

TRAIN RIDE PRE-OPERATION INSPECTION CHECKLIST DECLARATION

Note: Any personal information collected is handled in accordance with the British Columbia *Freedom and Protection of Privacy Act*. If you have questions about the collection, use, or disclosure of this information, contact the Records, Information and Privacy Analyst for the Technical Safety BC at 1 866 566 7233.

Form purpose: Prior to public operation, an amusement devices contractor shall complete a physical inspection of their unit and declare it meets the requirements of the Act, Regulation and the CSA Z267-00 Safety Standard.

Instructions: Apply an "X" in the appropriate box for each checklist item. "P" column indicates the item as Passed; "F" column indicates the item Failed; and the N/A column indicates the item is Not Applicable to this device.

Unit number:		Train ride name:	
Site address:		City:	
Amusement devices contractor name:		Contractor's representative name:	
Contractor's representative email:		Contact phone:	

#	GENERAL	P	F	N/A
001	Verify that the amusement ride contractor's license and operating permit are valid			
002	Data plate (on locomotive) in-place and legible			
003	Log book up to date and on site available to personnel
