# COMMISSIONER TONY PETITTI

The Big Ten Conference Council of Presidents and Chancellors (COPC) voted unanimously on April 11, 2023, to select Tony Petitti as the seventh commissioner in conference history. Commissioner Petitti joins an esteemed lineage of Big Ten Conference Commissioners, beginning with John Griffith (1922-45), Tug Wil-

son (1945-61), Bill Reed (1961-71), Wayne Duke (1971-89), Jim Delany (1989-2020) and Kevin Warren (2019-23).

Commissioner Petitti officially begins his tenure with the Big Ten Conference on May 15, 2023.

Petitti is a proven leader who brings nearly four decades of sports, business and media industry acumen to the Big Ten Conference. He served as deputy commissioner and chief operating officer of Major League Baseball and president and chief executive officer of MLB Network.

A 14-time National Sports Emmy Award winner, Petitti has held senior executive roles at CBS Sports and ABC Sports overseeing rights acquisition deals for a variety of sports leagues and collegiate and professional sports events, including the NCAA Men's Basketball Tournament, regular season men's basketball, college football, NFL, PGA Tour, the Masters, U.S. Open Tennis Championships, and the Little League World Series, as well as assisting in the creation of the Bowl Championship Series to determine college football's national champion.

Most recently Petitti was recruited by Liberty Media and The Baupost Group to serve as an advisor to evaluate sports and media properties, including the launch of The 33rd Team, a digital content company covering the NFL where he was installed as the co-chief executive officer.

As Deputy Commissioner and Chief Operating Officer for Major League Baseball from 2014-2020, Petitti was involved in all aspects of MLB including leading broadcast and digital media, special events (All-Star Game, Home Run Derby, MLB post-season scheduling and operations), MLB Network, MLB social media, consumer products and licensing, marketing, youth development, international, and security. He closely collaborated with 30 MLB team owners and presidents, and key business and operational partners to incorporate ideas and feedback

to improve the creation and execution of strategic initiatives. Petitti also participated on MLB's Competition Committee.

As President and Chief Executive Officer of MLB Network from 2008-2014, Petitti led the imagination, creation, build-out and launch of MLB Network in 50 million homes which, at the time, was the largest launch of a cable network in history. Petitti's vision touched every aspect of content and operations including programming, on-air talent, production team, studio creation, and supporting facilities.

Prior to MLB, Petitti was the executive vice president of CBS Sports from 2002-2008. He led the sports programming division and had added responsibility as executive producer for all CBS Sports telecasts. From 1999 to 2002, Petitti served as vice president and general manager of WCBS-TV New York. While at WCBS-TV, Petitti oversaw the transformation and reshaping of the CBS flagship station, including acquiring the over-the-air rights to broadcast New York Yankees games. In addition to his work at WCBS-TV, Petitti also continued his association with CBS Sports as special advisor to the president of the division.

Petitti joined CBS Sports as senior vice president, business affairs and programming in February 1997. His responsibilities included managing the division's programming and business affairs activities, including all contract negotiations and future acquisitions.

Prior to CBS, Petitti held multiple positions at ABC Sports from 1988-1996, including vice president, programming, where he oversaw the acquisition and scheduling of ABC Sports programming, including college football regular-season and bowl games, college basketball, track and field, the Little League World Series and NASCAR events. Petitti joined ABC Sports in 1988 as a general attorney. Prior to ABC Sports, Petitti spent two years at the law firm of Cadwalader, Wickersham and Taft.

Petitti earned an economics degree from Haverford College in 1983. At Haverford College in Pennsylvania, Petitti played catcher for the baseball team. He graduated from Harvard Law School in 1986. He has two daughters, Danielle, a graduate of Vanderbilt University who resides in London, England and Ally, a graduate of the University of Southern California who resides in Los Angeles.

# BIG LIFE. BIG STAGE. BIG TEN.

Since its inception in 1896, the pursuit and attainment of academic excellence has been a priority for every Big Ten member institution. But maintaining the conference's standard of competing at the highest level in athletics also endures as an important component of the Big Ten experience. Striking that balance between academics and athletics is integral to the Big Ten's identity. Recognized as one of intercollegiate sports' most successful undertakings, the Big Ten strives for success from its students not only on the field and in the classroom, but around the world as well.

## PREMIER ACADEMIC INSTITUTIONS

The Big Ten Academic Alliance is an academic consortium of all 14 Big Ten universities, which is widely considered to be the model for effective and voluntary collaboration among top research universities.

