INDEPENDENT AUDITORS' REPORT

To the Board of Directors United States Biathlon Association, Inc.

Opinion

We have audited the financial statements of United States Biathlon Association, Inc. (a nonprofit organization) which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities and changes in net assets, cash flows and functional expenses for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of United States Biathlon Association, Inc. as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of United States Biathlon Association, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audits evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt United States Biathlon Association, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United States Biathlon Association, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United States Biathlon Association, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED JUNE 30, 2022 AND 2021

NOTE 1 – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

NATURE OF ACTIVITIES

The United States Biathlon Association, Inc. (the Association), located in New Gloucester, Maine was incorporated in 1980. The Association acts as the national governing body for the sport of biathlon in compliance with the Ted Stevens Olympic and Amateur Sports Act and the Constitution and Bylaws of United States Olympic Committee and acts as the member of the International Biathlon Union (IBU) for biathlon in the United States. During the years when the Olympics are being held, there are significantly different activity than the non-Olympic years.

BASIS OF ACCOUNTING

The Association's financial statements were prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

CLASSIFICATION OF NET ASSETS

The Association is required to report information regarding its financial position and activities according to two classes of net assets:

NET ASSETS WITHOUT DONOR RESTRICTIONS

Net assets without donor restrictions represent those assets that are not subject to donorimposed stipulations or releases from donor restricted net assets designated for stipulated activities or programs that are available to support the Association's operations.

NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions represent those net assets of a not-for-profit entity that is subject to donor-imposed restrictions. A donor-imposed restriction is a donor stipulation that specifies a use for a contributed asset that is more specific than broad limits resulting from (1) the nature of the not-for-profit entity, (2) the environment in which it operates, and/or (3) the purpose specified in its articles of incorporation or bylaws or comparable documents. Some donors impose restrictions that are temporary in nature, for example stipulating those resources be used after a specified date, for particular programs or services. Other donors impose restrictions which are perpetual in nature, for example, stipulating those resources be maintained in perpetuity.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED JUNE 30, 2022 AND 2021

NOTE 1 – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

NET ASSETS WITH DONOR RESTRICTIONS (CONTINUED)

Net realized and unrealized gains and losses on investments are allocated to net assets with donor restrictions. In the event that the balance of net realized and unrealized gains included in net assets with donor restrictions is reduced to zero, any remaining losses shall be allocated to net assets without donor restrictions.

CASH AND CASH EQUIVALENTS

The Association considers all highly liquid savings deposits and investments with maturities of three months or less when purchased to be cash equivalents.

USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

ACCOUNTS RECEIVABLE

Accounts receivable consists of amounts due under marketing and other arrangements. Accounts receivable is recorded at net realizable value consisting of the carrying amount less the allowance for uncollectible accounts.

Accounts are considered past due once the unpaid balance is 60 days or more outstanding, unless payment terms are extended by contract. When an account is past due and attempts have been made to collect the receivable through legal or other means, the amount is considered uncollectible and is written off to bad debt expense.

The Association does not charge interest on balances considered past due. The Association had \$117 and \$2,560 of accounts receivable that exceeded 60 days old as of June 30, 2022 and 2021, respectively.

At June 30, 2022 and 2021, accounts receivable had net balances in the amount of \$190,057 and \$137,650, respectively, net of an allowance for bad debts of \$0.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED JUNE 30, 2022 AND 2021

NOTE 1-- ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENTS

The Association's investments are carried at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

Purchases and sales are recorded on a trade-date basis. Interest and dividend income is recognized as received. Realized gains and losses are determined by a comparison of specific costs of the investment's acquisition to the proceeds at the time of its sale. Unrealized gains or losses are determined by comparison of the investment's acquisition cost to its fair value of year-end.

INVENTORY

The Association maintains an inventory of various souvenir and gift items with the Biathlon logo, held for sale to the public. The Association also maintains supplies held to provide to athletes. Inventory is stated at the lower of cost or market. Cost is determined using the first-in, first-out method. Contributed items are carried in inventory at their fair value at the date of the contribution.

Deferred Revenue

Income received in advance under the terms of the Association's contract agreements is deferred. Revenue is recognized as services are provided under the terms of the agreements.

