## BIG TEN. BIG NEWS.

- Postseason competition opens this weekend as three Big Ten teams compete in first-round games of the new expanded College Football Playoff. Ohio State and Penn State will both play host to Tennessee and SMU, respectively, on Saturday, while Indiana travels to South Bend, Ind., to take on the Notre Dame Fighting Irish. The complete schedule can be found to the right.
- After breaking program records for conference wins (8), offensive touchdowns (68), and overall record (11-1), the Hoosiers will seek their first win against No. 7 Notre Dame (11-1) in South Bend since 1906. Indiana has the most offensive touchdowns of any team in the country and the second-fewest yards allowed per game (244.8).
- The No. 8 seed Ohio State will host the No. 9 seed Tennessee in a College Football Playoff first-round game Friday, December 21 at 8 p.m. in Ohio Stadium. The game will mark the first time Ohio State will play a December home game in Ohio Stadium with the winner advancing to the quarterfinals of the College Football Playoffs to play Oregon at the Rose Bowl.
- Looking for the program's ninth national title, Ohio State (10-2) will battle Tennessee (10-2) in their second meeting all-time. In the 1995 Citrus Bowl, a Peyton Manning-led Tennessee bested Heisman-winner Eddie George and the Buckeyes. The game will mark the first time Ohio State will play a December home game in Ohio Stadium with the winner advancing to the quarterfinals of the College Football Playoffs to play Oregon at the Rose Bowl. With the top defense in the country, Ohio State ranks first in yards allowed per game (241.1) with the Vols not far behind in fourth (278.0 yards allowed per game).
- The Nittany Lions (11-2) and Mustangs (11-2) face off tomorrow for the first time since 1978. Armed with All-Americans on both sides of the ball in John Mackey Award-winner Tyler Warren and Big Ten Defensive Player of the Year Abdul Carter, Penn State looks to take home its third national championship.
- Penn State's offense, averaging 448.6 yards per game, will have openings against a 28th-ranked SMU defense. The Mustangs have allowed 326.1 yards per game this season, compared to Penn State's 282.1 average yards allowed and sixth-ranked defense.
- Six Big Ten standouts took home national honors this season. Indiana head coach Curt Cignetti was captured the Eddie Robinson Award, Ohio State's Seth McLaughlin claimed the Rimington Trophy, Oregon's Bryce Boettcher earned the Burlsworth Trophy, Penn State's Nick Dawkins took home the Wuerffel Trophy and Tyler Warren won the John Mackey Award, while USC's Eddie Czaplicki collected the Ray Guy Award.
- A total of 8,271,772 fans attended Big Ten home games this season. Excluding 2020, this marks the 11th consecutive season and 12th time in 13 seasons that more than six million fans have attended Big Ten home football games.
- Oregon was crowned Big Ten Champion after its 45-37 win against Penn State in the Big Ten Championship Game presented by Discover on Dec. 7 at Lucas Oil Stadium in Indianapolis. Jordan James ran for two scores to help Oregon win its first league title since 2020. Tez Johnson was selected the game's MVP after catching 11 passes for 181 yards one score.
- A total of 772 football student-athletes were named Academic All-Big Ten honorees on December 12, including unblemished GPAs for eight honorees. The full list of fall Academic All-Big Ten honorees can be found at bigten.org.

**BIG LIFE. BIG STAGE. BIG TEN.**

The Big Ten leads all conferences with more than 1,900 Academic All-Americans, including 80 honorees during the 2023-24 academic year.

## BIG TEN FOOTBALL AWARDS

The Big Ten will continue to honor its past while recognizing its current standouts at the conclusion of the 2024 campaign. The Big Ten's enhanced football awards program presents 19 individual trophies in addition to the Big Ten Championship trophy, bearing the names of one or two former standouts. The distinguished names on these football awards honor just a small sampling of the countless students and coaches who have contributed to the conference's rich and storied history.

Seventeen of the honors will be awarded immediately following the regular season, including awards for the best quarterback, running back, receiver, tight end, offensive lineman, defensive lineman, linebacker, defensive back, kicker, punter and return specialist. Each of these individual position awards features the names of two former standouts.

The Big Ten will also continue to honor the conference's top coaches, offensive and defensive players and linemen and freshmen with end-of-year trophies. Big Ten coaches have the opportunity to claim two awards. Media voters will select the Dave McClain Coach of the Year, which has been awarded since 1972, while coaches vote for the Hayes-Schembechler Coach of the Year award. The top offensive player will receive the Graham-George Offensive Player of the Year award, the best defensive player will be awarded the Nagurski-Woodson Defensive Player of the Year award and the top freshman will receive the Thompson-Randle El Freshman of the Year award.

