 - c. This local variance passed unopposed.
4. Meet Scheduling
 - a. It was proposed to the board that we should put limitations in place for hosting meets to keep one city from hosting all the meets or having events too close together in time.
 - i. The variance that was brought forward for a vote by the board:
 1. There will be no meets approved for the week proceeding and following the WSO Championships.
 - a. This will allow for the focus to be on this event across the region.
 2. For all other events, there must to at least 50 miles or one week between events.
 - a. le: 2 meets could not be held within the same weekend unless they are 50+ miles apart.
