

NOTICE

On Thursday 12/14/23 the Weight Division Selection Committee convened for the upcoming Pan American Qualification event. The committee meeting, held at 12 PM EST, evaluated the athletes and divisions in alignment with the criteria established in the 2024 Olympic Selection Procedure document. All committee members were in attendance.

After thorough deliberation and consideration of all divisions, the committee voted to select the following weight divisions for contesting qualification for remaining quotas at the 2024 Olympic Games:

Men's Divisions:

1. Over 80kg

Women's Divisions:

1. Under 57kg
2. Under 67kg

Invitations for the team trials, scheduled for January 5, 2024, will be sent shortly to the athletes who meet the entry criteria for the above-mentioned weight classes. Winners of these trials will represent our team at the 2024 Pan American Qualification event in the Dominican Republic, slated for April 9-10, 2024.

Important note:

-Only 1 male division may be contested for quota at the 2024 Pan American Olympic Qualifier due to the -80kg division auto-qualifying for the 2024 Olympics via the WT Olympic Rankings.

If there are any questions or require further clarification, please reach out to any of our USATKD High-Performance (HP) team members.
