# MEDIA INFORMATION

Dear media member:

Welcome to the 2021-22 college hockey season! The Big Ten Conference would like to thank those media members who will cover this season of Big Ten hockey. This media guide is intended to assist in the media's coverage of Big Ten hockey.

As always, please feel free to contact us if you have any questions or need assistance. We look forward to working with you this season!

## COMMUNICATIONS SERVICES

### Website

Weekly releases, statistics and standings for Big Ten hockey will be available online at [www.bigten.org](http://www.bigten.org).

### E-mail Service

Information on Big Ten hockey will be emailed throughout the year to accredited media. The Big Ten utilizes a media email list website which requires that media fill out an application on-line to receive media e-mails. Once the information is submitted, media can control and adjust their own accounts to only receive the information they need. Media may also remove themselves from the media email list if necessary. For the media email list website address, contact Megan Rowley at the Big Ten office.

### Weekly Awards

Big Ten Hockey Three Stars of the Week are chosen by a vote of the Big Ten Communications staff from nominations supplied by the schools' communications offices. The Big Ten office will announce weekly hockey award winners on Tuesdays.

### Postseason Awards

In hockey, coaches and a media panel choose All-Conference teams (first, second, honorable mention and All-Freshman) and five individual awards (Coach of the Year, Player of the Year, Freshman of the Year, Defensive Player of the Year and Goaltender of the Year) as well as a Big Ten Scoring Champion (awarded to the player with the most total points in conference games only). The Big Ten also names one Sportsmanship Award honoree from each institution. These students become candidates for the Big Ten Outstanding Sportsmanship Award, as the conference honors one male and one female from each institution at the end of the school year. Academic All-Big Ten teams are named for every sport. The teams are composed of all students who have been enrolled fulltime at the institution for a minimum of 12 months and carry a cumulative grade-point average (GPA) of 3.0 or higher. The conference office also presents the Distinguished Scholar Award at the end of each academic year. To be eligible for selection, students must be a recipient of Academic All-Big Ten Recognition in the previous academic year, must be enrolled for the entire previous academic year and earned a minimum GPA of 3.7 or higher for the current academic year, excluding summer school.

# BIG TEN CONFERENCE HISTORY

Known as one of intercollegiate sports' most successful undertakings, the Big Ten is home to a lineage of legendary names and an ongoing tradition of developing strong leaders. Even in its infancy, the conference established itself as the preeminent collection of institutions in the nation, where the pursuit of academic excellence prevailed as the definitive goal.

The history of the Big Ten traces back more than 125 years to the Palmer House hotel in Chicago, where on January 11, 1895, then-Purdue president James H. Smart and leaders from the University of Chicago, University of Illinois, University of Michigan, University of Minnesota, Northwestern University and University of Wisconsin set out to organize and develop principles for the regulation of intercollegiate athletics.

At that meeting, a blueprint for the administration of college athletics under the direction of appointed faculty representatives was outlined. The presidents' first known action "restricted eligibility for athletics to bonafide, full-time students who were not delinquent in their studies." That important legislation, along with other legislation that would follow in the coming years, served as the primary building block for intercollegiate athletics.

On February 8, 1896, one faculty member from each of those seven universities met at the same Palmer House and officially established the mechanics of the conference, which was officially incorporated as the "Intercollegiate Conference Athletic Association" in 1905.

Indiana University and the State University of Iowa became the eighth and ninth members in 1899. In 1908, Michigan briefly withdrew its membership, and in 1912 Ohio State University joined the conference, bringing its membership total back to nine. Upon Michigan's return in 1917, the conference was first referred to as the "Big Ten" by media members, and that name was eventually incorporated in 1987.

As the 1900s opened, faculty representatives established rules for intercollegiate athletics that were novel for the time. As early as 1904, the faculty approved legislation that required eligible athletes to meet entrance requirements and to have completed a full year's work, along with having one year of residence.

