Agenda

Businesses are subject to myriad compliance obligations under privacy and data protection laws around the world and find it hard to prioritize. This session will provide practical guidance on

- i. top 12 action items that every company should prioritize based on laws and enforcement trends.
- ii. requirements that most companies are subject to and often neglect.
- iii. how to leverage compliance measures across jurisdictions (and where to differentiate locally).

Practical Guidance

- Doing something is better than doing nothing.
- Focus on principles.
- Don't let perfect become the enemy of good.
