall attendance.

Buckeyes' 2025 Opponents

- Ohio State will face 10 teams who played in the 2024 NCAA Tournament, eight of which are Big Ten teams.
- The Buckeyes will face Penn State, the reigning national champions, twice, in addition to a Nebraska team that made the final four and a Wisconsin team that played in the regional finals.
- Florida, Oregon and Purdue also made regional semifinals appearances, bringing the Buckeyes' total to facing six of the final 16 teams from last season's bracket.
- Other 2024 NCAA Tournament teams on OSU's schedule include Illinois, Miami FL, Minnesota and Washington.

Jen Flynn Oldenburg

Head Coach

Sixth Season

Ohio State '01

Jen Flynn Oldenburg, a former four-year standout for the Buckeyes, returned to Columbus as the head coach of the Ohio State women's volleyball program on Jan. 17, 2020. Oldenburg is the sixth head coach in Buckeyes' program history.

Oldenburg was elected to serve as the AVCA President in 2025.

In June 2020, Oldenburg was selected to join the Big Ten's Anti-Hate and Anti-Racism Coalition as one of eight Ohio State representatives. The goal of the Coalition is to seek tangible ways to actively and constructively combat racism and hate around the world while also empowering student-athletes to express their rights to free speech and peaceful protest.

In 2024, the Buckeyes finished 14-16 overall and were 7-13 in conference play. Ohio State earned a sweep against Mi-

ami FL when the 'Canes were ranked No. 20 as the highlight to a 7-3 non-conference slate. Following the season, graduate student Emily Londot was named AVCA All-Region for the fifth time in her career and once again earned All-Big Ten First Team honors before being selected 10th overall in the 2024 PVF Draft by the Omaha Supernovas. She was also named CSC Academic All-District. Ohio State had 10 student-athletes named Academic All-Big Ten despite the large freshman class being ineligible for the award.

Ohio State set attendance records in two venues in 2024. The Buckeyes drew the program's largest-ever attendance of 8,844 as OSU played in the Schottenstein Center for the first time in program history, facing Michigan. Less than one week later, the Buckeyes broke their Covelli attendance record with 4,156 at the Nebraska match.

In 2022, Oldenburg took the veteran group to the NCAA Elite Eight for the fourth time in program history and first time since the 2004 season, finishing with a 22-10 overall record amidst one of the toughest schedules in the country. The Buckeyes finished 15-5 in conference play, earned nine ranked wins and strung together a 14-match win streak. For the first time in program history, Ohio State was ranked in the AVCA top-10 for the entire season, outdoing its previous record set in 2021. The Buckeyes also won three-consecutive matches against top-10 opponents for the first time in program history.

Also for the first time in pro-

gram history, the Buckeyes had the Big Ten Defensive Player of the Year (Kylie Murr) and the Big Ten Setter of the Year (Mac Podraza). Emily Londot joined Podraza on the AVCA All-American Second Team, while Murr received an honorable mention. The trio was also named AVCA All-Region and All-Big Ten First Team, with Londot earning AVCA Northeast Region Player of the Year and Gabby Gonzales getting an all-region honorable mention. Gonzales and Rylee Rader were named All-Big Ten Second Team. For their efforts in the classroom, 11 Buckeyes were named Academic All-Big Ten.

Oldenburg led the program to its second-consecutive NCAA Sweet 16 appearance in the fall of 2021 after hosting the first two rounds of the NCAA Tournament in Columbus for the first time since 2015 and the first time ever in the Covelli Center. This was the 18th regional appearance in program history. The Buckeyes concluded the season with a 27-6 record and a 15-5 mark in Big Ten matches, earning five ranked wins and concluding the regular season on a seven-match win streak.

Ohio State spent 14-consecutive weeks in the AVCA top-10, which is a program record, with the previous record being 10-straight weeks in the top-10 in 2004.

