Privacy | AI governance | Cybersecurity law

Training 23-24 February

Workshops 24 February

Conference 25-26 February

LONDON

#IAPPIntensive26

At the Edge: Rethinking Data Transfers in a Shifting World

WELCOME AND INTRODUCTIONS

Emma Bate, Legal Director, ICO

Matthew Houlihan, Vice President, Government Affairs, Europe, Cisco

Dr. Thomas Nietsch, Tech and Privacy Law Partner, K&L Gates

Gabriela Mercuri, Managing Director, SCOPE Europe

The Regulatory Landscape: EU & UK

Diverging trajectories in EU and UK data transfer rules

Regulatory fragmentation and its practical impact on organisations

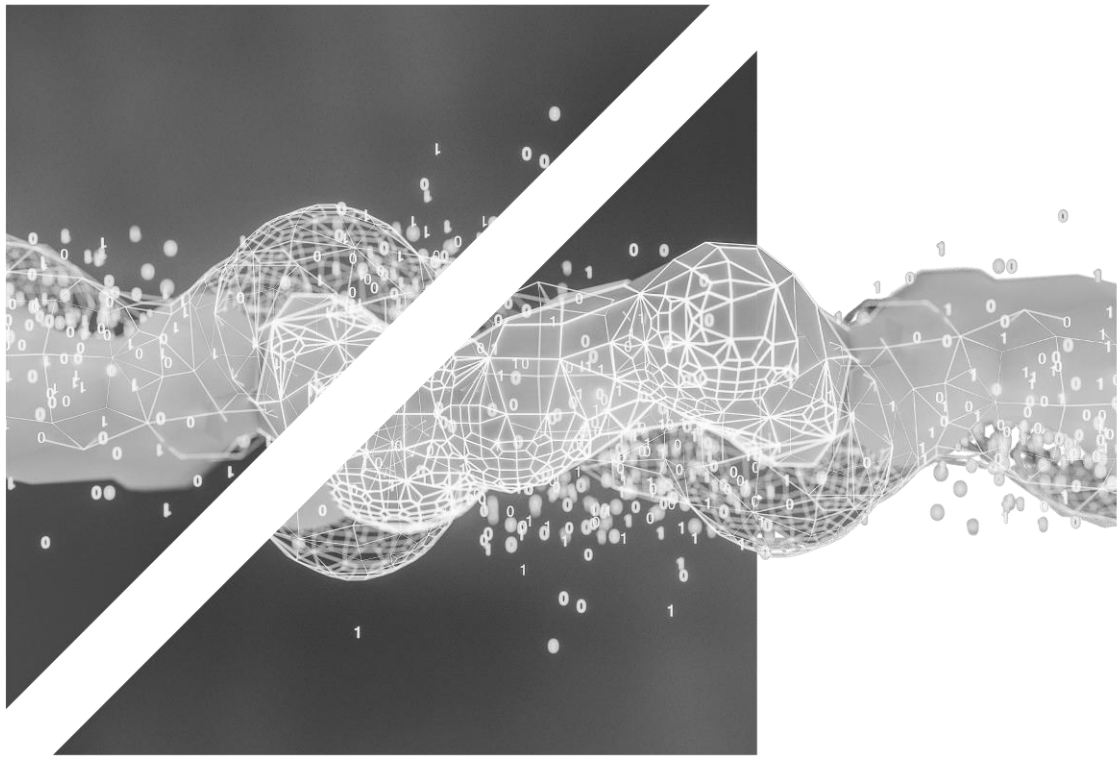
Question to the Audience

How many of you manage data transfers across both the EU and the UK?

Navigating Complexity in Practice

From legal uncertainty to operational solutions

The role of compliance tools in enabling trusted data flows



Question to the Audience

How many of you are familiar with existing codes of conduct in the data protection space?

Have you considered adopting or developing one for your organisation?

Question to the Audience

What do you find most complex about international data transfers?

Looking Ahead: Future-Proofing International Transfers

Building scalable, resilient mechanisms for global data transfers

Collaboration, innovation, and the path toward greater legal certainty

Question to the Audience

How many of you would have interest in a code of conduct specifically designed for international data transfers?

Is this something your organization would actively consider adopting?

RESOURCE LIST

ICO: International transfer guidance webinar (10 March 2026)

Third Country Transfers Module

How Did Things Go?
(We Really Want To Know)

Did you enjoy this session? Is there any way we could make it better? Let us know by filling out a speaker evaluation.

1. Open the IAPP Events app.
2. Select **IAPP Intensive 2026**.
3. Tap "Schedule" on the bottom navigation bar.
4. Find this session. Click "Rate this Session" within the description.
5. Once you've answered all three questions, tap "Done".

Thank you!
