3. Place the slip knot on hook and draw loop to RS (keep beg tail and working yarn on WS).
4. \*Insert hook from RS to WS through fabric a short distance from last insertion location, yarn over, draw loop through fabric and through loop on hook (surface sl st made); rep from \* inserting hook, as desired, to create surface pattern.
5. Fasten off.

**Note:** To end a section of surface sl sts. Remove hook from loop and take hook to WS. Insert hook from WS to RS, place loop on hook, draw loop through to WS. Cut yarn. Draw tail through final loop and pull tight.
