Introduction

This directory provides a list of our network providers.

We have network providers for all services covered under original Medicare. You may still receive covered services from out-of-network providers who do not have a signed contract with our plan, as long as those providers agree to accept our plan's terms and conditions of payment. You may visit our website at <https://secure.arkansasbluecross.com/providers/TermandConditions.aspx> for more information about private fee-for-service (PFFS) plan payments. If you go to out-of-network providers in Arkansas for covered services, your cost sharing may be higher. Please refer to Chapter 4 of your Evidence of Coverage (EOC) for full details about your out-of-network in Arkansas cost sharing.

Providers who accept our terms and conditions of payment have agreed to bill us for the services or care provided to you. If you receive a bill from a provider not contracted with us for a service or care, do not pay the bill. Please mail it to us at the following address, along with your name and BlueMedicare member identification (ID) number (found on the front of your BlueMedicare member ID card). We will review it and pay as appropriate. (You will still be responsible for your cost sharing. See Chapter 4 of your EOC for your cost sharing amounts.)

BlueMedicare Preferred and Value PFFS

P.O. Box 3648

Little Rock, AR 72203

We do not require members or their providers to obtain a referral or authorization from our plan as a condition for covering medically necessary services that are covered by our plan. If you have any questions about whether we will pay for any medical service or care that you are considering, you have the right to ask us whether we will cover it before you get the service or care.

You may get emergency services from the closest available provider. And you may get urgently needed services from any qualified provider when you're out of our plan's service area or when network providers are not available.

This directory also indicates if a provider is or isn't accepting new patients.

Appointment Wait Times

The providers listed in our directory are expected to meet requirements for how long it should take to get an appointment.

- For urgent care or emergencies—immediately
- For care that's not urgent or an emergency, but you need medical attention—within seven business days
- For routine and preventive care—within 30 business days

If you need help with scheduling an appointment, call us at the phone number listed on the first page of this directory.