IN-KIND SERVICES AND MATERIALS

The Association receives ammunition, clothing, ski equipment, and other products in exchange for marketing rights with certain vendors. The value of these in-kind products is recorded at the estimated value at which the Association would have paid for those items. Estimated value of in-kind services and materials received for the years ended June 30, 2022 and 2021 totaled \$300,713 and \$334,896, respectively.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED JUNE 30, 2022 AND 2021

NOTE 1-- ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

PROPERTY AND EQUIPMENT

The Association records property and equipment at cost, or fair market value if donated. Costs that do not significantly increase the useful life of an asset are charged to repairs and maintenance. Depreciation is computed using modified accelerated cost recovery method over the useful lives of the respective assets, which range from three to seven years. Depreciation expense for the years ended June 30, 2022 and 2021 were \$12,534 and \$15,581, respectively.

Upon retirement, sale or other disposition of property and equipment, the cost and accumulated depreciation are eliminated from the accounts, and gains or losses are included in the statements of activities and changes in net assets.

Donations of property and equipment are recorded as contributions at their estimated value at the date of the donation. Such donations are reported as increases in unrestricted net assets unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions.

IMPAIRMENT OF LONG-LIVED ASSETS

Long-lived assets to be held and used by the Association are reviewed for impairment when events or changes in circumstances indicate that the carrying value of the asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the asset exceeds the fair value of the asset. The fair value of the asset is measured using either available market prices or estimated discounted cash flows. There were no impairment charges taken during the years ended June 30, 2022 and 2021, respectively.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED JUNE 30, 2022 AND 2021

NOTE 1-- ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

REVENUE RECOGNITION

The Association adopted Accounting Standards Codification ("ASC") Topic 606 using the modified retrospective method provision of this standard effective July 1, 2020, which required the Association to apply the new revenue standard to (i) all new revenue contracts entered into after July 1, 2020 and (ii) all existing revenue contracts as of July 1, 2020 through a cumulative adjustment to net assets.

In accordance with this approach, there was no material impact which required a cumulative effect adjustment. Revenue recognition is evaluated through the following five steps: (i) identification of the contract, or contracts, with a customer; (ii) identification of the performance obligations in the contract; (iii) determination of the transaction price; (iv) allocation of the transaction price to the performance obligations in the contract; (v) recognition of revenue when or as a performance obligation is satisfied.

- (i) Identification of the contract, or contracts, with a customer a contract with a customer exists when the Association enters into an enforceable contract with a customer, typically a service agreement initiated by the customer, that defines each party's rights regarding the services to be provided, identifies the payment terms related to these services, and that the customer has both the ability and intent to pay.
- (ii) Identification of the performance obligations in the contract performance obligations promised in a contract are identified based on the services that will be provided to the customer that are distinct, whereby the customer can benefit from the services on their own or together with other resources that are readily available from third parties or from the Association.
- (iii) Determination of the transaction price the transaction price is determined based on the consideration to which the Association will be entitled in exchange for transferring goods or services to the customer.
- (iv) Allocation of the transaction price to the performance obligations in the contract If the contract contains a single performance obligation, the entire transaction price is allocated to the single performance obligation. This applies to the Association as there is only one performance obligation, which is to provide service.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED JUNE 30, 2022 AND 2021

NOTE 1-- ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

REVENUE RECOGNITION (CONTINUED)

- (v) Recognition of revenue when, or as, the Association satisfies a performance obligation the Association satisfies performance obligations at a point in time when control of the goods and services transfers to the customer. Determining the point in time when control transfers require judgment. Indicators considered in determining whether the customer has obtained control of a good include:
 - a. The Association has a present right to payment
 - b. The customer has the significant risks and rewards of ownership of the services provided
 - c. The customer has accepted the services provided

The Association recognizes revenues and other program revenues in the period in which the funds are earned.

Contributions earned are recorded as with donor restriction or without donor restriction, depending on the existence or nature of donor restrictions. When a restriction has been met or expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities and changes in net assets as net assets released from restrictions. However, if a restriction is fulfilled in the same time period in which the contribution is earned, the Association reports the contribution as without donor restrictions.