In 1901, the first Big Ten Championship event was staged when the outdoor track and field championships were held at the University of Chicago. The debut event marked what is now a staple of conference competition. Today, the Big Ten sponsors 28 official sports, 14 for men and 14 for women, including the addition of men's ice hockey and men's and women's lacrosse over the last four years. Big Ten schools compete in a total of 42 different sports, furthering the conference's commitment to broad-based programming and providing more participation opportunities than any conference in the country.

One of the conference's proudest traditions began in 1902 when Michigan took on Stanford in the Rose Bowl, the nation's first bowl game. Big Ten teams only appeared in Pasadena twice before the conference signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl game with permanent conference affiliations. But Michigan's appearance in 1902 cultivated a relationship that has endured for more than a century. In January 2014, Michigan State defeated Stanford in the 100th Rose Bowl Game.

Coupling the academic goals set forth by the leaders of the charter members of the conference and their steadfast commitment to athletics, the conference instituted the Big Ten Medal of Honor in 1915. It is awarded annually by each conference institution to a student of the graduating class who has attained the greatest proficiency in scholarship and athletics. For more than 100 years, it has been the most prestigious honor a student competing in Big Ten athletics can receive.

In 1922, Major John L. Griffith became the conference's first "Commissioner of Athletics." Griffith was the first of six men to assume the role of commissioner in the conference's history, followed by Kenneth L. "Tug" Wilson in 1945, Bill Reed in 1961, Wayne Duke in 1971, Jim Delany in 1989, and current commissioner Kevin Warren in 2020.

After nearly 30 years with 10 members, the conference consolidated to nine schools when the University of Chicago formally withdrew its membership in 1946. Michigan State College (now Michigan State University) was added to the Big Ten three years later, bringing the number of affiliated conference schools to 10 once again.

In 1955, the Big Ten formulated a revenue-sharing model designed to pool all football television rights of its members and share those proceeds equally. The conference and its members continue to utilize a revenue-sharing model, dividing media rights, bowl payouts and other profits among all conference institutions.

While academics have always played an integral role in the conference, presidents of the Big Ten member institutions formalized the primacy of academics with the establishment of the Big Ten Academic Alliance (formerly the Committee on Institutional Cooperation) in 1958. The Big Ten Academic Alliance is an academic consortium of all Big Ten universities. Annually, the schools currently constituting the Big Ten Academic Alliance produced over \$10 billion in funded research, \$5 billion more than any other conference.

In one of Duke's first actions as commissioner, he oversaw the adoption of the Big Ten Advisory Commission in 1972, designed to study conference programs and make suggestions which would further Big Ten objectives. The Advisory Commission enlists former students that competed in Big Ten athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

In 1981, the conference presidents and chancellors endorsed a proposal that enabled universities to affiliate their women's intercollegiate programs with the conference, and the first conference championships for women were staged that fall. The Big Ten was the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

In December of 1989, the conference agreed in principle to invite Pennsylvania State University for membership. On June 4, 1990, the Council of Presidents officially voted to integrate Penn State into the conference, giving the Big Ten 11 members.

In 2004, the Big Ten implemented a pilot program of instant replay for college football. Following the season, the conference forwarded replay proposals to the NCAA regarding the future use of instant replay, where it approved country-wide testing in 2005. In 2006, the NCAA approved the use of instant replay for all conferences.

In 2006, Delany announced the creation of the first conference-owned television network, a 20-year agreement with FOX Networks to create what would become the Big Ten Network (BTN). Launched on Aug. 30, 2007, BTN now produces more than 1,800 events across all platforms each

year. BTN is in almost 60 million homes in the U.S. and Canada via the nation's major video providers and more than 300 additional video providers across the country. BTN is also available through the majority of OTT providers, and via the Fox Sports App, which delivers live and on-demand programming to computers, smartphones and tablets. In addition, the BTN+ platform streams hundreds of events each season.

On June 11, 2010, the Big Ten Council of Presidents/Chancellors (COP/C) approved a formal membership application by the University of Nebraska, expanding the conference to 12 institutions. Nebraska officially joined the Big Ten on July 1, 2011.

