NOTES

1. Front and Back are worked separately.
2. On Front, yarn color is changed following a Chart.
3. Read RS rows of Chart from right to left and WS rows from left to right.
4. To change yarn color, work last st of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete st. Proceed with new color. Do not cut old color. When color A is not in use, carry color A along top of sts of previous row and work color B sts over the top of the carried strand. When color B is not in use, drop color B to WS of piece and carry it carefully up WS when needed in next RS row.
5. Back is worked using a single yarn color.