FUNCTIONAL ALLOCATION OF EXPENSES

The costs associated with program expenses, management and general expenses, and marketing and fundraising expenses have been summarized on a functional basis in the statements of functional expenses. Expenses directly attributable to a specific functional area of the Association are reported as expenses of those functional areas, while shared costs that benefit multiple functional areas have been allocated among the various functional areas based on estimates determined by management to be equitable. Salaries and benefits are allocated based on specific time allocation. Other expenses are allocated by the percentage of payroll expenses of the related department.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED JUNE 30, 2022 AND 2021

NOTE 1-- ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INCOME TAXES

The Association qualifies as a tax-exempt Association under Section 501(c)(3) of the Internal Revenue Code and is exempt from income taxes under Section 501(a) of the Internal Revenue Code. In addition, the Association is classified as a public supported organization under Section 509(a)(1) and contributions to the Association qualify for charitable contribution deduction under Internal Revenue Code 170(b)(1)(A).

The Association recognizes and measures its unrecognized tax positions and assesses the likelihood, based on their technical merit, that tax positions will be sustained upon examination based on the facts, circumstances and information available at the end of each period.

The measurement of unrecognized tax positions is adjusted when new information is available, or when an event occurs that requires a change. Interest and penalties associated with unrecognized tax positions, if any, would be classified as interest expense and additional income taxes, respectively, in the statements of activities and changes in net assets.

NOTE 2 – PROMISES TO GIVE

Promises to give are recorded when the donor makes a promise to give to the Association. Promises to give due in the next year are reflected as current promises to give and are recorded at their net realizable value. Significant promises to give due in subsequent years are reflected as long-term promises to give and are recorded at the present value of their net realizable value, using risk-free interest rates applicable to the years in which the promises are received. All promises to give are due within one year. As of June 30, 2022 and 2021, there were no unrestricted promises to give.

NOTE 3 – BENEFICIAL INTEREST IN CHARITABLE REMAINDER UNITRUST

In December 2013, the Association was named the beneficiary of a charitable remainder unitrust established by a donor. The assets are held by an unrelated third-party trustee. According to the terms of the unitrust agreement, five percent of the net fair market value of the unitrust's assets shall be distributed annually to the donor and his spouse until death. Upon death of the donor and termination of the unitrust, the remaining assets of the unitrust will be distributed to the Association for its unrestricted use.

Pursuant to FASB ASC 958-605-30-14, the beneficial interest will be measured at fair value equal to the present value of the future distribution of the unitrust's assets to the Association.

FOR THE YEARS ENDED JUNE 30, 2022 AND 2021

NOTE **3** – BENEFICIAL INTEREST IN CHARITABLE REMAINDER UNITRUST (CONTINUED)

At June 30, 2022 and 2021, the fair value of Association's beneficial interest in the charitable remainder unitrust is as follows:

		2022	2021
Estimated future distribution of unitrust assets Present value discount	\$	303,571 (68,442)	\$ 289,509 (33,585)
Present value of future distribution of unitrust assets	\$	235,129	\$ 255,924

For the years ended June 30, 2022 and 2021, the change in the present value of the splitinterest agreement of \$(20,795) and \$49,311, respectively, was included in net assets with donor restrictions.

NOTE 4 – CONCENTRATION

The Association maintains its cash balances in a financial institution located in Portland, Maine and a financial institution located in Germany. The balances in each bank are insured by the Federal Deposit Insurance Corporation up to \$250,000. Balances in certain accounts sometimes exceed this amount.

The Association receives a substantial portion of its operating revenue from the United States Olympic Committee (USOC). Total revenue from the USOC in 2022 and 2021 was \$1,129,742 and \$1,069,315, respectively, which represented approximately 40% and 38% of the Association's revenue for each year. Accounts receivable due from the USOC at June 30, 2022 and 2021 was \$0.

The Association also receives a substantial portion of its operating revenue from the International Biathlon Union (IBU). Total revenue from the IBU in 2022 and 2021 was \$529,484 and \$546,748, respectively, which represented approximately 19% and 19% of the Association's revenue for each year. Accounts receivable due from the IBU at June 30, 2022 and 2021 was \$78,177 and \$85,565, respectively.