The winner of the Discover Big Ten Football Championship Game will receive the Amos Alonzo Stagg Championship Trophy, while the most outstanding player in the game will be awarded the Grange-Griffin Championship Game Most Valuable Player award. The conference also created two postcollegiate awards - the Ford-Kinnick Leadership Award and the Dungy-Thompson Humanitarian Award.

The full list of awards, along with a breakdown of the former standouts appearing in each award's name, appears to the right.

## NATIONAL CHAMPIONSHIPS

Since 1869, there have been more than 30 selectors of national champions using polls, historical research and mathematical rating systems. Beginning in 1936, the Associated Press (AP) began the best-known and most widely circulated poll of sportswriters and broadcasters. Prior to 1936, national champions were determined by historical research and retroactive ratings and polls. In addition, the national champion was selected before bowl games as follows – AP (1936-64 and 1966-67), United Press International (UPI; 1950-73), Football Writers Association of America (FWAA; 1954) and the National Football Foundation (NFF; 1959-70). In all other latter-day polls, national champions were selected after bowl games. From 1998-2013, national champions were selected by the Bowl Championship Series (BCS), AP, FWAA, NFF and the *USA Today* coaches poll (previously managed by UPI from 1950-91, *USA Today*/CNN from 1992-96 and *USA Today*/ESPN from 1997-2004). Beginning in 2014, national champions were selected by the College Football Playoff, AP, FWAA, NFF and the Amway coaches poll.

Current Big Ten teams have been named national champions 51 times, with Ohio State the most recent Big Ten national champion, winning the inaugural College Football Playoff National Championship Game following the 2014 season.

### BIG LIFE. BIG STAGE. BIG TEN.

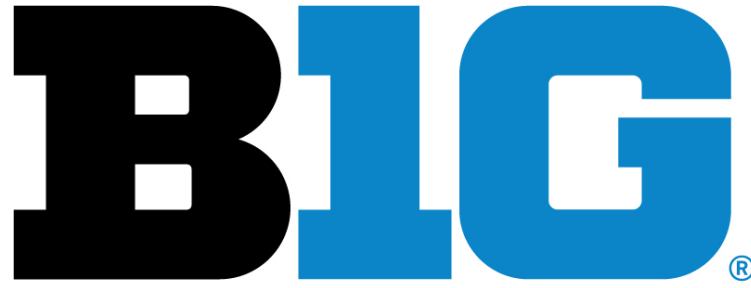

Awarded the first Big Ten Medal of Honor in 1915, honoring outstanding seniors who demonstrated excellence in academics and athletics.

## 2024-25 COLLEGE FOOTBALL PLAYOFF FORMAT

- The 12 participating teams will be the five conference champions ranked highest by the CFP selection committee, plus the next seven highest-ranked teams.
- The ranking of the teams will continue to be done by a selection committee.
- The four highest-ranked conference champions will be seeded one through four and will receive a first-round bye. The fifth conference champion will be seeded where it was ranked or at No. 12 if it is outside the top 12 rankings. Non-conference champions ranked in the top four will be seeded beginning at No. 5. Because of this, the seeding, 1 through 12, could look different than the final rankings.
- The eight teams seeded No. 5-12 will play in a first round with the higher seeds hosting the lower seeds either on campus or at other sites designated by the higher-seeded institution (No. 12 at No. 5, No. 11 at No. 6, No. 10 at No. 7 and No. 9 at No. 8.).
- The selection committee will assign the four highest-ranked conference champions to Playoff Quarterfinals hosted by bowls. This will be done in consideration of historic bowl relationships, then in consideration of rankings. For example, if the Sugar Bowl hosts a Playoff Quarterfinal and the SEC champion is ranked No. 1 and the Big 12 champion is ranked No. 3, the SEC champion would be assigned to the Sugar Bowl and the Big 12 champion would be assigned elsewhere.
- With the four highest-ranked conference champions assigned to bowls, their four Playoff Quarterfinal opponents will be dictated by the bracket (i.e., No. 1 vs. No. 8/9 winner, No. 4 vs. No. 5/12 winner, No. 2 vs. 7/10 winner; No. 3 vs. 6/11 winner.)
- The College Football Playoff bracket will follow the selection committee’s rankings, with no modifications made to avoid rematches between teams that may have played during the regular season or are from the same conference.
- The bracket will remain in effect throughout the playoff (i.e., no re-seeding).
- The highest seed will receive preferential placement for the Playoff Semifinal bowl assignment.
- All 11 games will be under the CFP umbrella with the administrative policies determined by the CFP.

