\* - includes statistics prior to Big Ten competition

**NOTES:** Student-athletes must complete at least one Big Ten softball season to qualify for statistical ranking (the Big Ten incorporated softball in 1982, Penn State joined the conference in 1992, Nebraska joined in 2012, and Maryland and Rutgers joined in 2015) ... records based on information provided by member schools (updates may be submitted to Chris Masters in the Big Ten Communications office at [cmasters@bigten.org](mailto:cmasters@bigten.org)) ... special thanks to Ryan Kelley, Wendy Mayer and Hannah Jones for their help in compiling these records.

*NOTES: Individual and team overall single-game records on pages 342-348 ... the 2021 regular season was modified due to local guidelines/restrictions resulting from the COVID-19 pandemic - schools played only conference games (3-4 games vs. every other Big Ten member), resulting in every school playing a larger than normal conference schedule (40-44 games compared to normal 23-game Big Ten season) ... student-athletes must complete at least one Big Ten softball season to qualify (Big Ten incorporated softball in 1982, Penn State joined in 1992, Nebraska in 2012, and Maryland and Rutgers in 2015) ... records based on information provided by member schools (updates may be submitted to Chris Masters in the Big Ten Communications office at [cmasters@bigten.org](mailto:cmasters@bigten.org)).*
