Anheuser-Busch Presents Schneider with Overall Carrier of the Year Award

GREEN BAY, Wis. – August 4, 2015 – Schneider, North America's premier provider of truckload, intermodal and logistics services, was recently honored by Anheuser-Busch with its 2014 Overall Partner of the Year Award. The award is presented every year to the carrier delivering against the highest standards, including on-time pickup, trailer pool compliance and award compliance.

Additionally, Anheuser-Busch takes into consideration the carrier's year-over-year growth and how the carrier exhibits partnership with the brewing company. Anheuser-Busch specifically called out Schneider's dedication to going above and beyond their award lane commitment, frequently offering more capacity on key lanes, as well as hauling out of non-award brewery locations with little notice and with 100 percent reliability.

Anheuser-Busch also awarded Schneider the 2013 Intermodal Carrier of the Year Award for its capacity solutions.