The conference expanded its footprint further in 2012 when the COP/C approved formal membership applications from the University of Maryland and Rutgers University on November 19 and 20, respectively. Maryland and Rutgers became official Big Ten members on July 1, 2014, giving the conference almost 9,500 students participating in intercollegiate athletics and more than 11,000 participation opportunities on 350 teams.

On June 3, 2013, the Big Ten announced that Johns Hopkins University had been accepted as the conference's first sport affiliate member. Johns Hopkins' addition in men's lacrosse gave the Big Ten six institutions sponsoring the sport, allowing the debut of men's lacrosse as an official conference sport and building on the Big Ten's tradition of broad-based sports competition. On June 17, 2015, the conference announced that Johns Hopkins was accepted as a sport affiliate member for women's lacrosse beginning with the 2016-17 academic year. On March 23, 2016, the conference announced that Notre Dame would be joining the Big Ten for men's ice hockey beginning with the 2017-18 academic year.

Since opening in the fall of 2013, the Big Ten conference center hosts more than 300 meetings annually for member institutions, Big Ten Academic Alliance (formerly CIC) related committees and coaches' groups. The headquarters also features an interactive digital museum — the Big Ten Experience — which brings the conference's storied academic and athletic history to life. For more information on the Big Ten Experience, go to [bigten.org](http://bigten.org).

In June 2014, the Big Ten opened a second office in New York City, featuring both office and meeting space in Midtown Manhattan. Big Ten staff members are based in the New York City office to provide expanded coverage and service, while other conference and institutional administrators utilize the space as necessary when conducting business on the East Coast. The Big Ten and its member institutions also have access to satellite office space in Washington, D.C.

Warren and his staff work to meet the educational needs of student-athletes to allow them to excel in all areas of their lives. The conference office manages 27 different championships and tournaments, offers legislative and compliance services, oversees the production and distribution of more than 2,000 events annually, provides staff services to coaching and administrative personnel, and remains a vital resource for media and fans seeking information on the Big Ten.

During his first year, Warren has helped spark a number of groundbreaking conference initiatives. On March 7, 2020, in advance of the rising tide of the COVID-19 pandemic, the conference partnered with all 14 of its member institutions to create the Big Ten Task Force for Emerging Infectious Diseases. This group was formed to provide counsel and sound medical advice to ensure the health, safety and wellness of the Big Ten's students, coaches, administrators and fans. It includes representatives from a diverse set of disciplines across campus healthcare systems and schools of public health and their input serves as a resource for the conference in making important decisions based on information received from local, state and federal health departments, along with the NCAA.

Less than two months later on May 4, 2020, the conference announced the formation of the Big Ten Mental Health and Wellness Cabinet, featuring representation from all 14 member institutions, as well as sport affiliate members Johns Hopkins (men's and women's lacrosse) and Notre Dame (men's ice hockey). The goal of the cabinet is to promote optimal mental health for Big Ten student-athletes through a comprehensive, systemic and interdisciplinary approach to establishing mental health programs, while also providing counsel, advice and expertise to the conference office.

Following the death of Minneapolis resident George Floyd, Warren penned an open letter on June 1, 2020, announcing the formation of what became known as the Big Ten Equality Coalition. This group, which features student-athletes, coaches, athletic directors, chancellors, presidents and other members of the Big Ten family from all 14 member institutions, has a stated goal of seeking tangible ways to actively and constructively combat racism and hate around the world, while also empowering student-athletes to express their rights to free speech and peaceful protest. The United States Library of Congress selected Warren's open letter for inclusion in its historic collection.

A product of the conversations emerging from the coalition was the creation of the Big Ten Voter Registration Initiative. This non-partisan, conference-wide collaboration encourages student-athletes to take part in the electoral process and is led by a Voter Registration Committee that includes representatives from all 14 Big Ten institutions. The Voter Registration Committee has partnered with the National Lawyers' Committee for Civil Rights Under Law to develop educational programming and outreach tools, and to collaborate with other established civic platforms.

