NOTES

- 1. Sweater is worked in 4 pieces: Back, Front, and 2 Sleeves.
- 2. The neckband is worked directly onto seamed Sweater.
- 3. Each piece is worked from the lower edge upwards beg with a lower ribbed band. Main part of each piece is worked in an all over Cable pattern.
- 4. A circular needle is used to accommodate the sts. Work back and forth on circular needle as if working with straight needles.
- 5. Cable pattern can be worked by following written instructions or reading Chart. Read RS rows of Chart from right to left and WS rows from left to right.
- 6. When you see 'as established' in the instructions, this means to continue in the current pattern st, lining up sts as in previous rows.
- 7. When you see work 'even' in the instructions, this means to continue on in the pattern st you have established without changing the st count by increasing, decreasing, or binding off.
- 8. The selvedge sts at the beginning and end of rows will disappear into the seams.