**BIG LIFE. BIG STAGE. BIG TEN.**  
 Became the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

**Big Life. Big Stage. Big Ten.**

Since its inception in 1896, the pursuit and attainment of academic excellence has been a priority for every Big Ten member institution. But maintaining the conference's standard of competing at the highest level in athletics also endures as an important component of the Big Ten experience. Striking that balance between academics and athletics is integral to the Big Ten's identity. Recognized as one of intercollegiate sports' most successful undertakings, the Big Ten strives for success from its students not only on the field and in the classroom, but around the world as well.

### **PREMIER ACADEMIC INSTITUTIONS**

The Big Ten Academic Alliance is an academic consortium of all 18 Big Ten universities, which is widely considered to be the model for effective and voluntary collaboration among top research universities.

Every Big Ten Academic Alliance institution ranks among the top 90 universities in the nation according to the 2024 Academic Ranking of World Universities, including 10 in the top 40.

The Big Ten leads all conferences with more than 1,900 Academic All-Americans, including 80 honorees during the 2023-24 academic year.

Big Ten Academic Alliance schools annually conduct \$17 billion in funded research.

### **A HISTORY OF ATHLETIC SUCCESS**

Big Ten schools have won at least five national championships in 26 of the last 30 years, averaging nearly seven per year during that span.

Since the 2005-06 academic year, current Big Ten institutions have claimed 119 team national championships in 26 different sports.

### **BROAD-BASED PROGRAMMING**

Big Ten institutions support more than 11,000 participation opportunities on 350 teams in 42 different sports.

The Big Ten sponsors 28 official conference sports, 14 for men and 14 for women.

The Big Ten leads the nation in total students competing in intercollegiate athletics and participation opportunities, and sponsors more official sports than all conferences except the Ivy League.

Nearly 2,000 Big Ten competitors have participated in the Olympics, winning more than 600 medals, including more than 200 gold. The Big Ten Conference enjoyed its finest performance at a single Olympic Games during the 2024 Summer Olympics in Paris, France, as athletes with Big Ten ties set conference records by earning 98 total medals and 27 gold medals during the 17-day competition, surpassing the previous mark of 51 medals at the 2020 Summer Games in Tokyo, Japan. All 18 Big Ten member schools were represented at the 2024 Summer Games, competing for 64 nations in 17 sports.

### **PASSIONATE FOLLOWING**

The Big Ten leads all conferences with 9.4 million alumni and nearly 823,000 students.

Big Ten men's and women's basketball combined for 4.3 million fans in their home arenas throughout the 2023-24 season and paced the nation in total attendance. Volleyball Day in Nebraska attracted 92,003 fans, the largest attendance in women's sports history. All seven of the Big Ten ice hockey teams also ranked in the top 15 nationally in average attendance.

In 2023-24, Big Ten women's basketball programs set ratings records on seven different networks – BTN, FOX, FS1, NBC, Peacock, ESPN and CBS.

### **LEADERS IN INNOVATION**

Took part in the nation's first bowl game, winning the 1902 Rose Bowl Game, and signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl with permanent conference affiliations.

Awarded the first Big Ten Medal of Honor in 1915, honoring outstanding seniors who demonstrated excellence in academics and athletics.

Formed the Big Ten Advisory Commission in 1972, enlisting former students that competed in conference athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

Became the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

Launched the Big Ten Network (BTN) in 2007, the first national conference-owned television network.

Began partnering with the Ivy League to study the effects of head injuries in sports in 2012.

Twenty years after adding instant replay in 2004, announced a state-of-the-art replay center, featuring 18 dedicated replay bays and six dedicated medical observation stations.

Championed new legislation for football permitting coach-to-player helmet communication and the use of sideline video by student-athletes, and coaches, both of which were introduced in the fall of 2024.

### **EXTENSIVE TELEVISION EXPOSURE**

Through the Big Ten's current media agreements with BTN, NBC, Peacock, CBS and FOX, more than 2,000 Big Ten events are produced and distributed nationally and globally on an annual basis.

BTN reaches nearly 50 million homes and is also available via the Fox Sports App, delivering live and on-demand programming to computers, smartphones and tablets. B1G+ streams more than 2,000 additional events each season.

### **COMMUNITY & IMPACT**

The Big Ten Conference is dedicated to making a lasting impact on the communities where its major events are held. In recent years, the conference has hosted sports clinics, renovated recreation centers and given elementary-aged children the chance to experience major Big Ten events.

Around the Big Ten Football Championship Game and Basketball Tournaments, the conference focuses on creating meaningful improvements, aiming to leave each location better than it was found.

Moving forward, the Big Ten will continue to collaborate with the College Football Playoff Foundation, local sports organizations and school district foundations to enhance spaces for teachers and children and provide educational opportunities for youth.