More than 125 years after its inception, the Big Ten remains a national leader in intercollegiate athletics on and off the field. Big Ten programs have combined to win more than 450 team and 1,800 individual national championships, consistently taking home individual honors for athletic and academic accomplishments and fulfilling the Big Ten's mission of academic achievement and athletic success.

# COMMISSIONER KEVIN WARREN

The Big Ten Conference Council of Presidents and Chancellors (COP/C) voted unanimously on June 4, 2019, to select Mr. Kevin Warren as the sixth conference Commissioner in history. Commissioner Warren joins an esteemed lineage of Big Ten Commissioners, beginning with John Griffith (1922-45), Tug Wilson (1945-61), Bill Reed (1961-71), Wayne Duke (1971-89) and Jim Delany (1989-2020). Warren serves as the first and only African American Commissioner in A-5 history.

The conference entered a new era on January 2, 2020, when Commissioner Warren officially began his tenure with the Big Ten. The overarching mission of the Commissioner is to respect the tradition of the Big Ten Conference, protect the conference, and to positively transform the conference. During his first year of service, Commissioner Warren

launched a series of groundbreaking initiatives to address issues associated with mental health and wellness, social justice, voter registration and the international COVID-19 pandemic. These initiatives were imagined and instituted with the legacy of the conference's student-athletes, coaches, administrators and fans in mind.

Commissioner Warren remained focused and methodical during the progression of the COVID-19 pandemic. On March 7, 2020, the conference partnered with all 14 of its member institutions to create the Big Ten Task Force for Emerging Infectious Diseases. The Emerging Infectious Diseases Task Force members represent numerous disciplines across campus healthcare systems and schools of public health to provide counsel and sound medical advice to ensure the health, safety and wellness of the Big Ten's students, coaches, administrators and fans. The Emerging Infectious Diseases Task Force is a valuable resource when conference officials need to interpret local, state and federal health department guidelines, and NCAA recommendations, to institute safety and wellness protocols.

Less than two months later on May 4, 2020, the conference announced the formation of the Big Ten Mental Health and Wellness Cabinet, featuring representation from all 14 member institutions, as well as sport affiliate members Johns Hopkins (men's and women's lacrosse) and Notre Dame (men's ice hockey). The goal of the Cabinet is to promote optimal mental health for Big Ten student-athletes through a comprehensive, systemic and interdisciplinary approach to establishing mental health programs, while also providing counsel, advice and expertise to the conference office.

Following the death of Minneapolis resident George Floyd, Commissioner Warren wrote an open letter on June 1, 2020, announcing the formation of the Big Ten Equality Coalition. The Equality Coalition features student-athletes, coaches, athletic directors, chancellors, presidents and other members of the Big Ten family from all 14 member institutions, has a stated goal of seeking tangible ways to actively and constructively combat racism and hate around the world, while also empowering student-athletes to express their rights to free speech and peaceful protest. The United States Library of Congress selected Commissioner Warren's open letter for inclusion in its historic collection.

A product of the Equality Coalition was the creation of the Big Ten Voter Registration Initiative. The nonpartisan, conference-wide collaboration encourages student-athletes to take part in the electoral process and is led by a Voter Registration Committee that includes representatives from all 14 Big Ten institutions. The Voter Registration Committee partners with the National Lawyers' Committee for Civil Rights Under Law to develop educational programming, outreach tools, foster open and honest dialogue with law enforcement and collaborate with other established civic platforms.

On August 11, 2020, the COP/C overwhelmingly voted to postpone the Big Ten fall sports season due to growing medical concerns caused by the COVID-19 pandemic. To ensure a cohesive, collaborative and transparent return to competition, Commissioner Warren and the COP/C established the Return to Competition Task Force (Task Force) to research and prepare for the safe resumption of sports. On September 16, 2020, the COP/C and the conference announced they had adopted stringent medical protocols to resume football October 23-24, 2020. The decision was based on the new medical information presented by the Task Force and positioned the conference as one of the most medically advanced in the country.

