

# SMART CAPACITY SOLUTIONS — TO SUPPORT CUSTOMER — GROWTH

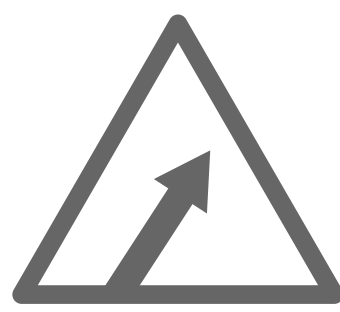

This is how we supported one of the world's largest specialty retailers as they opened a new distribution center with dedicated capacity.

## THE SITUATION

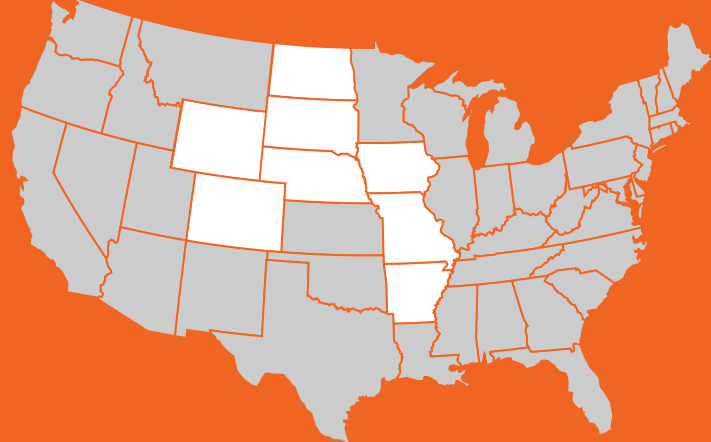

Opening of new cross-dock distribution center in the Midwest.

Additional capacity needed to service markets

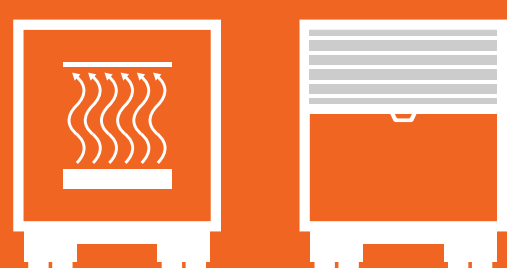

## THE SCHNEIDER SOLUTION

Provided Dedicated services in the Great Plains

24 hour, on-site Schneider presence to forecast capacity needs

Handled seasonal surges with team drivers and specialty trailers

## THE RESULTS

**98.8%**  
**ON-TIME DELIVERY**

**57** TO **96** RETAIL LOCATIONS IN FOUR YEARS

Schneider's service and capacity, combined with flawless on-site communication and innovation, has helped the retailer continue to grow in the Midwest.