Ohio State had plenty of post-season awards and honors to show for a successful fall 2021 season. Rylee Rader was named AVCA All-American Second Team, while Mac Podraza made the third team and Emily Londot received an honorable mention. For the second-consecutive season, the Buckeyes had the AVCA Regional Freshman of the Year, while Londot, Podraza and Rader were all on the AVCA All-Region list and Kylie Murr was an honorable mention. Murr and Podraza also were selected to the 2022 Women's Collegiate National Team. The Buckeyes had two on the All-Big Ten First Team, one on the second team and one on the freshmen team. On the academic side, 15 student-athletes were named Ohio State Scholar Athletes and 13 were named Academic All-Big Ten following the 2021-22 school year.

Though the Buckeyes' first season with Oldenburg as head coach was moved to the spring of 2021 and shortened because of the pandemic, Ohio State enjoyed much success. The Buckeyes won their first 12 matches of the season and finished 16-4 overall, reaching the Sweet 16. Oldenburg was named Big Ten Coach of the Year.

Oldenburg graduated from Ohio State in 2001 with a bachelor's degree in sport and leisure studies and spent the 2001 season on staff as a volun-

teer assistant coach for the Buckeyes. During her time on the court from 1996-99, she recorded 3,213 career assists (7th) and 1,138 digs (12th) to secure her place in the program's history book. She handed out 1,587 assists during the 1997 campaign to check in at No. 4 among OSU's single-season leaders.

Oldenburg led Ohio State to four consecutive NCAA Tournament appearances and was the first conference player to be named All-Big Ten at two different positions (setter and outside hitter). In the classroom, she received OSU Scholar-Athlete laurels every year and was a three-time Academic All-Big Ten honoree.

Following her undergraduate career, Oldenburg went on to be the starting setter for the USA National Team and led the squad to a silver medal at the 2002 World Championship. She also started for the Grand Rapids Force (USPV) and played on the USPV "Dream Team," starting at setter for the Millennium Cup Champion USPV All-Stars, where she was named to the all-tournament team.

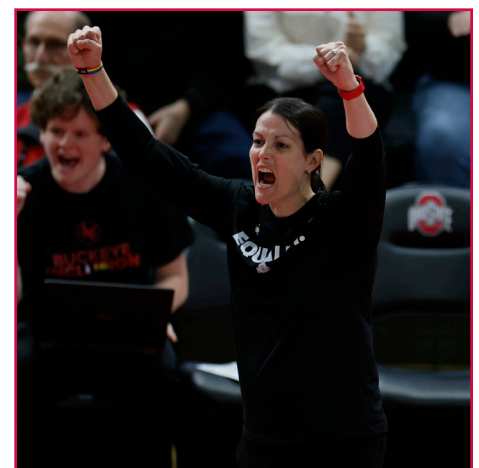

The Pittsburgh, Pa., native is coming back to the Buckeye State after spending six years as the club/associate director of the Pittsburgh Elite Volleyball Association. She was responsible for the day-to-day operations of the club, handled recruitment for potential collegiate athletes and worked as a private lessons instructor.

Oldenburg returned to her Buckeye roots in 2019 when she joined former Ohio State

head coach Jim Stone's staff as an assistant coach for the USA Volleyball Girls Youth National Team. She helped coach the U18 team to a world championship title in Cairo, Egypt, securing the first gold medal for a U.S. age-group team at that event.

Prior to her time in Pittsburgh, Oldenburg spent nine seasons (2003-12) at the University of Illinois as an assistant coach for the women's volleyball team. She had a hand in all aspects of the program during her tenure, focusing on recruiting, on-court training, travel and summer camps while serving as a liaison for multiple entities throughout the athletics department. Her work with the team's serving and passing as well as the defensive specialists was instrumental in leading the Illini to four-straight NCAA Sweet Sixteen appearances and the NCAA runner-up finish in 2011. Five of her players earned All-America honors and nine different players have received 13 first team All-Big Ten honors.

Oldenburg and her husband, Steve, have two children – Maverick and Kassidy.

Olivia Hasbrook

**Sophomore
Defensive Specialist
Eureka, Mo.**

CAREER HONORS

- OSU Scholar Athlete (2025)

YEAR-BY-YEAR

2024 (Freshman)

- Was one of three Buckeyes to play in all 117 sets this season