Commissioner Warren joined the conference after serving as the Chief Operating Officer for the Minnesota Vikings of the National Football League where he had worked since 2005. He was the highest-ranking African American executive working on the business side for a team in the NFL and the first African American COO in NFL history.

Commissioner Warren's extensive experience in all facets of the Minnesota Vikings organization created the perfect foundation for him to lead the business operations. After being promoted to COO, Commissioner Warren played a critical role in all business, financial, legal and operational aspects related to U.S. Bank Stadium and was involved in the design, construction, business, legal and operational components of the new stadium. Commissioner Warren also played a key role in the design, development and planning of Twin Cities Orthopedics Performance Center, the Vikings headquarters in Eagan, Minnesota, in addition to the ancillary real estate development of Viking Lakes. Under Commissioner Warren's visionary leadership, the Vikings restructured the organization, with an emphasis on broadening the executive team and promoting women to key executive positions.

During his 21 seasons in the NFL, and 15 with the Vikings, Commissioner Warren directed the team's focus on creating departmental synergy and collaboration; increasing financial profitability for the franchise; improving communication; developing leadership initiatives; implementing a platform focusing on a positive community impact through the new Minnesota Vikings Foundation; launching a women's initiative program, creating an elevated fan experience; and building a world-class franchise focused on the tenets of hard work, ethics, financial profitability, community service and a "best-in-class" mentality.

In September of 2013, Commissioner Warren's reputation and NFL experience were recognized when he was named a member of the NFL Committee on Workplace Diversity, which is committed to enhancing and promoting diversity at every level of the NFL. In February of 2017, during Super Bowl LI festivities in Houston, Commissioner Warren was honored with the Texas Southern University Pioneer Award, recognizing his groundbreaking role as an NFL executive and his commitment to championing diversity. Commissioner Warren was also honored as a member of the Sports Business Journal 2019 Champions class.

Prior to joining the Vikings, Commissioner Warren worked for the international law firm of Greenberg Traurig from 2003-05, playing a critical leadership role with the Wilf Ownership Group deal team during the acquisition of the Minnesota Vikings. Additionally, he spent two seasons (2001-03) with the Detroit Lions as Senior Vice President of Business Operations & General Counsel and four seasons (1997-2001) with the St. Louis Rams as Vice President of Football Administration, and Vice President of Player Programs and Legal Counsel. Commissioner Warren was an integral part of the Rams organization when they won Super Bowl XXXIV over the Tennessee Titans in January of 2000.

Prior to joining the St. Louis Rams organization, Commissioner Warren worked at a law firm with Mike Slive and Mike Glazier, specializing in representation of universities charged with NCAA violations. He also worked as a sports and entertainment attorney/agent representing various professional athletes, entertainers and broadcasters as the founder of Kevin Warren and Associates.

An avid student-athlete, Commissioner Warren enrolled at the University of Pennsylvania, where he was a member of the Quakers' Ivy League championship basketball team in 1982. He then completed his undergraduate education at Grand Canyon University in Phoenix, where he excelled both in the classroom and on the basketball court. Commissioner Warren scored 1,118 points during his career at Grand Canyon and earned CoSIDA Academic All-America honors as a senior along with NAIA Academic All-America honors and NAIA District 7 Basketball Team honors as both a junior and senior. Commissioner Warren was inducted into the GCU Athletics Hall of Fame in March of 2012, the 16th individual inducted and only the fifth basketball player to earn the prestigious honor in the University's history.

Commissioner Warren earned his Bachelor's in Business Administration from Grand Canyon University in 1986, his MBA from Arizona State University in 1988, and his Juris Doctorate degree from the University of Notre Dame School of Law in 1990. Commissioner Warren is a licensed attorney with the State Bar of Kansas, Michigan and the District of Columbia.

