

USARS Speed Skating Junior Pan American Games- Qualification Criteria

There will be a Junior Pan American Games USA Inline Speed Skating Team Trials (Trials) held to select the 2025 Junior Pan American team. Trials will be held in conjunction with the 2025 Team USA Trials and Outdoor National Championships.

The Trials event will take place June 5-12, 2025, Location TBD

At the Trials, the 500-meter + D, 1000-meter sprint and the 5,000-meter points will be used to select the Pan American Team.

The 200 meter will be used for seeding. No points will be awarded towards qualification in the 200m

The 2025 Junior Pan American Team will consist of a maximum of 2 men and 2 women based on the number of quotas earned: 1 male and 1 female sprint athlete and 1 male and 1 female endurance athlete.

Sprint athletes will qualify based on points accumulated from 500-meter + D and 1000-meter sprint races at the Trials.

Endurance athletes will qualify based on points accumulated from 1000-meter sprint and the 5,000 meter points at the Trials.

The Team will be selected based on the total points earned at the Trials
