Our focus is your success, and we can guide you there

Find the perfect program to help you reach your goals

We will work with you to help you decide.

Study in your ideal setting

ELS has the largest network of campus locations in the world. Big cities, small towns, rural atmospheres, rich cultures, and exciting social activities await you.

Learn from the experts

Our teachers are among the best in the industry in English language instruction. Most of our teachers hold advanced degrees.

Access the best resources and materials

Our textbooks and materials are exclusive to ELS and were created by top authors in English language instruction. We will also make sure that your specific learning needs are met through technology and practice.

Get ready to take your English proficiency test

We are one of the largest providers of TOEFL iBT® testing in the United States. Most year-round ELS locations in the U.S. are official TOEFL® testing centers. You will also have exceptional preparation with the ELS Complete Prep Program for the TOEFL iBT®.

Prepare for your journey before you leave home

Before you even master the English language, you can apply for conditional admission. Once you graduate from ELS you can enter the university of your choice.

How does conditional admission work?

You will:

1. Work with ELS University Admission Services to find and apply to the university you choose.
2. Receive a conditional letter of admission from the university if you meet all of their requirements. Your admission is subject to meeting the required ELS English proficiency.
3. Successfully complete Level 109 or Level 112 of the ELS English for Academic Purposes program. *

For more information, visit [ELS.edu/HowToApply](https://els.edu/HowToApply).

** Some universities even allow you to take courses for credit as you complete advanced levels of the ELS English for Academic Purposes program.*

ELS LEVELS

ELS offers 12 levels of instruction to accommodate students of all abilities. All ELS Centers offer placement testing to help determine your level of proficiency and place you in the level that is the best fit for you.