Every Big Ten Academic Alliance institution ranks among the top 70 universities in the nation according to the 2023 Academic Ranking of World Universities, including six in the top 30.

The Big Ten leads all conferences with more than 1,900 Academic All-Americans, including 51 honorees during the 2022-23 academic year.

Big Ten Academic Alliance schools annually conduct \$10 billion in funded research, \$5 billion more than any other conference.

## A HISTORY OF ATHLETIC SUCCESS

Big Ten schools have won at least five national championships in 25 of the last 29 years, averaging nearly seven per year during that span.

Since the 2005-06 academic year, current Big Ten institutions have claimed 114 team national championships in 26 different sports.

## BROAD-BASED PROGRAMMING

The Big Ten will administer more than \$240 million in direct financial support to more than 9,800 students competing in intercollegiate athletics for more than 11,000 participation opportunities on 350 teams in 42 different sports.

The Big Ten sponsors 28 official conference sports, 14 for men and 14 for women, including the addition of men's ice hockey and men's and women's lacrosse in this decade.

The Big Ten leads the nation in total students competing in intercollegiate athletics and participation opportunities, and sponsors more official sports than all conferences except the Ivy League.

More than 1,500 Big Ten competitors have participated in the Olympics, winning more than 500 medals, including more than 200 gold. The Big Ten Conference enjoyed its finest performance at a single Olympic Games during the 2020 Summer Olympics in Tokyo, Japan, as athletes with Big Ten ties set conference records by earning 51 total medals and 22 gold medals during the 17-day competition. All 14 Big Ten member schools had an athlete win at least one medal in Tokyo, also a first in conference history. Big Ten Olympians collected nearly 80 medals in the most recent games in PyeongChang and Beijing.

## PASSIONATE FOLLOWING

The Big Ten leads all conferences with 6.4 million alumni and nearly 675,000 students.

Each year more than 11 million patrons attend Big Ten home contests, as the conference has led the nation in attendance for men's basketball, ice hockey, volleyball and wrestling.

## LEADERS IN INNOVATION

Took part in the nation's first bowl game, winning the 1902 Rose Bowl Game, and signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl with permanent conference affiliations.

Awarded the first Big Ten Medal of Honor in 1915, honoring outstanding seniors who demonstrated excellence in academics and athletics.

Formed the Big Ten Advisory Commission in 1972, enlisting former students that competed in conference athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

Became the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

Implemented the first collegiate football system of instant replay in 2004, which the NCAA approved for use among all conferences in 2006.

Launched the Big Ten Network (BTN) in 2007, the first national conference-owned television network.

Began partnering with the Ivy League to study the effects of head injuries in sports in 2012.

Accepted Johns Hopkins University as the conference's first sport affiliate members in men's and women's lacrosse in 2013 and 2015, respectively, and added Notre Dame as a sport affiliate member in men's ice hockey in 2017.

## EXTENSIVE TELEVISION EXPOSURE

Through the Big Ten's new media agreements with BTN, CBS, FOX and NBC/Peacock, more than 2,300 Big Ten events are produced and distributed nationally and globally on an annual basis. The Big Ten is the only conference to distribute games on three over-the-air broadcast networks.

BTN reaches more than 50 million homes and is also available via the Fox Sports App, delivering live and on-demand programming to computers, smartphones and tablets. B1G+ streams more than 1,700 additional events each season.

## COMMUNITY INVOLVEMENT

For more than 30 years, through the Big Ten's SCORE (Success Comes Out of Reading Everyday) program, the conference has partnered with Chicago elementary schools to improve reading performance.

Surrounding the Big Ten Football Championship Game and Basketball Tournaments, the conference has held numerous community initiatives, partnered with the College Football Playoff Foundation and other events such as the Big Ten Career Expo, SaturDAY of Service and Youth Football Clinics. In addition, the Big Ten has hosted a downtown 5K, collaborated with a local breast cancer awareness group and provided unique event experiences for military veterans.

**NOTES:** Single-game and single-season records are as of the official inception of Big Ten women's basketball in 1981-82. To be eligible for career records, student-athletes on the above lists must have played at least two years in the Big Ten, beginning with the 1981-82 season (Penn State's first Big Ten women's basketball season was 1992-93, Nebraska joined in 2011-12 and both Maryland and Rutgers joined in 2014-15). Records based on information provided by the NCAA and member schools (corrections and additions may be submitted to Chris Masters in the Big Ten Communications office at [cmasters@bigten.org](mailto:cmasters@bigten.org)).