Several members of Commissioner Warren's family have helped fuel his life-long passion for academics and sports, including his father, the late Dr. Morrison Warren, Sr., who had a successful career at Arizona State University as a Professor of Education and who played professional football in 1948 for the Brooklyn Dodgers of the All-America Football Conference. The senior Mr. Warren would go on to be the first African American president of a major college bowl game when he was named president of the 1982 Fiesta Bowl Board of Directors and was named one of Arizona State University's 50 Greatest Football Players. Commissioner Warren's mother served the community as an elementary school librarian.

Philanthropy is an integral part of Commissioner Warren's life, and he and his wife, Greta, were active members of the Minneapolis-St. Paul community during his tenure with the Vikings. In 2012, the Warren family "adopted" Lucy Craft Laney Community School in Minneapolis, which is predominantly African American and has 98% of its student population coming from underserved communities. The Warrens have donated over 5,000 backpacks filled with school supplies to Lucy Laney and other Twin Cities elementary schools. The Warren family has also purchased athletic uniforms for the boys and girls basketball teams, school uniforms and donated their time mentoring students.

In 2014, the Warrens created Carolyn's Comforts in conjunction with the University of Minnesota Masonic Children's Hospital and have donated \$1 million to a pediatric emergency care fund, to honor the legacy of his sister Carolyn Elaine Warren-Knox who passed away of brain cancer. Since its inception, more than 500 financial grants have been made to families in need.

In 2017, the Warrens launched "No Doors Closed", a scholarship program selecting high school students from District 191, who will be first generation college students. Each student was awarded a four-year, \$5,000 per year academic scholarship to attend the institution of their choice. The Warrens plan to continue awarding four scholarships annually until a total of 16 students are in the program on a perpetual basis. In 2020, 12 students attended college.

Commissioner and Mrs. Warren also started The Warren Family Foundation in 2019. The nonprofit foundation is organized and operated exclusively for charitable purposes of educational, literacy, religious, and scientific-medical permitted by Section 501(c)(3) and Section 170(c)(2) of the Internal Revenue Code of 1986, as amended. In 2020, the Warren Family Foundation partnered with The Dewey School of Excellence, an Academy of Urban School Leadership (AUSL) in Chicago, to provide resources ranging from after school programs, academic workshops, technology and uniforms to emergency assistance funds.

The Warren family currently resides in Chicago and has two children — daughter, Peri, who graduated Cum Laude from Occidental College in 2019 and is scheduled to attend Northwestern University in the fall of 2021 to pursue her Master's Degree in Leadership for Creative Enterprises, and son, Powers, a football student-athlete at Michigan State University who is currently pursuing his Master's Degree in Kinesiology, and graduated in 2020 from Mississippi State University. Commissioner Warren, 57, was born and raised in Phoenix, Arizona.

# BIG LIFE. BIG STAGE. BIG TEN.

Since its inception in 1896, the pursuit and attainment of academic excellence has been a priority for every Big Ten member institution. But maintaining the conference's standard of competing at the highest level in athletics also endures as an important component of the Big Ten experience. Striking that balance between academics and athletics is integral to the Big Ten's identity. Recognized as one of intercollegiate sports' most successful undertakings, the Big Ten strives for success from its students not only on the field and in the classroom, but around the world as well.

## PREMIER ACADEMIC INSTITUTIONS

The Big Ten Academic Alliance is an academic consortium of all 14 Big Ten universities, which is widely considered to be the model for effective and voluntary collaboration among top research universities.

Every Big Ten Academic Alliance institution ranks among the top 70 universities in the nation according to the 2021 Academic Ranking of World Universities, including six in the top 30.

The Big Ten leads all conferences with more than 1,800 Academic All-Americans, including a Big Ten-record 56 honorees during the 2020-21 academic year.

Big Ten Academic Alliance schools annually conduct \$10 billion in funded research, \$5 billion more than any other conference.

## A HISTORY OF ATHLETIC SUCCESS

Big Ten schools have won at least five national championships in 23 of the last 27 years, averaging nearly seven per year during that span.

Since the 2008-09 academic year, current Big Ten institutions have claimed 80 team national championships in 22 different sports.