NOTE 6 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable assets or liabilities (level 3 measurements). The three levels of the fair value measurements under FASB ASC 820 are described as follows:

- <u>Level 1</u> Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities that the Association has the ability to access.
- <u>Level 2</u> Inputs other than quoted prices included in Level 1 that are observable for the asset and liability, either directly or indirectly, such as:
 - quoted prices for similar assets or liabilities in inactive markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

<u>Level 3</u> Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2022 and 2021.

Interest in investment pool with the United States Olympic Foundation: Valued based on the Association's ownership percentage of the underlying assets held by the Foundation.

Beneficial interest in charitable remainder unitrust: Valued at the net present asset value of the estimated future distribution of the unitrust's assets to the Association. The value of the estimated assets upon distribution is based on a rate of return equal to the Daily United States Treasury Yield Curve over the life expectancy of the donors. The present value discount rate is equal to the estimated rate of return.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Association believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 8 – PAYCHECK PROTECTION PROGRAM LOAN

The Association entered into a Promissory Note dated April 20, 2020 (the "PPP Note") with TD Bank as the lender (the "Lender"), pursuant to which the Lender agreed to make a loan to the Association under the Paycheck Protection Program (the "PPP Loan") offered by the U.S. Small Business Administration (the "SBA") in a principal amount of \$141,605 pursuant to Title 1 of the Coronavirus Aid, Relief and Economic Security Act (the "CARES Act").

The PPP Loan proceeds are available to be used to pay for payroll costs, including salaries, commissions, and similar compensation, group health care benefits, and paid leaves; rent; utilities; and interest on certain other outstanding debt. The amount that will be forgiven will be calculated in part with reference to the Association's full-time headcount during the 24 week period following the funding of the PPP Loan.

The interest rate on the PPP Note is a fixed rate of 1% per annum. To the extent that the amounts owed under the PPP Loan, or a portion of them, are not forgiven, the Association will be required to make principal and interest payments in monthly installments beginning seven months from April 2020. The PPP Note matures in two years.

The PPP Note includes events of default. Upon the occurrence of an event of default, the Lender will have the right to exercise remedies against the Association, including the right to require immediate payment of all amounts due under the PPP Note.

On March 26, 2021, the Association received formal approval from the U.S. Small Business Administration for the forgiveness of the PPP Loan.

NOTE 13 – DIRECT ATHLETE SUPPORT

As part of its annual Performance Partnership Agreement with the Association, the United States Olympic Committee (USOC) pays direct support to athletes according to certain eligibility and performance requirements. While these funds are paid directly to the athletes by the USOC, the Association is providing a service to the USOC by governing the program and athlete compliance. Accordingly, the direct athlete support received annually is included as revenue and support and as a corresponding functional expense within the Association's financial statements. Total direct athlete support for the years ended June 30, 2022 and 2021, was \$83,500.

NOTE 14 – PRIZE MONEY PAYABLE

The Association received funding from the International Biathlon Union (IBU) to pay out prize money for the World Cup Biathlon that was held in February of 2016 and 2019. For any international participant, The Association paid the participants their prize money, net of anticipated taxes to be remitted to the Internal Revenue Service. Any remaining prize money will to be paid out to the respective participants. As of June 30, 2022 and 2021, the outstanding prize money and related taxes were \$215,813. The amount due for taxes was remitted to the Internal Revenue Service during the year ended June 30, 2020.

NOTE 17 – RISKS AND UNCERTAINTIES

The Covid-19 outbreak in the United States has caused business disruption through mandated and voluntary closings. There is considerable uncertainty around the duration of the closings or their affects. Therefore, the Organization expects this matter to negatively impact its operating results. However, the related financial impact and duration cannot be reasonably estimated at this time. The Association has been able to continue to operate in a remote environment.

NOTE 18 – SUBSEQUENT EVENTS

The Association has evaluated all subsequent events through the date the financial statements were available to be issued and has determined that, other than noted in the next paragraph, no other material subsequent events have occurred that would affect the information presented in the accompanying financial statements or require additional disclosure.

The Association received a signed loan agreement with a borrower dated March 3, 2023 in the amount of \$215,000, 0% interest. The loan has a term of five year with 60 equal monthly payments to be paid on the first of the month starting April 1, 2023. The loan proceeds will be used to pay off the prize money payable.