## BROAD-BASED PROGRAMMING

The Big Ten will administer more than \$240 million in direct financial support to more than 9,800 students competing in intercollegiate athletics for more than 11,000 participation opportunities on 350 teams in 42 different sports.

The Big Ten sponsors 28 official conference sports, 14 for men and 14 for women, including the addition of men's ice hockey and men's and women's lacrosse in this decade.

The Big Ten leads the nation in total students competing in intercollegiate athletics and participation opportunities, and sponsors more official sports than all conferences except the Ivy League.

More than 1,500 Big Ten competitors have participated in the Olympics, winning more than 500 medals, including more than 200 gold. The Big Ten Conference enjoyed its finest performance at a single Olympic Games during the 2020 Summer Olympics in Tokyo, Japan, as athletes with Big Ten ties set conference records by earning 51 total medals and 22 gold medals during the 17-day competition. All 14 Big Ten member schools had an athlete win at least one medal in Tokyo, also a first in conference history.

## PASSIONATE FOLLOWING

The Big Ten leads all conferences with 6.4 million alumni and nearly 580,000 students.

Each year more than 11 million patrons attend Big Ten home contests, as the conference has led the nation in attendance for men's basketball, ice hockey, volleyball and wrestling.

## LEADERS IN INNOVATION

Took part in the nation's first bowl game, winning the 1902 Rose Bowl Game, and signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl with permanent conference affiliations.

Awarded the first Big Ten Medal of Honor in 1915, honoring outstanding seniors who demonstrated excellence in academics and athletics.

Formed the Big Ten Advisory Commission in 1972, enlisting former students that competed in conference athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

Became the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

Implemented the first collegiate football system of instant replay in 2004, which the NCAA approved for use among all conferences in 2006.

Launched the Big Ten Network (BTN) in 2007, the first national conference-owned television network.

Began partnering with the Ivy League to study the effects of head injuries in sports in 2012.

Accepted Johns Hopkins University as the conference's first sport affiliate members in men's and women's lacrosse in 2013 and 2015, respectively, and added Notre Dame as a sport affiliate member in men's ice hockey in 2017.

## EXTENSIVE TELEVISION EXPOSURE

Through the Big Ten's current media agreements with BTN, ABC/ESPN, CBS and FOX, more than 2,000 Big Ten events are produced and distributed nationally and globally on an annual basis.

BTN is in almost 60 million homes across the United States and Canada, and is also available via the Fox Sports App, delivering live and on-demand programming to computers, smartphones and tablets. B1G+ streams hundreds of additional events each season.

## COMMUNITY INVOLVEMENT

For more than 30 years, through the Big Ten's SCORE (Success Comes Out of Reading Everyday) program, the conference has partnered with Chicago elementary schools to improve reading performance.

Surrounding the Big Ten Football Championship Game and Basketball Tournaments, the conference has held numerous community initiatives, partnered with the College Football Playoff Foundation and other events such as the Big Ten Career Expo, SaturDAY of Service and Youth Football Clinics. In addition, the Big Ten has hosted a downtown 5K, collaborated with a local breast cancer awareness group and provided unique event experiences for military veterans.

NOTE: For 23 seasons from 1959-81, Big Ten standings were determined by regular season games between Michigan, Michigan State, Minnesota and Wisconsin while playing in another conference. Ohio State played a total of six games against Big Ten schools between 1969 and 1981. Conference-sponsored men's ice hockey was discontinued following the 1980-81 season and reinstated prior to the 2013-14 season. Below are results from those 23 seasons:

% Record does not include 1992 appearance that has been vacated by the NCAA

The third-place game was not played in 1948 and was discontinued after 1969. In those years when a third-place game is not played, both semifinal losers are awarded third place.

The 2020 championship was canceled due to the COVID-19 pandemic.

# BIG TEN MEDAL OF HONOR

---

One of the most prestigious conference awards in college athletics, the Big Ten Medal of Honor was first awarded in 1915 to one student from the graduating class of each university who had “attained the greatest proficiency in athletics and scholastic work.” In 2014, the conference celebrated the 100th anniversary of this prestigious award.
